**Losers** Mary Pilon, Louisa Thomas, 2020-08-18 “It’s easy to do anything in victory. It’s in defeat that a man reveals himself.” —Floyd Patterson Twenty-two notable writers—including Bob Sullivan, Abby Ellin, Mike Pesca, Sir Arthur Conan Doyle, Louisa Hall, and Gay Talese—examine the untold stories of the losers, and in doing so reveal something raw and significant about what it means to be human The locker rooms of winning teams are crowded with coaches, family, and fans. Reporters flock to the athletes, brimming with victory and celebration, to ask, How does it feel? In contrast, the locker rooms of the losing teams are quiet and awkward, and reporters tend to leave quickly, reluctant to linger too long around loss. But, as sports journalists Mary Pilon and Louisa Thomas argue, losing is not a

phenomenon to be overlooked, and in *Losers*, they have called upon novelists, reporters, and athletes to consider what it means to lose. From the Olympic gymnast who was forced to surrender her spot to another teammate, to the legacy of Bill Buckner's tenth-inning error in the 1986 World Series, to LeBron James's losing record in the NBA Finals, these essays range from humorous to somber, but all are united by their focus on defeat. Interweaving fourteen completely new and unpublished pieces alongside beloved classics of the genre, *Losers* turns the art of sports writing on its head and proves that there is inspiration to be found in stories of risk, resilience, and getting up after you've been knocked down.

**On the Scoreboard** Heather DiLorenzo Williams, 2023-08 In this book, readers will learn the basics of scoring in a variety of sports, as well as how athletes can maximize their points--

immediately. Craig Hillier has spoken to 750,000 teens since 1990 and now he brings his upbeat presentations to print. This is a must read for team captains who want to be a part of a season of significance.--Amazon.com.

**Beyond the Scoreboard** Nick Molinaro, Celeste Romano, 2019-10-22

**The Scoreboard Keeper** David Larson, 2019-02-23 The early warning signs were ominous but the prize, a massive rainbow trout, was too compelling to let slip away. Even as a kid, Charlie Davis was a risk taker, but his sixty-year old body may not endure this latest escapade. A small misstep while fly fishing finds Charlie tumbling uncontrollably down the rapids of the Yakima River fighting desperately for survival. Just as he has exerted his last bit of strength and a resigned acceptance settles into his consciousness, a hand appears from the water's surface and yanks him to the safety of the riverbank. Coincidence, or perhaps something more profound, reveals the rescuer to be a treasured mentor from his childhood-the providential foundation of their relationship beginning decades ago when nine-year old Charlie moves into a house directly across the street from Battersby Field, home of the Bellingham Bells Minor League Baseball team. A series of lucky breaks lands Charlie the job as scoreboard keeper for the team and a chance friendship develops between him and Joe Harper, the Bell's leftfielder. With Joe as an ally, Charlie gains unrestricted access to the dugout, bullpen, clubhouse and the hearts and minds of twenty-five minor leaguers all hoping to one day make it to the show. The

entire story spans just a four-week period in the spring of 1960. This memorable era of early rock-and-roll, civil rights and JFK's presidential run serves as a backdrop for a vibrant, nostalgic chronicle of boyhood, self-discovery and, of course-baseball.
