Hazrat Mirza Ghulam Ahmad

The Advent of the Promised Messiah Hazrat Mirza Ghulam Ahmad,2016-06-01 At a time when injustice, immorality and sin ran rampant, the religion of Islam dawned to revive the bond between humanity and its Creator, and to establish peace in the world. It was at the hand of the Prophet of Islam that an unparalleled moral and spiritual transformation took place. But the Holy Prophet Muhammad, peace and blessings of Allah be upon him, prophesied that a time would come when the true teachings of Islam would be forgotten and at this time a divinely appointed reformer would appear to rejuvenate Islam. In fulfilment of this prophecy, Hazrat Mirza Ghulam Ahmad, peace be upon him, appeared in Qadian, India, and claimed to be the divinely appointed reformer awaited by all the world religions. This book comprises an address delivered by the Promised Messiah, in which he speaks about the purpose of his advent and what it means to be an Ahmadi.

Selections from the Writings of the Promised Messiah Hazrat Mirza Ghulam Ahmad,2016-06-01 The writings elucidate many of Islamic teachings. This book contains excerpts of his writings with topics ranging from Allah to life after death. The original text has been provided alongside the English translation.

Introducing the Books of the Promised Messiah Naseem Saifi,1983

The Miracle of Ahmad Hazrat Mirza Ghulam Ahmad,2019-06-01 The book, The Miracle of Ahmad (I'jāz-e-Ahmadi) is one of the signs of truthfulness of the Founder of Ahmadiyya Muslim Community. It was written in 1902 when an opponent in Mudh, India alleged that all prophecies made by Hazrat Mirza Ghulam Ahmad(as) were false and that he did not possess the miraculous knowledge of the Arabic language he had claimed. In response, the Promised Messiah(as) wrote this book containing a lengthy Arabic Qasīdah [ode] in praise of the Holy Prophet Muhammad, may peace and blessings of Allah be upon him, in a mere five days. He challenged his opponents to produce the like of it and announced a prize money of Rs. 10,000 which was his total worth at the time. No one arose to the challenge. Instead, a large number of residents of town of Mudh were decimated by the plague as prophesied in this book.

The Truth Unveiled Hazrat Mirza Ghulam Ahmad,2016-06-01 Islam is a religion that inculcates the importance of being loyal to the country in which one lives. Hazrat Mirza Ghulam Ahmad, peace be upon him, the Promised Messiah and Mahdi, and Founder of the Ahmadiyya Muslim Community, always taught the same to his followers. However, Maulvi Muhammad Husain of Batala, a staunch opponent, sought to defame the author by sending false reports to the government alleging that the Promised Messiah, peace be upon him, was a man who secretly conspired against the state. Against this backdrop, the author was moved to pen this treatise, in which he outlines his own family background and the long-standing services of his family in support of the British government. He also presents a succinct summary of the teachings of his community. Moreover, the author explains that Muslims who believe in the return of a violent Mahdi who would forcibly convert the world to Islam could not be further from the truth.

Hallmarks of the Saints Hazrat Mirza Ghulam Ahmad,2021-06-01 Siratul-Abdal (Hallmarks of the Saints) was penned in Arabic by Hazrat Mirza Ghulam Ahmad, the Promised Messiah, peace be on him, in 1903. The book describes the distinctive qualities, morals, and virtues that set apart those who have made a holy change in themselves for the sake of God. Indeed, the life of the Promised Messiah himself is a compelling portrait of the characteristics of such holy personages. Siratul-Abdal is a masterpiece of the Arabic language, employing the most eloquent, powerful, and persuasive features of expression of classical Arabic. Although the eloquence of the original text simply cannot be reproduced in another language, every effort has been made to convey the message of the original Arabic text.

A Conclusive Argument in Favour of Islam Hazrat Mirza Ghulam Ahmad,2017-01-01 Mere claims do not prove that a certain religion is true. The distinct hallmark of a true and living religion is that it establishes the existence of God in every age and with undeniable evidence. In this work, Mirza Ghulam Ahmad of Qadian, the Promised Messiah and Mahdi, explains that Islam is a living religion that is not based on tales of the past, but possesses the power to endow its followers the ability to manifest miracles and signs even today. A tree is recognised by its fruit he states, and the fruits of Islam can be tasted by all even today. The author takes up the challenge of Dr Henry Martyn Clark to engage in a debate that he said would once and for all settle the differences between Christianity and Islam, and determine the superiority of one over the other – a debate dubbed ‘The Holy War’ by Dr Clark. The author presents copies of correspondence between Dr Clark and himself, as well as letters to and from the Muslims of Jandiala, who were to be represented in this debate. It also contains the conditions settled for the aforementioned debate and proclaims a prophecy regarding Muhammad Husain of Batala.

A Hidden Truth Hazrat Mirza Ghulam Ahmad,2016-06-01 The life of one man has perhaps never been the centre of such passionate debate as with the case of Jesus the Messiah, peace be upon him. While some consider him imposter, others believe he was saved from being hung on the cross by ascending into the heavens physically. In this book, with compelling testimony, Mirza Ghulam Ahmad, peace be upon him, presents the true and accurate biographical findings on the life of Jesus. He argues with conclusive historical evidence that Jesus survived the crucifixion and travelled to Kashmir, India, where he died at the ripe age of 120. Toward the end of this treatise the author also sheds light on a prophecy regarding Muhammad Husain of Batala and the purpose of a prayer-duel with the same.

Fountain of Christianity Hazrat Mirza Ghulam Ahmad,2008 The Promised Messiah(as) wrote Fountain of Christianity in March 1906, in response to the book Yansbi-ul-Islam, in which a Christian gentleman has tried to prove that the Holy Quran does not contain any new teachings and that the Holy Prophet(sa) merely copied the narratives from past scriptures-God forbid. The Promised Messiah(as) responded to this objection, first, by raising serious doubts about the authenticity of the Christian Gospels, and then went on to show how the Holy Quran is a unique and peerless book, how so many of its prophecies have been fulfilled, and how its blessings live on to this day. In this small book, the author also argues against the doctrines of Trinity and Atonement held by present-day Christians, and shows that these beliefs have nothing to do with the teachings of Jesus(as) himself. The second part of the book, or Epilogue, consists of a profound thesis on the meaning of true salvation. The Promised Messiah(as) describes salvation as The abiding peace and happiness which man, by his very nature, hungers and thirsts for,and which is achieved through personal love and recognition of God, and through a perfect relationship with Him.

The Honour of Prophets Hazrat Mirza Ghulam Ahmad,2017-01-01 Every human being seeks salvation in some form or another. The concept of salvation holds pivotal importance in matters of religion. A faith unable to deliver its followers from sin is worthless, yet the progress and benefit of society depends on this very salvation. So where should one turn to attain it? In this work, Mirza Ghulam Ahmad of Qadian, the Promised Messiah and Mahdi, explains that since human nature is weak, salvation can only be attained through a mediator who, owing to their perfect relationship with God and deep sympathy for humanity, can serve as a link between God and man. In every era, God has conferred salvation upon humanity through His prophets, but none can match the unparalleled status held by the Prophet of Islam in this respect, who was the paragon of perfection. In the present age, it is this pure and blessed prophet who is the only intercessor that can grant humanity a living relationship with God and free mankind from the shackles of sin. The author presents an exquisite exposition on the philosophy of divine intercession, sinlessness, forgiveness, human frailty and his advent as the Promised Messiah.

The Victory of Islam Hazrat Mirza Ghulam Ahmad,2022-06-01 Fath-e-Islam (The Victory of Islam) is an Urdu treatise penned in 1890 by Hazrat Mirza Ghulam Ahmad(as), the Promised Messiah and Mahdi. It outlines the Divinely ordained strategy to combat the aggressive misinformation campaigns orchestrated by the Christian missionaries throughout the Muslim world. Accordingly, the Promised Messiah(as) implemented the following five branches: 1. Publishing books 2. Distributing leaflets 3. Hosting guests and visitors in search of truth 4. Replying to letters of inquiry 5. Establishing a community through bai’at (initiation) Through these five initiatives, the Promised Messiah(as) was not only able to effectively defend Islam and the Holy Prophet Muhammad(sa) against the widespread slanders, but he also took the offensive by exposing the fundamental weaknesses of the Christian faith and its deviations from the true teachings of Jesus(as).

Star of the Empress Hazrat Mirza Ghulam Ahmad,2013-06-01 The book was written by the Promised Messiah(as) on 20th August 1899 and published on 24th August 1899. In this brief exposition, the Promised

Messiah(as) has presented, in a new light, the same views expressed in his book Tohfa-e-Qaisariyyah [A Gift for the Queen], which was written on the occasion of the Diamond Jubilee of Her Majesty, Queen Victoria. In this book, the Promised Messiah(as) has once again commended the British government for granting peace, security and religious freedom to all its subjects. He has then refuted the false doctrine of the advent of a militant Messiah and Mahdi, who according to some, would presumably, coerce the world into accepting Islam. Furthermore, he has also beautifully removed misconceptions surrounding the concept of Jihad and clearly expounds that Islam was never spread by the sword, nor is religious compulsion permitted in Islam. The Promised Messiah(as) then goes on to beautifully explain that the Christian concept of atonement, which logically results in Jesus(as) bearing the burden of curse, is a dishonour to the pure and holy person of Jesus(as). Finally, the Promised Messiah(as) has presented his claim as being the Promised Messiah and Mahdi of the latter days, awaited by all world religions.

Haqiqatul-Wahi Hazrat Mirza Ghulam Ahmad, 2018-06-01 In this book the Promised Messiah, on whom be peace, discusses the philosophy of divine revelation, the three categories of people who claim to receive revelation, and the distinction of the truthful from the false. He then establishes his truthfulness by documenting over 200 Signs, including the fulfillment of prophecies made by the Holy Prophet Muhammad, may peace and blessings of Allah be upon him, other men of God, earlier scriptures, and his own revelations spanning over twenty-five years. The author cites numerous examples of his enemies who publicly predicted his downfall and demise, only to become the very victims of their own prophecies. God, however, protected him against every assault, while continuously reassuring him of His promise to bless his Community—a promise which continues to bear the seal and testimony of history. The author also appeals to the followers of different faiths to read this book cover to cover to appreciate and accept this evidence as proof that God is One and the Holy Prophet Muhammad is the Messenger of God, and that he is the Promised Messiah raised to unite humanity under the banner of Islam.

Proceedings of the Prayer Meeting Hazrat Mirza Ghulam Ahmad, 2018-07-01 Held under the auspices of Hazrat Mirza Ghulam Ahmad, The Promised Messiah and Mahdi (as). February 2, 1900 was the day of Eidul-Fitr. Hazrat Mirza Ghulam Ahmad (as), the Promised Messiah and Mahdi, advised the members of the Jama'at to hold a meeting on that day and offer prayers for the success of the British government. In his address, he commented on the chapter An-Naas of the Holy Qur'an and reminded the audience of the duties they owed to the government, especially because of the goodness of the government which it had displayed in various ways. After the address, he told the gathering to pray for the victory of the British government in the battle that was being fought in Transvaal and then led a silent prayer for this purpose. Some amount was collected to be sent for the injured in this battle. This gathering of the Jama'at came to be known as the Prayer Meeting.

The Revealed Sermon Hazrat Mirza Ghulam Ahmad, 2023-08-22 Khutbah Ilhamiyyah ('The Revealed Sermon') is an Arabic sermon delivered by Hazrat Mirza Ghulam Ahmad, the Promised Messiah(as), on the occasion of Eid-ul-Adha. On that very morning of 11 April 1900, he had received the Divine revelation, 'Today you will deliver the speech in Arabic; you have been endowed with this ability.' Accordingly, he stood up before a live audience of approximately 200 people and began to deliver the sermon ad lib. A stream of eloquently structured sentences in the Arabic language began to flow forth in rapid succession, highlighting the nature and essence of the Islamic philosophy of sacrifice. We present here the actual text of the sermon as transcribed by two audience members while the sermon was simultaneously being delivered. Khutbah Ilhamiyyah is an insightful read for anyone seeking to behold a Divine miracle in all its grandeur and glory, and the profound mysteries deeply embedded within the Arabic language.

The Essence of Islam Hazrat Mirza Ghulam Ahmad, 2004 This is the third volume of the series bearing the title "The Essence of Islam," the first volume of which was published in 1979. Like the first volume, it sets out in the words of the Promised Messiah, Hazrat Mirza Ghulam Ahmad of Qadian himself, a summary of his exposition of four further topics: • Family and Personal Background • Status of The Promised Messiah(as) • The purpose of the Promised Messiah's advent • Propagation, establishment of a holy Jama'at, and instructions

The True Nature of the Mahdi Hazrat Mirza Ghulam Ahmad, 2017-01-01 The history of religion demonstrates that all Prophets have suffered vehement opposition. Like all the prophets of God, Hazrat Mirza Ghulam Ahmad of Qadian, the Promised Messiah and Mahdi was also opposed. Throughout his life, Maulvi Muhammad Husain of Batala, a staunch opponent, spared no opportunity to harm and malign the Promised Messiah. When all else failed, he began to submit false reports to the British government, alleging that Mirza Ghulam Ahmad was a rebel of the state and believed in the advent of a bloodthirsty, violent Mahdi, who would force all non-Muslims to Islam. It was due to these false reports that the author wrote a brief but eloquent treatise outlining his true beliefs regarding the advent of the Promised Mahdi in Islam. In this book, the author explains that the divinely appointed reformer and Mahdi to appear in the latter days would bring a message of peace and conquer the world with love; not through violence and bloodshed. He also reassures the government of his loyalty to the state and exposes the hypocrisy of Maulvi Muhammad Husain and the falsity of his reports to the government.

The Essence of Islam - Volume I Hazrat Mirza Ghulam Ahmad, 2004 This volume, the first of a series, sets out, in the words of Hazrat Mirza Ghulam Ahmad himself, a summary of his exposition of four outstanding topics, namely, Islam; Allah, the Exalted; the Holy Prophet, peace and blessings of Allah be upon him; and the Holy Quran. The original compilation, in Urdu, from which these extracts have been translated into English, was collated with great care and diligence by Syed Daud Ahmad, may Allah have mercy on him.
