Searching the Scriptures Charles R. Swindoll,2016-09-13 2017 ECPA Christian Book Award Finalist (Christian Living category) Are you getting the spiritual nourishment you need? Optimal health requires optimal nutrition. The same is true spiritually speaking. Without sufficient and regular biblical nutrition, our inner lives begin to suffer the consequences. We become shallow and selfish, more demanding and less gentle, and quick to react impatiently, rashly, and angrily. These are telltale signs of inner malnutrition. In *Searching the Scriptures*, respected Bible teacher Chuck Swindoll shows us how to dig deep into Scripture and uncover its profound truths for our lives. He outlines the principles of Bible study that will help you understand God's Word, apply it, and communicate it clearly to those around you. Too many people try to go it alone, without a guide, for this life and the next. Chuck explains how we can fix our own spiritual meals, then invites us to feast on nourishing truths we can discover in God's Word.

Understanding the Scriptures Scott Hahn,James Socías,2005

Christ In All The Scriptures A M Hodgkin,2022-11-13 This book seeks to demonstrate that those references to Christ are found in all of the Scriptures. On the glorious resurrection morning Mary went to seek for Jesus. She sought Him in the tomb, but He stood beside her. She thought He was the

gardener, but the one word Mary revealed to her her Saviour. As we read some passage in the Old Testament how often our eyes are holden, and we see only the earthly form: we see Aaron the priest, or David the shepherd, or Solomon the king; but if, like Mary, we are really seeking the Lord Jesus, He manifests Himself to us through the outward type, and we turn in glad surprise, and, looking up, say, Rabboni (lit. my great One). As we continue to seek, we find Him in the least expected places of the Old Testament, until the whole grows luminous with the glory of God in the face of Jesus Christ. In the volume of the book it is written of Me. All the lines of history and type, of Psalm and prophecy, converge towards one centre Jesus Christ, and to one supreme event. His death on the Cross for our salvation. And from that centre again all the lines of history in the book of Acts, of experience in the Epistles, and of prophecy in Revelation radiate out once more to testify that the Father sent the Son to be the Saviour of the world. After His resurrection our Lord not only opened the Scriptures to His disciples, but also opened their understanding that they might understand the Scriptures. He is ready to do the same for us. The same Holy Spirit who moved holy men of old to write the Scriptures, is close at hand to make the words life to our souls, by taking of the things of Christ and revealing them unto us. Of the books of the New Testament only a brief summary is here given, partly because they are so much more studied, partly because to treat of them at any adequate length would swell this book beyond the limits of a single volume,

and still more because the chief aim of the present Studies is to show that Christ is the Key to the Old Testament Scriptures.

Unlocking the Scriptures Hans Finzel,2013-04-13 This updated classic leads the reader through the inductive Bible study process, showing practically how to study the Bible for one's self. With this tool, Christians can learn to relevantly apply God's Word to their lives as His Spirit leads them personally, rather than as some other leader might direct. Originally published in 1986, Finzel's style remains very accessible—providing practical examples that walk the reader through the steps of unpacking Scripture, using actual passages to practice. Free downloadable study guide and activities.

God's Inspiration of the Scriptures William Kelly,2007 William Kelly (1821-1906) was an outstanding classical scholar in his generation, preacher, teacher, editor of several influential religious magazines and of John Nelson Darby's Collected Writings, and a prolific author in his own right. He was a major figure in the late nineteenth century return to basic biblical teaching usually known as the Brethren movement, often seen as the cradle of dispensationalism. A Canadian contemporary described him as second only to Mr Darby in knowledge of the Truth, and first in ability to state the Truth clearly. A frequent lecturer, he subsequently revised and published many of his lectures in book form. His familiarity with the original languages of the Bible led to well-researched expositions of both Old and New Testament books,

which were widely read and highly regarded by Christians in his own time, and still today. With a genius for exposition, he combines scholarship and spirituality so that his readers gain a real sense of his unrestrained love for the Lord of whom the inspired pages of scripture speak. This book exhibits with unanswerable faith and proof the perfection of Divine revelation. It considers the great subject of the Inspiration of the Bible under the main headings of Divine Authority, Apostolic Doctrine, Its Uniformity, The Human Element and Divine Design. The latter topic, which occupies the major part of the book, consists of an introduction to each book of the Bible in turn, demonstrating the evidence of its inspiration, and relating it to the inspired themes of the whole. The author's purpose in writing the book was to present the positive proofs that God speaks in it (the Bible) to every conscience and heart, more particularly of Israel in the Old Testament, and of the Christian in the New. He shows us that one directing Author presides over each several part, imparting a special character to it, and at the same time causing all to contribute to the common purpose of revealing His counsels of glory and His ways of grace, while fully making known the weakness or the wickedness of the creature in resisting His will and doing its own. William Kelly's desire was that this work should be of help to the spiritual understanding of all who value the Bible from beginning to end.

Unlocking the Scriptures Cyril J. Barber, 2004-03-04 In 'Unlocking the Scriptures', Cyril Barber walks us through a specific text (Abraham and Sarah) of the Bible, showing us how to discover its riches, writes Warren Wiersbe, well-known author and conference speaker. He goes on to say, You're not just holding a book in your hand, you're holding a key that can open the doors of Scripture and make exciting discoveries. Dr. Barber has earned these glowing words with a lifetime of intense Bible study and ministry. His academic endeavors under Dr. Howard G. Hendricks of the Dallas Theological Seminary prepared him early on to study and to teach others how to study for the most benefit. He knows well the patience and diligence required to get the most out of studying the Bible, as well as the rewards for those who persist. He says, Bible study requires diligence, an easy-to-learn technique and perseverance. In the end, however, one's efforts are handsomely rewarded. In the intervening years, Dr. Barber garnered degrees from American, British and Canadian institutions as well as earning his doctorate from Biola University. He has served on the faculties of Trinity Evangelical School, Rosemead School of Psychology and Simon Greenleaf University; At present he serves as Associate Pastor of Plymouth Church in Whittier, CA, responsible for pastoral care and visitation, counseling and teaching. He is the author of over 30 books and numerous journal articles. Charles C. Ryrie says, The Bible is the greatest of all books; to study it is the noblest of all pursuits; to understand it, the highest of all goals. Whatever time you spend

with Unlocking the Scriptures will be time you will treasure -- time well spent.
