The Real Estate Handbook Running Press Book Publishers, 1983-03-01

The Real Estate Investment Handbook G. Timothy Haight, Daniel D. Singer, 2005-01-05 Investing in commercial real estate can provide excellent risk-return opportunities for both the large and small investor. Unlike equity securities, commercial real estate often generates a substantial and predictable cash flow over time--and the compounding effect of this cash flow can significantly enhance the performance of most investment portfolios. Filled with in-depth insight and practical advice, *The Real Estate Investment Handbook* is an essential tool for current and aspiring commercial real estate investors looking to develop and evaluate commercial real estate properties. Throughout the book, experts G. Timothy Haight and Daniel D. Singer offer careful examinations of the various types of commercial real estate available, the measures within the markets used to evaluate their performance, and the intricacies of the markets in which they are traded. The discussions of breakeven analysis, present value, financial leverage, loan packaging, and practical real-life situations found in *The Real Estate Investment Handbook* will help you make better-informed decisions when investing in properties such as: * Apartments, condominiums, and time-shares * Single-family homes * Self-storage facilities * Office buildings * Industrial properties * Parking lots * Shopping centers * Hotels and motels Successful real estate investing is not just about net income or cash flow; it's about the fit between an investor and an investment. With *The Real Estate Investment Handbook* as your guide, you'll learn how to choose properties that make sense--and money--for you.

6 Figures in 12 Months: How to Meet Or Surpass Your Revenue Goals as a Real Estate Agent Jeff Discher,2021-10-07 You're a newly licensed real estate agent. Now what? Maybe you've had your real estate license for a while but have hit a plateau. How do you start moving again? *6 Figures in 12 Months: How to Meet or Surpass Your Revenue Goals as a Real Estate Agent* teaches you how to become a six-figure real estate agent, but it is more than just a how-to book for the new real estate agent. It also tells you what current real estate agents who earn six figures do in terms of self-development. Why learn these lessons on your own? This book gives you a boost by telling you what they do and what they use to succeed. *6 Figures in 12 Months* explains different stages real estate agents go through so you know we have all been where you are. I give you the tools, apps, practices, and technology I use in my successful real estate brokerage to help you be more efficient and effective as a real estate agent so you can stand out from the crowd fast and consistently. They didn't teach you this stuff in real estate school, and many firms don't give new agents real estate training to help them be successful. I know this from experience. I want you to succeed because I know you can. You became a realtor for a reason. This is why I know with the information in this book and your own motivation, you will be and can be a new real estate agent above all others and make that six-figure income.
