**The Story Orchestra: Four Seasons in One Day**,2016-10-04 Discover what it would be like to travel through the four seasons in one day in this musical story based on the classical masterpiece The Four Seasons—push the button in each breathtaking scene to hear the vivid sound of an orchestra playing from Vivaldi's score. Follow a little girl called Isabelle and her dog,

Pickle, as they take on the adventure of a lifetime. As a sign of the changing seasons, Isabelle carries a little apple tree with her, and we see it bud, blossom, and lose its leaves. As you and your little one journey through the vibrant scenes illustrated by artist Jessica Courtney-Tickle, you will press the buttons to hear 10 excerpts from The Four Seasons violin concerti. At the back of the book, find a short biography of the composer, Antonio Vivaldi, with details about his composition of The Four Seasons. Next to this, you can replay the musical excerpts and, for each of them, read a discussion of the instruments, rhythms, and musical techniques that make them so powerful. A glossary defines musical terms. The Story Orchestra series brings classical music to life for children through gorgeously illustrated retellings of classic ballet stories paired with 10-second sound clips of orchestras playing from their musical scores. Manufacturer's note: please pull the white tab out of the back of the book before use. Sound buttons require a firm push in exact location to work, which may be hard for young children. All sound clips are 10 seconds long.

### **Vivaldi and the Invisible Orchestra** Stephen

Costanza, 2012-02-28 Every day, Antonio Vivaldi composes a new orchestral piece, and every day, the orphan Candida transcribes Vivaldi's masterpiece into sheet music for the Invisible Orchestra. Nobody notices Candida or appreciates her hard work. But one day Candida accidentally slips a poem she wrote into the sheet music and the girl so often behind the shadows gets recognized for her own talents. Vivaldi really did have an Invisible Orchestra made up of orphan girls he taught to play. This beautiful book pays tribute to their inspiration.

A well-meaning snake interacts with the orchestral instruments, scares the musicians and conductor, and causes general chaos in this sweet and funny book by Johanna Wright, author of Bandits and Bunnies on Ice. A Neal Porter Book
