

The Lost Treasure Of The Templars The Mysteries Of Maggia

C. L. Decker

The Lost Treasure of the Knights Templar Steven Sora, 1999-02-01 A compelling argument that connects the lost treasure of the Knights Templar to the mysterious money pit on Oak Island, Nova Scotia, that has baffled treasure hunters for two centuries • Fascinating occult detective work linking the Cathars, the Scottish Masons, and Renne-le-Chateau to the elusive treasure pit on Oak Island • Draws on new evidence recently unearthed in Italy, France, and Scotland to provide a compelling solution to one of the world's most enduring mysteries When the Order of Knights Templar was ruthlessly dissolved in 1307 by King Philip the Fair of France it possessed immense wealth and political power, yet none of the treasure the Templars amassed has ever been found. Their treasure is rumored to contain artifacts of spiritual significance retrieved by the order during the Crusades, including the genealogies of David and Jesus and documents that trace these bloodlines into the royal bloodlines of Merovingian France. Placing a Scottish presence in the New World a century before Columbus, Steven Sora paints a credible scenario that has the Sinclair clan of Scotland transporting the wealth of the Templars--entrusted to them as the Masonic heirs of the order--to a remote island off the shores of present-day Nova Scotia. The mysterious money pit there is commonly believed to have been built before 1497 and has guarded its secret contents tenaciously despite two centuries of determined efforts to unearth it. All of these efforts (one even financed by American president Franklin Delano Roosevelt) have failed, thanks to an elaborate system of booby traps, false beaches, hidden drains, and other hazards of remarkable ingenuity and technological complexity.

For encryption expert David Mallory, the text is impenetrable. Until an invaluable clue opens the door to a conspiracy, stretching back seven centuries. Now Jessop and Mallory find themselves on a desperate hunt that could change history, topple an empire and bury them both alive. Because soon they're not only the hunters. They're also the hunted. Rather than gold or precious jewels, their long-sought prize may, in fact, be something far more valuable... Information. For the Templar Knights were the original inventors of international trade. And not all of it was in money. Lands, titles, the fates of entire noble houses were

placed in their keeping. The records of such transactions, though centuries old, may possibly yield the greatest wealth in the world. But hunting for such an archive places Jessop and Mallory in the cross hairs of Europe's most powerful families...

The Templars' Lost Treasure Stephen J Phillips, 2022-10-04 After the fall of Jerusalem, the Knights Templar were forced to relocate to a temporary base outside the Saracen-held port of Acre. Within days, Sir Guillaume Cadeil is informed that the secret treasure he carried from the Temple Mount has been stolen from their new treasury. The implications might be devastating for both the Order and Christianity itself, should the contents of this ancient parchment - the source of the Templars' immense power - be revealed. Sir Guillaume's quest to locate and recover the parchment will lead him from Acre to Damascus, Rome, Tyre and Tripoli, before he returns to the siege of Acre. Along the way he and his faithful sergeant, Andrew, will face many dangers from the most unexpected quarters - as well as kindness from enemies and friends alike. The arrival of King Richard of England, who will lead the attempts of the Third Crusade to recapture Jerusalem from Saladin, threatens to interrupt Sir Guillaume's quest, especially as a murderous priest appears to have intervened. The Templars' Lost Treasure is part two of the Sir Guillaume Cadeil Chronicles.

The Knights Templar Conrad Bauer, 2017-06-18 The Knights Templar treasure is one

the World's most enduring mysteries. Is it a myth or a reality? Where could it possibly be hidden? The Knights Templar existed officially for less than 200 years. Founded to protect pilgrims who were traveling through the Holy Lands, their rise to power was sudden. They became some of the most feared warriors in the region, they had a mandate from God, they controlled perhaps the world's first real banking system, and they waged war against anyone who tried to wrestle Christianity's holiest grounds from the control of the Catholic Church. Within their short lifespan, they quickly became one of the most powerful societies in Europe, if not the world. Full of incredible turns of events including secrets, deceits, lies and betrayals, the history of the Knights Templar from their triumphant conquests to their abrupt fall still fascinates. But nothing comes close to the stories surrounding the mysterious hidden treasures the Knights Templar have accumulated during their short existence and the relics they protected. This book is a guide to the Knights Templar's and possible locations of their mysterious treasure. Questions answered include: How the Templars built up their wealth and what influence it has even on banking systems of today? Is the treasure real and what could've happened to it? What are the possible locations of the treasure today? If you want to know even more after reading this book - we'll help you find the resources to search out your own answers, via the reference section at the book's end. The Templars' Chalice C. L. Decker, 2018-12 French born and Oxford-educated Ren Merit, who holds both British and American citizenship, heads a Singapore-based team of international treasure hunting experts with a winning track record in the recovery of priceless art. Two execution-style murders in Rome following the theft of an ancient

document with Knights Templar origins have the team on high alert. With the Vatican as a client, Ren's team races across Europe's breathtaking landscape as they discover, decode, and follow arcane clues they hope will lead to a chalice connected to the Knights Templar. But their mission and lives are threatened at every turn by ruthless agents hired by an unscrupulous German arms dealer determined to add the treasure to his secret art collection-at any cost.

The Templars' Secret Island Erling Haagenzen, Henry Lincoln, 2000 The Templars' Secret Island will show many extraordinary links between Bornholm, France and Jerusalem.

The Templars' Last Secret Martin Walker, 2018-03-08 In this latest mouthwatering mystery starring country policeman, Bruno, the body of a woman is found outside a cave beneath the ruined Templar chateau of Commarque in the heart of the Dordogne. She died of a broken neck. An accidental fall, or was she pushed? The victim carries no identification and her fingerprints are not known to the French Police or Interpol. The only clue to the woman's identity is that her dentistry looks American, but Bruno's inquiries at local hotels and gites yield no trace of a missing foreign woman. The chateau of Commarque, begun in the 11th century, was founded by a Bishop of Sarlat and entrusted to the Knights Templar. In the rocks beneath it are caves. It is one of the few Templar sites in France that has never been associated with the fabled hidden treasure of the Templars - never until now, when a local journalist publishes a sensational story around the unknown woman's death and a centuries-old mystery looks like it might finally be solved...

Secret of the Templars Paul Christopher, 2015-01-06 The adventures of retired Army Ranger John "Doc" Holliday and his quest to uncover the secrets of the Templars continue

to thrill in this novel from New York Times bestselling author Paul Christopher... After his niece and her fiancé are brutally murdered, Holliday vows to avenge their deaths and finish their work by finding a long-lost Dead Sea Scroll. But in doing so, he stumbles upon a conspiracy linking the Catholic Church to an illicit art forgery operation involving the Nazis. Hunted by those determined to hide the truth, Holliday and Interpol agent Peter Lazarus embark on a desperate race from the vaults of the Vatican to the deserts of Pakistan to unravel a mystery born in the final days of the Third Reich, and to recover the scroll—the contents of which could destroy the very foundations of the Christian faith.

Templars in America Tim Wallace-Murphy, Marilyn Hopkins, 2023-06-05 “This book is a must-read for anyone wanting to understand the true history of the founding of the most powerful nation on earth.” —Scott Wolter, host of America Unearthed and author of Cryptic Code of the Templars in America Using archival and archaeological sources, two historians reveal the hidden history of the Knights Templar and their travels to pre-Columbian America . . . and their influence on the Founding Fathers. *Templars in America* reveals the story of two leading European Templar families who combined forces to create a new commonwealth in America nearly a century before the voyages of Christopher Columbus. Henry St. Clair of the Orkney Islands, then part of Normandy, and Carlo Zeno, a Venetian trader, made peaceful and mutually beneficial contact with the Mi’qmaq people of what is now Canada. Proof of their travels is carved in stone on both sides of the Atlantic and can be found in documentary evidence borne out by a strong oral tradition that has withstood the test of time. Historians Tim Wallace-Murphy and Marilyn Hopkins demonstrate how this

early contact with the Americas ties into the centuries-long development of the Templars and Freemasonry, which in turn shaped the thinking of the Founding Fathers—and the American Constitution. Wallace-Murphy and Hopkins also reveal the continuous history of American exploration from the time of ancient Egypt, Greece, and Rome, through the age of the Vikings. Templars in America is a wild ride from the golden age of exploration to the founding of the United States.

The Mystery of Our Lady's Beard Antonio Botto Quintans, Stephen Davies, 2014-06-03 When his brother is mysteriously saved from drowning, Frederico is inspired to research his Quinta's history and discovers a celtic sanctuary donated to the Cistercians by Portugal's first king Afonso Henriques. The truth behind folklore of a treasure trove hidden in this Royal Forest near the Knights Templar port of Atouguia slowly dawns. In the visigothic chapel, a fresco painting showing Our Lady with a beard holds the key to the great secret of the Knights Templar: the Holy Grail!

Knights Templar In Popular Culture Greg Vangompel, 2021-06-19 This shows the real war on Holy and Devine order! It's time we learned about terrorism in the name of Christ instead of pointing fingers at just the middle east. This order was packed with blood-thirsty heartless devils that even the church raged war on from amongst their brethren! This is one of the few reads with all the details. This book is a guide to the Knights Templars and the possible locations of their mysterious treasure. Questions answered include: - How the Templars built up their wealth and what influence it has even on the banking systems of today? - Is the treasure real and what could've happened to it? - What are the possible locations of the treasure today?

The Last Templar Raymond Khoury, 2006-01-19 The first thrilling novel in Raymond Khoury's New York Times bestselling Templar series. In 1291, a young Templar knight flees the fallen holy land in a hail of fire and flashing sword, setting out to sea with a mysterious chest entrusted to him by the Order's dying grand master. The ship vanishes without a trace. In present day Manhattan, four masked horsemen dressed as Templar Knights stage a bloody raid on the Metropolitan Museum of Art during an exhibit of Vatican treasures. Emerging with a strange geared device, they disappear into the night. The investigation that follows draws archaeologist Tess Chaykin and FBI agent Sean Reilly into the dark, hidden history of the crusading knights—and into a deadly game of cat and mouse with ruthless killers—as they race across three continents to recover the lost secret of the Templars.

The Templar's Claim Sarah A. Powell, 2011-02-24 For the last seven centuries the Vatican has been at war with an organization known as the Knights Templar. The Templars fled Europe in order to rebuild. They crossed the ocean to America. The Vatican has one mission: to destroy the Templars. The Templars have guarded their secrets and treasure for centuries in order to prevent them from falling into the hands of the Vatican. The Vatican has sent the Knights of Columbus, one of their most deadly orders.
