

The Masters Golf Tournament

David Barrett

The Masters Curt Sampson, 1999-03-16 The Masters golf tournament weaves a hypnotic spell. It is the toughest ticket in sports, with black-market tickets selling for \$10,000 and more. Success at Augusta National breeds legends, while failure can overshadow even the most brilliant of careers. But as Curt Sampson, author of the bestselling *Hogan*, reveals in *The Masters*, a cold heart beats behind the warm antebellum façade of this famous Augusta course. And that heart belongs to the man who killed himself on the grounds two decades ago. Club and tournament founder Clifford Roberts, a New York stockbroker, still seems to run the place from his grave. An elusive and reclusive figure, Roberts pulled the strings that made the Masters the greatest golf tournament in the world. His story—including his relationship with presidents, power brokers, and every golf champion from Bobby Jones to Arnold Palmer to Jack Nicklaus—has never been told. Until now. *The Masters* is an amazing slice of history, taking us inside the presidency of Dwight D. Eisenhower, Augusta's most famous member. It is a look at how the new South coexists with the old South: the relationships between blacks and whites, between Southerners and Northerners, between rich and poor—with such characters as James Brown, the Godfather of Soul; the great boxer Beau Jack; and Frank Stranahan, the playboy golfer and the only white pro ever banned from the tournament. *The Masters* is a spellbinding portrait of a tournament unlike any other.

One Week in April: The Masters , 2010-01-25 Forget the birds, the flowers, and April showers: in golf, you know spring has sprung when the Masters rolls around. Held on the hallowed grounds of the Augusta National Golf Club, and widely broadcast on TV, it's one of the world's most-watched sporting events

each year. This collection celebrates that famed tournament, as some of America's best known sportswriters—such as Grantland Rice and Jim Murray—praise the event's illustrious history and traditions. The Masters has provided the stage for golf's most prominent names, and they're all represented on these pages, from Gene Sarazen and Ben Hogan to Arnold Palmer and Jack Nicklaus to Tiger Woods. Fans (many of whom dream of playing it themselves) will take a ride down memory and Magnolia Lane, as they recall great moments in golf, and find out about some of the quirkiest, behind-the-scene moments, both touching and humorous. MASTERS' FACTS AND FIGURES: • 43 million Americans watched Tiger Woods win his first of four green jackets. • It's the number one televised golf tournament in the world. • You cannot apply for membership; you must be invited. • The tradition of wearing green jackets began in 1937. • Dwight D. Eisenhower was the only president to have been a club member.

The Making of the Masters David Owen, 2003-03-25 Played out across the rolling hills, the Masters is the first major golf tournament of the year. Owen tells the story of how this unlikely winter haven became one of the most famed locations on the sporting map. For the millions of fans who dream of April in Augusta, this is the best and most intimate look at golf's ultimate rite of spring. 32 page photo insert.

The Masters Christine Webster, 2019-08-01 The Masters is one of the most highly regarded golf tournaments in the world. Each year, the best golfers from around the world compete to win the championship. Learn more about this fascinating championship in The Masters, a title in the We Are the Champions series. We Are the Champions is a series of AV2 media enhanced books. Each title in the series features easy-to-read text, stunning visuals, and a

challenging educational activity. A unique book code printed on page 2 unlocks multimedia content. These books come alive with video, audio, weblinks, slideshows, activities, hands-on experiments, and much more.

Masters Brian Howell, 2013-01-01 Details the history, great players, and famous moments of the Masters Golf Tournament.

Augusta Steve Eubanks, 1997-04 The author explores the history of the Augusta National Golf Club and its connection with the rich and famous. Behind the wondrous scenes and memorable tournament play, however, resides a secretive and clannish club with a gentlemen-only membership of three hundred.--Jacket

Making the Masters David Barrett, 2012-03-21 Contested the second weekend in April each year since 1934, the Masters is the world's most prestigious golf tournament and most-watched tournament on television. Tickets are in such demand that even the waiting list is closed, and players value the title above all others. In Making the Masters, award-winning golf writer David Barrett focuses his attention on how the Masters was conceived, how it got off the ground in 1934, and how it fully established itself in 1935. The key figure in the tournament's creation and success was Bobby Jones, who was a living legend after winning the Grand Slam in 1930 and immediately retiring at the age of twenty-eight. He went on to found Augusta National and sought a high-profile tournament for his new course. But nearly as important was Clifford Roberts, a banker friend of Jones who not only embraced Jones's vision but became his right-hand man in working to bring that vision to reality. Barrett explores how Jones and Roberts built the Masters from scratch, creating a golf institution embellished by the often surprising details of what that entailed as they were trying to establish a golf club

and golf tournament in tough economic times. It also vividly chronicles the events of the 1934 and 1935 Masters, with Gene Sarazen's spectacular victory in 1935 providing the climax. Set against the backdrop of golf, and America, in the 1930s, the book provides an informative and entertaining read for fans of the Masters and students of golf history.

Unprecedented Tiger Woods, Lorne Rubenstein, 2017-03-23 WINNER OF THE 2019, 2005, 2002, 2001 and 1997 MASTERS. In UNPRECEDENTED: ME AND THE MASTERS, Tiger Woods shares in his own words the story of the original Masters tournament that took him to greatness, all of which has paved the way for one of the most phenomenal comebacks in sporting history. 'To come back and win the Masters after all the highs and lows is a testament to excellence, grit and determination' BARACK OBAMA In 1997, Tiger Woods was already among the most watched and closely examined athletes in history. But it wasn't until the Masters Tournament that Tiger Woods's career would definitively change for ever. Tiger Woods, then only 21, won the Masters by a historic 12 shots, which remains the widest margin of victory in the tournament's history, making it arguably among the most seminal events in golf. He was the first African-American/Asian player to win the Masters, and this at the Augusta National Golf Club, perhaps the most exclusive club in the world, and one that had in 1990 admitted its first black member. More than twenty years after his first historic win, Tiger Woods explores his life with the game, with the Masters tournament itself, about how golf has changed over the past twenty years, and what it was like winning such an event. Woods will also open up about his relationship with father Earl Woods, dispelling previous misconceptions, and will candidly reveal many never-before-heard stories. Written by one of the game's all-time greats, this book will provide keen

insight on the Masters then and now as well as on the sport itself.

'Greatness like no other' SERENA WILLIAMS

The Masters Tournament of Golf Julian May, 1975 A brief history of the Masters Golf Tournament, an open tournament held each year at the Augusta, Georgia, National Golf Club.

Seven Days in Augusta Mark Cannizzaro, 2021-04-06 The Masters is unquestionably the crown jewel of golf's major tournaments, not only for the transcendent performances it has inspired over the years, but for the incomparable sights and sounds of Augusta National and its environs, each distinct element contributing to the storied, rarefied atmosphere which draws tens of thousands to Georgia each spring. Seven Days in Augusta spans everything from the par-3 contest, to Amen Corner, to Butler Cabin. Mark Cannizzaro goes behind the scenes of the exclusive competition, covering wide-ranging topics including green jacket rituals, tales from The Crow's Nest atop the clubhouse, the extreme lengths some fans have gone to acquire tickets, and what goes on outside the gates during Masters week. Also featuring some of the most memorable and dramatic moments from the tournament's history, this is an essential, expansive look at golf's favorite event.

Shouting at Amen Corner Ron Green, 2012-03-08 Shouting at Amen Corner is a collection of the best of Ron Green's columns and articles from his 45 years of covering the Masters for The Charlotte News and The Charlotte Observer. It's a book about Hogan, Palmer, Nicklaus, Watson, Faldo, and Wood, but it's also about Norman, Weiskopf, Miller, and others who have come so close, only to see the Green Jacket slip away at the last moment. This book is unique in that it recounts history as it was being made, and offers a special intimacy

and perspective. Not a behind-the-scenes expose about members, money, and power, but a story of golf's greatest showcase event and the players who have created cherished memories over the last five decades.

The Masters David Sowell, 2021-03-01 Revered as the most prestigious tournament in golf, the Masters commands international attention, even among nongolfers. The first and second editions of *The Masters: A Hole-by-Hole History of America's Golf Classic* took the unique approach of tackling Augusta National hole by hole. Each hole had its own chapter, with colorful stories on the greatest shots, biggest disasters, and most amazing events that took place on each. David Sowell returns to Augusta with the third edition of *The Masters*, adding more history and updating each hole with additional stories of greatness and tales of woe for a new generation of golfers led by Jordan Spieth, Rory McIlroy, and Patrick Reed, as well as from an older guard represented by Bubba Watson, Adam Scott, and Sergio García. The legends of the Masters are in full force in this lively look at America's golf classic. From Bobby Jones and Gene Sarazen to Arnold Palmer and Jack Nicklaus to Tiger Woods and Phil Mickelson to Bubba Watson and Jordan Spieth, all the greatest Masters moments of the greatest—and not so great—golfers are here in one book. This third edition provides a rich historical view of the course where success breeds legends and where failure can haunt even the most brilliant golfer's career.

Tales from Augusta's Fairways Jim Hawkins, 2017-04-11 Peer beyond the high, thick hedges of Augusta National Golf Club for an intimate, entertaining glimpse of the classic cathedral that is home to golf's most venerable, unique event. In this newly-revised edition of *Tales from Augusta's Fairways*, Jim Hawkins and Robert Hartman capture all the power and passion that have

inspired golfers to flock to Georgia for generations. From Gene Sarazen's 1935 double-eagle that put Augusta National on the map, to Tiger Woods's Grand Slam victory in 2001, from the tragic collapses of Greg Norman and Jordan Spieth to the heart-warming story of Jose Maria Olazabal, *Tales from Augusta's Fairways* takes an inside look at a course that has changed the game. Readers will share the dream with Bobby Jones and Clifford Roberts, walk the green with Jack Nicklaus, take a swing with Arnold Palmer, and putt with thousands of hopefuls who have made the Masters the most revered, most prestigious golf tournament in the world. Without a doubt, this is a must-have for any golf fan.

The Masters Ron Green Jr., 2008-04-01 An award-winning sportswriter presents 101 reasons to love the Masters tournament at Augusta National, from the down-home (the peach cobbler served at Augusta National's clubhouse) to the sublime (Ben Hogan and Byron Nelson's breathtaking playoff for the 1942 championship), to the stars of today.

The Story of the Masters David Barrett, 2022-03 The Story of the Masters is the first comprehensive year-by-year history of the world's most famous golf tournament. Veteran golf journalist David Barrett draws upon contemporaneous reporting and other source material to offer dramatic accounts of each year the tournament has been played, starting in 1934. The story of the tournament progresses from the early years when it was founded by golf great Bobby Jones and quickly established itself as an elite event, to the post-World War II era when Sam Snead and Ben Hogan dominated. The thrilling exploits of dashing hero Arnold Palmer brought the tournament into the television age and the sustained excellence of Jack Nicklaus helped to further the prestige of the tournament. Nearly two full decades of European dominance of the Masters

heralded the international age of golf. Then Tiger Woods came along and used the Augusta stage for his coming-out party in 1997 and then for his epic comeback in 2019. In Barrett's telling, each year has its own story to tell as the Augusta National course provides the perfect setting for tournament excitement, noted for suspenseful back-and-forth action between multiple contenders--the norm at the Masters. The nature of the course's layout creates opportunities for stirring charges and heroic shots to determine the champion, while filled with enough danger to provoke monumental collapses that also become part of Masters lore. Through the decades, the game's greatest players have shined their brightest at the Masters. Many golfing careers have been shaped and defined by this tournament, and Barrett shares unknown and forgotten stories of not only the sport's stars, but also the many others who challenged them over the years at Augusta.

The Lost Masters Curt Sampson, 2010-06-15 Of all the games ever played in a sporting competition, never has an event been so bizarre and yet so fitting for its historical moment: the 1968 Masters. Anger gripped America's heart in April 1968. Vietnam and a bitter presidential contest sharpened the divides between races and generations, while protests and violence poisoned the air. Then an assassin's bullet took the life of Dr. Martin Luther King, Jr. Cities burned. The smoke had barely cleared when the Masters began. Never was the country more ready for distraction and escape--but could the orderly annual excitement of Palmer versus Nicklaus provide it? For a while, it could and it did--except that instead of a duel between golf's superstars, several unlikely members of the chorus stepped forward with once-in-a-lifetime performances. There was blunt-talking Bob Goalby, a truck driver's son from Illinois and former star football player; loveable Roberto De Vincenzo from

Argentina, who charmed the galleries and media all week; and Bert Yancey, a Floridian who'd dropped out of West Point to face his private demons of mental illness. Just as the competition reached a thrilling crescendo, it all fell apart. The Masters, the best-run tournament in the world, devolved into a heart-wrenching tangle of rules, responsibility, and technicality. In a fascinating narrative that stops in Augusta, Buenos Aires, and Belleville, Illinois, bestselling author Curt Sampson finds the truth behind The Lost Masters. It's a story you'll never forget.

The Masters Tom Flaherty, 2012-10-01

1986 Masters John Boyette, 2013-03-05 At the age of forty-six, Jack Nicklaus was considered by some to be done as a championship golfer. Entering the 1986 Masters, most folks had written off the Golden Bear. But the winner of a record seventeen professional majors wasn't done yet. After a slow start, Nicklaus got in the hunt during the weekend, and he played the final nine holes in a 6-under-par 30. He roared past a who's who of top golfers that day to win his sixth Masters title—a record that still exists. Most experts agree that it was the most thrilling day of tournament golf ever played. Upon the twenty-fifth anniversary of arguably the most exciting Masters in history, THE 1986 MASTERS is nearly a hole-by-hole account written by a veteran sports journalist who was there. Illustrated with more than fifty exclusive photographs of the tournament from the award-winning team at the Augusta Chronicle, it takes you right onto the course with the golfers. Author John Boyette includes commentary from interviews with the key figures connected to the 1986 Masters. From Nicklaus's wife and son to CBS announcers to the players themselves—Greg Norman, Tom Kite, Bernhard Langer, Sandy Lyle, Seve Ballesteros, and many more—an amazing chorus of voices that helps tell this

remarkable story. And the voice of Jack Nicklaus shines as well, in an interview provided exclusively for the book. A thoroughly absorbing narrative about one of golf's greatest moments created by one of golf's greatest figures, THE 1986 MASTERS is a must-read for any golf fan.

Masters Golf Tournament Christine Webster, 2009-07 This brief overview of the Masters Golf Tournament provides information on the game's history, rules, equipment, legends, and current stars.

America's Gift to Golf Herbert Warren Wind, 2016-01-26 The dean of American golf writers pays tribute to the nation's greatest tournament Over the course of his forty-year career at the New Yorker and Sports Illustrated, Herbert Warren Wind covered the game of golf from many different angles, providing readers with eloquent insights on the iconic courses of Scotland as well as Bing Crosby's lifelong love affair with the sport. But no aspect of golf was closer to Wind's heart, or more intimately associated with his name, than the annual Masters Tournament at Augusta National Golf Course. Recounting Arnold Palmer's victory in 1958, Wind coined the phrase "Amen Corner" to describe the fateful stretch of golf course including the 11th, 12th, and 13th holes. To celebrate the fiftieth anniversary of the first Augusta National Invitation, held in 1934, Wind eloquently recounted a half-century's worth of highlights, from Bobby Jones's original vision of an informal competition between his old friends and the game's rising stars, to Ben Crenshaw's impressive defeat of Tom Watson in the 1984 tournament. Full of the grand traditions—including green jackets, purple azaleas, and white jumpsuits—and dramatic moments that have made the Masters the most entertaining of the four major championships, America's Gift to Golf brings the history of this majestic tournament to vivid life and testifies to the enduring legacy of

Herbert Warren Wind.
