English Magic Uschi Gatward,2021-09-01 English Magic

moves through fields and parklands, estates and empty beaches. It lands at Heathrow Airport, takes a taxi to the suburbs, finds emptiness and oppression. It strikes out for the countryside on May Day, to where maypoles whirl and haybales blaze, and where blessings sound like threats. It's in a flat, drags itself out of half sleep... and there's something tapping behind the gas fire... In her debut collection of short stories, Uschi Gatward takes us on a tour of an England simultaneously domestic and wild, familiar and strange, real and imagined. Coupling the past and the present, merging the surreal and the mundane, English Magic is a collection full of humour and warmth, subversion and intoxication. It announces the arrival of a shining new talent.

Creating Magic Lee Cockerell, 2008-10-14 “It’s not the magic that makes it work; it’s the way we work that makes it magic.” The secret for creating “magic” in our careers, our organizations, and our lives is simple: outstanding leadership—the kind that inspires employees, delights customers, and achieves extraordinary business results. No one knows more about this kind of leadership than Lee Cockerell, the man who ran Walt Disney World® Resort operations for over a decade. And in *Creating Magic*, he shares the leadership principles that not only guided his own journey from a poor farm boy in Oklahoma to the head of operations for a multibillion dollar enterprise, but that also soon came to form the cultural bedrock of the world’s number one vacation destination. But as Lee demonstrates, great leadership isn’t about mastering impossibly complex management theories. We can all become

outstanding leaders by following the ten practical, common sense strategies outlined in this remarkable book. As straightforward as they are profound, these leadership lessons include: Everyone is important. Make your people your brand. Burn the free fuel: appreciation, recognition, and encouragement. Give people a purpose, not just a job. Combining surprising business wisdom with insightful and entertaining stories from Lee's four decades on the front lines of some of the world's best-run companies, *Creating Magic* shows all of us – from small business owners to managers at every level – how to become better leaders by infusing quality, character, courage, enthusiasm, and integrity into our workplace and into our lives.

The Magic Story Frederic Van Rensselaer Dey, Steven A. LaVelle, 2004 *THE MAGIC STORY* has been reprinted countless times since its original release in 1900 but never has it been updated until now. The motivational story of a luckless artist whose life was changed overnight because of a simple story he found by chance has been a perennial favorite for ages. Now, the classic tale of perseverance and prosperity is ready for a new generation of readers who can benefit from its timeless lessons.
