**Handbags and Homicide** Dorothy Howell,2009-06-02 A designer-bag addict investigates death at a department store in this mystery with “lots of humor and style” from a USA Today-bestselling author (Booklist). Haley Randolph is always ready to go to any lengths to get the latest Louis Vuitton. Unfortunately for Haley, her life goes from glam to grim when her passion for fashion outlasts her credit cards, and she's forced to work at Holt's--a mid-market department store. Looking for a bit of shopping inspiration, Haley sneaks into the stock room to get a first glimpse of Holt's one-of-a-kind selection of handbag styles. But instead of the newest Vuitton, Haley discovers her boss is the ultimate fashion victim. According to the security tapes, Haley was the only person in the stockroom before, during, and after the murder. With everyone in the store eyeing her like last season's Marc Jacobs, Haley turns to the hunky Ty Cameron, who heads up the store's loss prevention unit, to help her investigate the murder. Now her knowledge of hot trends will take her from the sales floor to the boardroom to the gritty streets of L.A.'s Garment District as she searches for a killer with impeccable fashion taste. . . A winning debut. . .a cool cliffhanger will leave readers eager for Haley's next adventure. --Publishers Weekly (starred review) Fashionistas take note: Dorothy Howell's delightful Handbags and Homicide dangles shopping to die for and a murder in store in a breezy debut mystery as sure to please as a Notorious handbag. --Carolyn Hart, author of Death Walked In

**Retail Hell** Freeman Hall,2009-10-04 I think you left these behind, I said, handing them to her. This happens all the time when women try to return bags they’ve used. Tampons, lipstick, coins, Tic Tacs, and condoms are the top treasures found. 'Greasy' let out a sigh, as if I were the problem. I was just trying my things in it. I really don't see what the problem is here. It's none of your business what I keep in my handbag. It is when my commission is at stake! I'm not your Designer Handbag Rental Service! My name is not BagBorrowOrSteal.com! Enter Freeman Hall, an aspiring screenwriter who sets out to realize his Hollywood dream, but instead plunges into the seventh circle of Retail Hell when the rent comes due, selling animal-hide Hobos and overpriced clutches to Lookie-Loos and Picky Bitches--but always with a sunshiny smile. Freeman toils in the handbag (that's handbag, NOT purse) department of the Big Fancy department store, where he sees, hears, smells (and unfortunately, feels) it all! Here, he provides a true--and truly shocking--account of life from the other side of the handbag display. From early-morning RA-RA RALLIES to the craziest crazy-lady customers, Freeman's horrific and hilarious workday tales redefine Juicy Couture. As Freeman begins to plots his escape, he realizes that despite the Big Fancy's lax return policy, for him, there really may be no returns . . . no exchanges . . . no way out.
