Cherished as the final, perfect revelation of God's will by 1.2 billion Muslims worldwide, the Koran has become a part of American life. What do you know about the holy book that shapes the lives and views of your neighbors and a fifth of the world's population? Written by a pastor who was born to a Muslim father and raised in Saudi Arabia, Understanding the Koran gives you a fascinating, easy-to-understand overview that will show you: Why the background behind the Koran is important to understanding it. How the Koran came into existence. A summary of the main teachings of the Koran, including what it says about Jesus and the crucifixion. Similarities and differences between Muslim and Christian views of God. What the Koran teaches about Jihad and holy war. What the Koran teaches about heaven and hell and the final destinies of the human soul.
