It is the story of four generations of a singular family, living in a house that is many houses on the magical border of an otherworld. The Return of Little Big Man Thomas

Berger, 2013-03-12 The legendary Jack Crabb takes another riotous romp through the Old West in an acclaimed novel that's "impressive and delightful . . . very Mark Twain" (Daily News, New York).

Jack Crabb is now 112 years old, and he isn't done spinning yarns. In this sequel to Berger's beloved novel *Little Big Man*, one of literature's wildest survivors continues his breathtaking tall tales of the Old West. Crabb claims to have witnessed most of the great historical events of the western frontier: hiding behind a wagon after a drunken Doc Holliday provokes the shootout at the OK Corral; joining Buffalo Bill Cody and Annie Oakley on tour with their international Wild West show; even taking tea with Queen Victoria when she came out of seclusion after a quarter century. No matter where Crabb lays his hat, he keeps his wizened, wry, and sharp commentary at the ready. *The Return of Little Big Man* is a sidesplitting novel of surprising emotional depth. This ebook features an all-new introduction by Thomas Berger, as well as an illustrated biography of the author including rare images and never-before-seen documents from his personal collection.

The Little Things Andy Andrews, 2017-03-07 Wall Street Journal Bestseller Have you ever wondered why we spend so much time and energy thinking about the big challenges in our lives when all the evidence proves it's actually the little things that change everything? That's right... Absolutely everything. *Little Things* embodies Andy's own approach to life and work, detailing for the first time some of the exclusive material that he uses to teach and coach some of the most successful corporations, teams, and individuals around the world. In his unique humorous style, Andy shows how people succeed by actually going against the modern adage, "don't sweat the small stuff". By

contrast, Andy proves that it is in concentrating on the smaller things that we add value and margin. Discover a new perspective and a game plan for meeting various challenges, such as: Managing life in a society that seems to be constantly offended by something or someone Creating change that is permanent and not short term Dramatically increasing results by harnessing the fraction of margin between second place and first Understanding our spiritual connection with God and how that affects planning and outcome Identifying the very moment when asking the question why? multiplies the success of an endeavor Recognizing the smallest details that ensure the greatest success
