*The Lost Treasure of the Knights Templar* Steven Sora, 1999-02-01 A compelling argument that connects the lost treasure of the Knights Templar to the mysterious money pit on Oak Island, Nova Scotia, that has baffled treasure hunters for two centuries • Fascinating occult detective work linking the Cathars, the Scottish Masons, and Renne-le-Chateau to the elusive treasure pit on Oak Island • Draws on new evidence recently unearthed in Italy, France, and Scotland to provide a compelling solution to one of the world's most enduring mysteries When the Order of Knights Templar was ruthlessly dissolved in 1307 by King Philip the Fair of France it possessed immense wealth and political power, yet none of the treasure the Templars amassed has ever been found. Their treasure is rumored to contain artifacts of spiritual significance retrieved by the order during the Crusades, including the genealogies of David and Jesus and documents that trace these bloodlines into the royal bloodlines of Merovingian France. Placing a Scottish presence in the New World a century before Columbus, Steven Sora paints a credible scenario that has the Sinclair clan of Scotland transporting the wealth of the Templars--entrusted to them as the Masonic heirs of the order--to a remote island off the shores of present-day Nova Scotia. The mysterious money pit there is commonly believed to have been built before 1497 and has guarded its secret contents tenaciously despite two centuries of determined efforts to unearth it. All of these efforts (one even

financed by American president Franklin Delano Roosevelt) have failed, thanks to an elaborate system of booby traps, false beaches, hidden drains, and other hazards of remarkable ingenuity and technological complexity.

**Finding the Lost Templar Treasure** Stephen. Six,2017-02 'Finding The Lost Templar Treasure' is a huge mystery and incredible secret. And it is as real as it can get. When you start reading this eBook, you 'll most probably want to finish it, before putting it aside. You've read about the Knights Templar, no doubt. The history of this order of warrior monks is well documented in tons of published books and articles. This publication will not go into that. If the mystery of Rennes-Le-Chateau is intriguing to you, this book is going to amaze you even more. I don't have all the answers. In fact, I'm not an expert. I'm the guy who asks the right persons the right questions to get some answers that matter. Perhaps, this mystery is beyond comprehension, but I'll leave that to you. I'm an investigating journalist (and have been for the last 20 years). I've written and directed different television documentaries on delicate topics, but I'm especially passionate about some historical mysteries. I have seen things you wouldn't believe if I told you. Now I've decided to write everything down, starting with this eBook. And I'm working on more mysteries and secrets right now.

**The Templars' Lost Treasure** Stephen J Phillips,2022-10-04 After the fall of Jerusalem, the Knights Templar were forced to relocate to a temporary base outside the Saracen-held port of Acre. Within days, Sir Guillaume Cadeil is informed that the secret treasure he carried from the Temple Mount has been stolen from their new treasury. The implications might be devastating for both the Order and Christianity itself, should the contents of this ancient

parchment - the source of the Templars' immense power - be revealed. Sir Guillaume's quest to locate and recover the parchment will lead him from Acre to Damascus, Rome, Tyre and Tripoli, before he returns to the siege of Acre. Along the way he and his faithful sergeant, Andrew, will face many dangers from the most unexpected quarters - as well as kindness from enemies and friends alike. The arrival of King Richard of England, who will lead the attempts of the Third Crusade to recapture Jerusalem from Saladin, threatens to interrupt Sir Guillaume's quest, especially as a murderous priest appears to have intervened. The Templars' Lost Treasure is part two of the Sir Guillaume Cadeil Chronicles.

**The Templars' Last Secret** Martin Walker, 2018-03-08 In this latest mouthwatering mystery starring country policeman, Bruno, the body of a woman is found outside a cave beneath the ruined Templar chateau of Commarque in the heart of the Dordogne. She died of a broken neck. An accidental fall, or was she pushed? The victim carries no identification and her fingerprints are not known to the French Police or Interpol. The only clue to the woman's identity is that her dentistry looks American, but Bruno's inquiries at local hotels and gites yield no trace of a missing foreign woman. The chateau of Commarque, begun in the 11th century, was founded by a Bishop of Sarlat and entrusted to the Knights Templar. In the rocks beneath it are caves. It is one of the few Templar sites in France that has never been associated with the fabled hidden treasure of the Templars - never until now, when a local

journalist publishes a sensational story around the unknown woman's death and a centuries-old mystery looks like it might finally be solved...

**The Knights Templar** Conrad Bauer, 2017-06-18 The Knights Templar treasure is one the World's most enduring mysteries. Is it a myth or a reality? Where could it possibly be hidden? The Knights Templar existed officially for less than 200 years. Founded to protect pilgrims who were traveling through the Holy Lands, their rise to power was sudden. They became some of the most feared warriors in the region, they had a mandate from God, they controlled perhaps the world's first real banking system, and they waged war against anyone who tried to wrestle Christianity's holiest grounds from the control of the Catholic Church. Within their short lifespan, they quickly became one of the most powerful societies in Europe, if not the world. Full of incredible turns of events including secrets, deceits, lies and betrayals, the history of the Knights Templar from their triumphant conquests to their abrupt fall still fascinates. But nothing comes close to the stories surrounding the mysterious hidden treasures the Knights Templar have accumulated during their short existence and the relics they protected. This book is a guide to the Knights Templar's and possible locations of their mysterious treasure. Questions answered include: How the Templars built up their wealth and what influence it has even on banking systems of today? Is the treasure real and what could've happened to it? What are the possible locations of the treasure today? If you want to know even more after reading

this book - we'll help you find the resources to search out your own answers, via the reference section at the book's end. Scroll back up and order your copy today!

With the Vatican as a client, Ren's team races across Europe's breathtaking landscape as they discover, decode, and follow arcane clues they hope will lead to a chalice connected to the Knights Templar. But their mission and lives are threatened at every turn by ruthless agents hired by an unscrupulous German arms dealer determined to add the treasure to his secret art collection-at any cost.

**Secret of the Templars** Paul Christopher, 2015-01-06 The adventures of retired Army Ranger John "Doc" Holliday and his quest to uncover the secrets of the Templars continue to thrill in this novel from New York Times bestselling author Paul Christopher... After his niece and her fiancé are brutally murdered, Holliday vows to avenge their deaths and finish their work by finding a long-lost Dead Sea Scroll. But in doing so, he stumbles upon a conspiracy linking the Catholic Church to an illicit art forgery operation

involving the Nazis. Hunted by those determined to hide the truth, Holliday and Interpol agent Peter Lazarus embark on a desperate race from the vaults of the Vatican to the deserts of Pakistan to unravel a mystery born in the final days of the Third Reich, and to recover the scroll—the contents of which could destroy the very foundations of the Christian faith.

**The Seton Secret** Frank Faunce, Joe Rudé, 2018-03-11 A discovery of an ancient manuscript, clues to the hidden treasure of the Knights Templar, and a violent murder in the Vatican Secret Archives sets off a fast-paced race between an intrepid group of archeologists and the Muslim Brotherhood. The chase quickly escalates to involve the British Monarchy, MI5, and the Israeli Mossad in a frantic and dangerous quest for the Holy Grail and the skull of John the Baptist! After their defeat at the hands of the Muslims in 1291 AD and the subsequent demise of many of their members in the Inquisition of 1307 AD, the remaining Knights Templar went into hiding throughout Europe. The story of the Templars, the legend of the Holy Grail of Christ at the Last Supper, and the Templars' mysterious treasure and ships which vanished from the port of La Rochelle, persist to this day. This fictional mystery novel is based on fact and a real scientific discovery in the Middle East. It is a pulse-pounding modern day quest for the Holy Grail that begins where Mystery at the Thirteen Sycamores leaves off, in Scotland at Saint Mary Chapel.

**Knights Templar In Popular Culture** Greg Vangompel, 2021-06-19 This shows the

real war on Holy and Devine order! It's time we learned about terrorism in the name of Christ instead of pointing fingers at just the middle east. This order was packed with blood-thirsty heartless devils that even the church raged war on from amongst their brethren! This is one of the few reads with all the details. This book is a guide to the Knights Templars and the possible locations of their mysterious treasure. Questions answered include:

- How the Templars built up their wealth and what influence it has even on the banking systems of today?
- Is the treasure real and what could've happened to it?
- What are the possible locations of the treasure today?
