John Hersey

The Red Tent Anita Diamant, 2005-11 Based on the Book of Genesis, Dinah shares her perspective on religious practices and sexual politics.

Pitching My Tent Anita Diamant, 2003-10-02 From the bestselling author of *The Red Tent* and *Good Harbor*, a collection of intimate, autobiographical reflections on the milestones, revelations, and balancing acts of life as a wife, mother, friend, and member of a religious community. Before *The Red Tent* won her international literary acclaim, Anita Diamant was a columnist in Boston. Over the course of twenty years, she wrote essays that reflected the shape and evolution of her life, as well as the trends of her generation. In the end, her musings about love and marriage, birth and death, nature versus nurture, politics and religion—and everything from female friendships to quitting smoking—have created a public diary of the progress of her life that resonated deeply with her readers. Now, *Pitching My Tent* collects the finest columns of a writer who is a reporter by training and a storyteller by heart, all revised and enriched with new material. Personal, inspiring, and often funny, *Pitching My Tent* displays the warmth, humor, and wisdom that Diamant's legions of fans have come to cherish.

The Book of Longings Sue Monk Kidd, 2020-04-21 “An extraordinary novel . . . a triumph of insight and storytelling.” —Associated Press “A true masterpiece.” —Glennon Doyle, author of *Untamed* An extraordinary story set in the first century about a woman who finds her voice and her destiny, from the celebrated number one New York Times bestselling author of *The Secret Life of Bees* and *The Invention of Wings* In her mesmerizing fourth work of fiction, Sue Monk Kidd takes an audacious approach to history and brings her acclaimed narrative gifts to imagine the story of a young woman named Ana. Raised in a wealthy family with ties to the ruler of Galilee, she is rebellious and ambitious, with a brilliant mind and a daring spirit. She engages in furtive scholarly pursuits and writes narratives about neglected and silenced women. Ana is expected to marry an older widower, a prospect that horrifies her. An encounter with eighteen-year-old Jesus changes everything. Their marriage evolves with love and conflict, humor and pathos in Nazareth, where Ana makes a home with Jesus, his brothers, and their mother, Mary. Ana's pent-up longings intensify amid the turbulent resistance to Rome's occupation of Israel, partially led by her brother, Judas. She is sustained by her fearless aunt Yaltha, who harbors a compelling secret. When Ana commits a brazen act that puts her in peril, she flees to Alexandria, where startling revelations and greater dangers unfold, and she finds refuge in unexpected surroundings. Ana determines her fate during a stunning convergence of events considered among the most impactful in human history. Grounded in meticulous research and written with a reverential approach to Jesus's life that focuses on his humanity, *The Book of Longings* is an inspiring, unforgettable account of one woman's bold struggle to realize the passion and potential inside her, while living in a time, place and culture devised to silence her. It is a triumph of storytelling both timely and timeless, from a masterful writer at the height of her powers.

The Boston Girl Anita Diamant, 2015-02-12 When Addie Baum's 22-year old granddaughter asks her about her childhood, Addie realizes the moment has come to relive the full history that shaped her. Addie Baum was a Boston Girl, born in 1900 to immigrant Jewish parents who lived a very modest life. But Addie's intelligence and curiosity propelled her to a more modern path. Addie wanted to finish high school and to go to college. She wanted a career, to find true love. She wanted to escape the confines of her family. And she did. Told against the backdrop of World War I, and written with the same immense emotional impact that has made Diamant's previous novels bestsellers, *The Boston Girl* is a moving portrait of one woman's complicated life in the early 20th Century, and a window into the lives of all women seeking to understand the world around them.

Good Harbor Anita Diamant, 2002-10-02 Follows the growing friendship between fifty-

nine-year-old Kathleen, recently diagnosed with breast cancer, and the slightly younger Joyce, increasingly distant from her teenage daughter and struggling to write a second novel.

Day After Night Anita Diamant, 2009-09-07 Atlit is a holding camp for illegal immigrants in Israel in 1945. There, about 270 men and women await their future and try to recover from their past. Diamant, with infinite compassion and understanding, tells the stories of the women gathered in this place. Shayndel is a Polish Zionist who fought the Germans with a band of partisans. Leonie is a Parisian beauty. Tedi is Dutch, a strapping blond who wants only to forget. Zorah survived Auschwitz. Haunted by unspeakable memories and too many losses to bear, these young women, along with a stunning cast of supporting characters who work in or pass through Atlit, begin to find salvation in the bonds of friendship and shared experience, as they confront the challenge of re-creating themselves and discovering a way to live again.

Ask a Manager Alison Green, 2018-05-01 From the creator of the popular website *Ask a Manager* and New York's work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There's a reason Alison Green has been called “the Dear Abby of the work world.” Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don't know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit “reply all” • you're being

micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate’s loud speakerphone is making you homicidal • you got drunk at the holiday party Praise for Ask a Manager “A must-read for anyone who works . . . [Alison Green’s] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work.”—Booklist (starred review) “The author’s friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers’ lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience.”—Library Journal (starred review) “I am a huge fan of Alison Green’s Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor.”—Robert Sutton, Stanford professor and author of The No Asshole Rule and The Asshole Survival Guide “Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way.”—Erin Lowry, author of Broke Millennial: Stop Scraping By and Get Your Financial Life Together

In this classic work Dewey calls for the complete renewal of public education, arguing for the fusion of vocational and contemplative studies in education and for the necessity of universal education for the advancement of self and society. First published in 1916, Democracy and Education is regarded as the seminal work on public education by one of the most important scholars of the century.

The Girl from Everywhere Heidi Heilig, 2016-02-16 The Girl from Everywhere, the first of two books, blends fantasy, history, and a modern sensibility. Its sparkling wit, breathless adventure, multicultural cast, and enchanting romance will dazzle readers of Sabaa Tahir and Leigh Bardugo. As the daughter of a time traveler, Nix has spent sixteen years sweeping across the globe and through the centuries aboard her father’s ship. Modern-day New York City, nineteenth-century Hawaii, other lands seen only in myth and legend—Nix has been to them all. But when her father gambles with her very existence, it all may be about to end. Rae Carson meets Outlander in this epic debut fantasy. If there is a map, Nix’s father can sail his ship, The Temptation, to any place and any time. But now that he’s uncovered the one map he’s always sought—1868 Honolulu, the year before Nix’s mother died in childbirth—Nix’s life, her entire existence, is at stake. No one knows what will happen if her father changes the past. It could erase Nix’s future, her dreams, her adventures . . . her connection with the charming Persian thief, Kash, who’s been part of their crew for two years.

Hiroshima John Hersey, 2020-06-23 Hiroshima is the story of six people—a clerk, a widowed seamstress, a physician, a Methodist minister, a young surgeon, and a German Catholic priest—who lived through the greatest single manmade disaster in history. In vivid and indelible prose, Pulitzer Prize-winner John Hersey traces the stories of these half-dozen individuals from 8:15 a.m. on August 6, 1945, when Hiroshima was destroyed by the first atomic bomb ever dropped on a city, through the hours and days that followed. Almost four decades after the original publication of this celebrated book, Hersey went back to Hiroshima in search of the people whose stories he had told, and his account of what he discovered is now the eloquent and moving final chapter of Hiroshima.
