**The Little Mermaid** Hans Christian Andersen, 2014-01-29 Deep beneath the ocean lay the beautiful and magical kingdom of King Neptune. He had six mermaid daughters, the youngest of whom was considered to be unsurpassed in her beauty. They lived a wonderful and carefree existence in their underwater arcadia. The world beyond was an uncertain and dangerous place and for this reason all mermaids were forbidden to travel up to the surface before their fifteenth birthday. When her time finally arrives, the Little Mermaid travels up to the surface of the ocean and there witnesses a terrible storm and the sinking of a great ship. She rescues a handsome sailor from drowning, but unbeknownst to her, he is in fact a prince. She longs to go forth into the world to be with her prince. But only with the help of a magic spell can she hope to travel to land and find her prince. But the price she must pay will indeed be high. Will she find the happiness she so desperately yearns for? The Little Mermaid is a story of the power of love and sacrifice that has enchanted generations of children. Can love conquer all or are there some prices that are too high to pay?

The Little Mermaid's Voice Shonna Slayton, 2021-04-10 Would you trade your world for a soul? Ever since the fateful day when the little mermaid risked everything for a human soul, merpeople have been under lockdown—absolutely no surfacing. Sea princess Mairin bristles under the restriction and blames humans for her confinement. But when the kingdom comes under attack, the merqueen surprises Mairin by sending her to watch over a human they've secretly been protecting, the descendant of the little mermaid's prince. Feeling betrayed by her family, Mairin is all too ready to listen to the sea witch's offer to redeem the little mermaid's mistake and free her people. Using the sea-witch's potion to gain legs and follow the human male aboard the Titanic, Mairin sets out to complete the circle of unrequited love. If she can make the descendant fall in love with her, she will win back the freedom of her people. But as she gets to know the humans, her heart changes toward them. Mairin realizes she has made a bigger mistake than the little mermaid ever did. Can she save the humans and her kingdom?
