

The Oklahoman

Cecil Eugene Reinke

The Oklahomans: The Story of Oklahoma and Its People: Volume I: Ancient-Statehood John J. Dwyer, 2016-11-15 The unforgettable saga of America's last frontier-the Oklahoma Country. Never has the story of this great land and people been told like John J. Dwyer does it. Storybook, history book, coffee table book. Featuring the same colorful and readable format that has helped make his The War Between the States: America's Uncivil War a success, The Oklahomans (Volume 1, Ancient-Statehood), chronicles the saga of the winning-and losing-of a land. Some of the most famous cowboys, Indians, lawmen, outlaws, and explorers in American history stride across the pages of this unforgettable story. So do some of the country's greatest entrepreneurs, statesmen, Christian ministers, social pioneers, and athletes.

Oklahoma City The Oklahoman, 2018-02-23

Oklahoma All-State Football Teams of the Twentieth Century, Selected by the Oklahoman Cecil Eugene Reinke, 2012-02-01 This is a reference book; it contains a comprehensive listing of all the high school All-State football teams selected by The Oklahoman, the leading newspaper in Oklahoma, during the twentieth century. Today, numerous newspapers in Oklahoma select high school football teams, but it was The Oklahoman, published in Oklahoma City, that initiated the practice in the year 1913. That year, the newspaper published the first to be named Oklahoma high school All-State football team, designated the Oklahoma All-Star High School Eleven, chosen by newspaper sportswriters. Sportswriters of The Oklahoman selected a high school All-State team every remaining year of the twentieth century and continue doing so to this day.

Whatever Happened to Molly Murphy's House of Fine Repute? Jeffree Tayar, 2007-12 For nearly 20 years, Molly Murphy's House of Fine Repute was the place to go to celebrate special occasions or just have a fun night out on the town in Oklahoma City. Its costumed hostesses and waitstaff entertained patrons with their outrageous behavior, while diners enjoyed the finest steaks and wines. Now, Author Jeffree Tayar, its former owner, tells how the restaurant came to be, how it survived for so many years, and how it fell following the Incident. Along the way, readers are given a look at Bob and Jeffree Tayar's relationship with each other and with the community. In it, she answers the question people have been asking for more than 10 years, Whatever Happened to Molly Murphy's House of Fine Repute? Jeffree Tayar grew up in Southern Oklahoma but moved to Oklahoma City in 1959, after graduating high school in Ardmore. She married Bob Tayar and together they owned and operated several restaurants in Oklahoma City and Tulsa, most notably Molly Murphy's House of Fine Repute. They raised one son, Bobby, who now lives with his wife and two daughters in Columbus, Ohio. After residing in the Palm Springs area of California for 9 years, Jeffree has returned to her Oklahoma roots, to be near family and old friends.

Boom Town Sam Anderson, 2018-08-21 A brilliant, kaleidoscopic narrative of Oklahoma City—a great American story of civics, basketball, and destiny, from award-winning journalist Sam Anderson NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The New York Times Book Review • NPR • Chicago Tribune • San Francisco Chronicle • The Economist • Deadspin Oklahoma City was born from chaos. It was founded in a bizarre but momentous

“Land Run” in 1889, when thousands of people lined up along the borders of Oklahoma Territory and rushed in at noon to stake their claims. Since then, it has been a city torn between the wild energy that drives its outsized ambitions, and the forces of order that seek sustainable progress. Nowhere was this dynamic better realized than in the drama of the Oklahoma City Thunder basketball team’s 2012-13 season, when the Thunder’s brilliant general manager, Sam Presti, ignited a firestorm by trading future superstar James Harden just days before the first game. Presti’s all-in gamble on “the Process”—the patient, methodical management style that dictated the trade as the team’s best hope for long-term greatness—kicked off a pivotal year in the city’s history, one that would include pitched battles over urban planning, a series of cataclysmic tornadoes, and the frenzied hope that an NBA championship might finally deliver the glory of which the city had always dreamed. Boom Town announces the arrival of an exciting literary voice. Sam Anderson, former book critic for New York magazine and now a staff writer at the New York Times magazine, unfolds an idiosyncratic mix of American history, sports reporting, urban studies, gonzo memoir, and much more to tell the strange but compelling story of an American city whose unique mix of geography and history make it a fascinating microcosm of the democratic experiment. Filled with characters ranging from NBA superstars Kevin Durant and Russell Westbrook; to Flaming Lips oddball frontman Wayne Coyne; to legendary Great Plains meteorologist Gary England; to Stanley Draper, Oklahoma City’s would-be Robert Moses; to civil rights activist Clara Luper; to the citizens and public servants who survived the notorious 1995 bombing of the Alfred P. Murrah federal building, Boom Town offers a remarkable look at the urban tapestry woven from control and chaos, sports and civics.

The Oklahoma Red Book Oklahoma, 1912

Killers of the Flower Moon David Grann, 2018-04-03 #1 NEW YORK TIMES BESTSELLER •

A twisting, haunting true-life murder mystery about one of the most monstrous crimes in American history, from the author of *The Wager* and *The Lost City of Z*, “one of the preeminent adventure and true-crime writers working today.”—*New York Magazine* • NATIONAL BOOK AWARD FINALIST • NOW A MARTIN SCORSESE PICTURE “A shocking whodunit...What more could fans of true-crime thrillers ask?”—*USA Today* “A masterful work of literary journalism crafted with the urgency of a mystery.” —*The Boston Globe* In the 1920s, the richest people per capita in the world were members of the Osage Nation in Oklahoma. After oil was discovered beneath their land, the Osage rode in chauffeured automobiles, built mansions, and sent their children to study in Europe. Then, one by one, the Osage began to be killed off. The family of an Osage woman, Mollie Burkhart, became a prime target. One of her relatives was shot. Another was poisoned. And it was just the beginning, as more and more Osage were dying under mysterious circumstances, and many of those who dared to investigate the killings were themselves murdered. As the death toll rose, the newly created FBI took up the case, and the young director, J. Edgar Hoover, turned to a former Texas Ranger named Tom White to try to unravel the mystery. White put together an undercover team, including a Native American agent who infiltrated the region, and together with the Osage began to expose one of the most chilling conspiracies in American history. Look for David Grann’s latest bestselling book, *The Wager*!

The Unfinished Bombing Edward T. Linenthal, 2003-05-01 On April 19, 1995 the

bombing of the Alfred P. Murrah Federal Building in Oklahoma City shook the nation, destroying our complacent sense of safety and sending a community into a tailspin of shock, grief, and bewilderment. Almost as difficult as the bombing itself has been the aftermath, its legacy for Oklahoma City and for the nation, and the struggle to recover from this unprecedented attack. In *The Unfinished Bombing*, Edward T. Linenthal explores the many ways Oklahomans and other Americans have tried to grapple with this catastrophe. Working with exclusive access to materials gathered by the Oklahoma City National Memorial Archive and drawing from over 150 personal interviews with family members of those murdered, survivors, rescuers, and many others. Linenthal looks at how the bombing threatened cherished ideas about American innocence, sparked national debate on how to respond to terrorism at home and abroad, and engendered a new bereaved community in Oklahoma City itself. Linenthal examines how different stories about the bombing were told through positive narratives of civic renewal and of religious redemption and more negative narratives of toxicity and trauma. He writes about the extraordinary bonds of affection that were created in the wake of the bombing, acts of kindness, empathy, and compassion that existed alongside the toxic legacy of the event. *The Unfinished Bombing* offers a compelling look at both the individual and the larger cultural consequences of one of the most searing events in recent American history.

Legendary Locals of Edmond David Randall Fisk, 2014 Edmond was settled in 1889 when pioneers claimed the land during the first Oklahoma land run. Located in the heart of America, Edmond is an ever-growing city with more than 80,000 residents. It is found just north of Oklahoma City on historic Route 66. Through the first 125 years, a diverse and

interesting batch of people have made Edmond their home. From early leaders such as Milton Kicking Bird Reynolds, founding editor of the Edmond Sun, and Anton Classen, a civic leader and businessman, to present-day business leaders, celebrities, and sports stars, Edmond has had a wealth of remarkable characters. Doctors, ministers, beauty queens, lawmen, firefighters, a former governor, and many other everyday citizens have made Edmond the town it is today. Former mayor Sandra Naifeh once said, Edmond has always been held to a high standard by the people and businesses who call it home. Residents are proud of its heritage and small-town character and values.

I Love Oklahoma/I Hate Texas Jake Trotter, 2012-08-01 Spotlighiting a team that holds the edge in a series dating back to 1915, this pro-Georgia history proves why fans should love the Bulldogs and hate their archrivals, the Florida Gators. A pep talk from Vince Dooley is featured as is beloved mascot Uga, and the Gator Stomp that made Tim Tebow look even goofier than usual is highlighted for good measure. This entertaining chronicle argues for adoring Buck Belue while raking Rex Grossman over the coals, relating the fantastic coaching stories of the legendary W.A. Cunningham, Wally Butts, and Vince Dooley as well as up-close and personal chats.

The Fortune Teller Gwendolyn Womack, 2017-06-06 NOW A USA TODAY AND LOS ANGELES TIMES BESTSELLER From the award-winning author of *The Memory Painter* comes a sweeping and suspenseful tale of romance, fate, and fortune. Semele Cavnaw appraises antiquities for an exclusive Manhattan auction house, deciphering ancient texts—and when she discovers a manuscript written in the time of Cleopatra, she knows it will be the find of her career. Its author tells the story of a priceless tarot deck, now lost to history, but as

Semele delves further, she realizes the manuscript is more than it seems. Both a memoir and a prophecy, it appears to be the work of a powerful seer, describing devastating wars and natural disasters in detail thousands of years before they occurred. The more she reads, the more the manuscript begins to affect Semele's life. But what happened to the tarot deck? As the mystery of her connection to its story deepens, Semele can't shake the feeling that she's being followed. Only one person can help her make sense of it all: her client, Theo Bossard. Yet Theo is arrogant and elusive, concealing secrets of his own, and there's more to Semele's desire to speak with him than she would like to admit. Can Semele even trust him? The auction date is swiftly approaching, and someone wants to interfere—someone who knows the cards exist, and that the Bossard manuscript is tied to her. Semele realizes it's up to her to stop them: the manuscript holds the key to a two-thousand-year-old secret, a secret someone will do anything to possess.

100 Things to Do in Oklahoma City Before You Die, 2nd Edition Lauren Roth, 2019-05
Oklahoma City is a study in contrasts. From quiet reflection at the Oklahoma City National Memorial to the exhilaration of whitewater rafting on the river, you never know what might be around the bend. And for a city built in a hurry during the Land Run, it has an unmistakably laid-back vibe and never strays too far from its Western roots. How can you get an authentic feel for this city with so much to offer? 100 Things to Do in Oklahoma City Before You Die is the quintessential guide to all the history, sports, innovation, and entertainment in OKC where culture busts out of every seam. Catch a glimpse of the enduring American West at the National Cowboy and Western Heritage Museum. Or to see real cowboys in action, head to the historic Stockyards City for the world's largest live cattle

auction. Travel by streetcar to see the city's best art exhibits, like Dale Chihuly's breathtaking glass tower at the OKC Museum of Art. Learn how a city that was part of the infamous Dust Bowl became an Olympic rowing destination as you explore the architecture of the Boathouse District. Author and native Oklahoman Lauren Roth loves surprising visitors with the top recommendations in her hometown. With her insider tips and itineraries, this book will open a door to Oklahoma City you might not have expected and leave you wide-eyed at every turn.

1889 Michael J. Hightower, 2018-09-20 After immigrants flooded into central Oklahoma during the land rush of 1889 and the future capital of Oklahoma City sprang up “within a fortnight,” the city’s residents adopted the slogan “born grown” to describe their new home. But the territory’s creation was never so simple or straightforward. The real story, steeped in the politics of the Gilded Age, unfolds in 1889, Michael J. Hightower’s revealing look at a moment in history that, in all its turmoil and complexity, transcends the myth. Hightower frames his story within the larger history of Old Oklahoma, beginning in Indian Territory, where displaced tribes and freedmen, wealthy cattlemen, and prospective homesteaders became embroiled in disputes over public land and federal government policies. Against this fraught background, 1889 travels back and forth between Washington, D.C., and the Oklahoma frontier to describe the politics of settlement, public land use, and the first stirrings of urban development. Drawing on eyewitness accounts, Hightower captures the drama of the Boomer incursions and the Run of ’89, as well as the nascent urbanization of the townsite that would become Oklahoma City. All of these events played out in a political vacuum until Congress officially created Oklahoma Territory in the Organic

Act of May 1890. The story of central Oklahoma is profoundly American, showing the region to have been a crucible for melding competing national interests and visions of the future. Boomers, businessmen, cattlemen, soldiers, politicians, pundits, and African and Native Americans squared off—sometimes peacefully, often not—in disagreements over public lands that would resonate in western history long after 1889.

The Oklahoma State Capitol Trait Thompson, 2022-08 The story of the Oklahoma State Capitol is as wild and unpredictable as the story of Oklahoma itself. The on-again, off-again effort to construct the statehouse lasted five years as Oklahoma City and Guthrie jockeyed back and forth, each laying claim to the capital city. Finally, seven years after statehood, ground was broken on the capitol. Oklahoma's third governor, Robert Williams, seeking to keep costs low, put himself in charge of the Oklahoma State Capitol Building Commission and made the following controversial decision that would be debated for decades afterwards: he would forgo the structure's planned ornamental dome. It would not be added until 85 years later. Dome or no dome, the capitol has served as the People's House, a place for Oklahomans to let their voices be heard throughout the generations.

The Story of Oklahoma W. David Baird, 1994 Describes the people and events that have shaped the state's history

Blacks in White Colleges George Lynn Cross, 2014-03-24 When George Lynn Cross arrived to teach botany at the University of Oklahoma in the summer of 1934, racial segregation was so strong in Norman that no African American dared remain within the city limits after sundown. Almost ten years later when Cross became president of the university, the full extent of Oklahoma's segregation laws came sharply into focus. This book is

President Cross's story of the events leading to the desegregation of the University of Oklahoma in 1948, with the admission of George W. McLaurin to the Graduate School of Education. Earlier, a young black woman, Ada Lois Sipuel Fisher, had applied to the OU School of Law and been denied admission because of her race. With the help of attorneys from the NAACP she took her case to the U.S. Supreme Court. The High Court equivocated, and a "separate but equal" law school was hastily established in Oklahoma City as a branch of all-black Langston University. It was not until three years later—and then only after the intervention of President Cross, who personally overrode "the law's delay"—that Ms. Fisher was able to study at the University of Oklahoma, from which she later graduated with honors. Cross places these momentous events in historical context. The story of desegregation at the University of Oklahoma, a landmark in the continuing struggle for racial equality in the United States, makes for an engrossing book.

Oklahoma Justice Ron Owens, 1995 Reveals the inside story of the Oklahoma City Police from 1889-1995.

American Outback Richard Lowitt, 2006 Examines how inhabitants of the Oklahoma Panhandle throughout the 20th century used the semiarid lands that Kansas, Colorado, and New Mexico did not want, and that Texas, after entering the Union as a slave state, could not have. Focuses particularly on agriculture and production of natural gas and helium-- Provided by publisher.
