

# The Scrolls Of Spartacus 14

Captivating History

Spartacus Howard Fast,1970

**Spartacus** Captivating History,2020-02-18 Spartacus, a Thracian whose early life is hidden in the mists of history, is one of the most infamous figures of antiquity. Perhaps the most famous gladiator of all, parts of Spartacus' story inspired elements of the award-winning film *Gladiator* (2000).

Spartacus Aldo Schiavone,2013-03-05 Spartacus (109?–71 bce), the slave who rebelled against Rome, has been a source of endless fascination, the subject of myth-making in his own time, and of movie-making in ours. Hard facts about the man have always yielded to romanticized tales and mystifications. In this riveting, compact account, Aldo Schiavone rescues Spartacus from the murky regions of legend and brings him squarely into the arena of serious history. Schiavone transports us to Italy of the first century bce, where the pervasive institution of slavery dominates all aspects of Roman life. In this historic landscape, carefully reconstructed by the author, we encounter Spartacus, who is enslaved after deserting from the Roman army to avoid fighting against his native Thrace. Imprisoned in Capua and trained as a gladiator, he leads an uprising that will shake the empire to its foundations. While the grandeur of the Spartacus story has always been apparent, its political significance has been less clear. What were his ambitions? Often depicted as the leader of a class rebellion that was fierce in intent but ragtag in makeup and organization, Spartacus emerges here in a very different light: the commander of an army whose aim was to incite Italy to revolt against Rome and to strike at the very heart of the imperial system. Surprising, persuasive, and highly original, Spartacus challenges the lore and illuminates the reality of a figure whose achievements, and whose ultimate defeat, are more extraordinary and moving than the fictions we make from them.

The Spartacus War Barry Strauss,2009-03-17 An authoritative account from an expert author: The Spartacus War is the first popular history of the revolt in English. The Spartacus War is the extraordinary story of the most famous slave rebellion in the ancient world, the fascinating true story behind a legend that has been the inspiration for novelists, filmmakers, and revolutionaries for 2,000 years. Starting with only seventy-four men, a gladiator named Spartacus incited a rebellion that threatened Rome itself. With his fellow gladiators, Spartacus built an army of 60,000 soldiers and controlled the southern Italian countryside. A charismatic leader, he used religion to win support. An ex-soldier in the Roman army, Spartacus excelled in combat. He defeated nine Roman armies and kept Rome at bay for two years before he was defeated. After his final battle, 6,000 of his followers were captured and crucified along Rome's main southern highway. The Spartacus War is the dramatic and factual account of one of history's great rebellions. Spartacus was beaten by a Roman general, Crassus, who had learned how to defeat an insurgency. But the rebels were partly to blame for their failure. Their army was large and often undisciplined; the many ethnic groups within it frequently quarreled over leadership. No single leader, not even Spartacus, could keep them all in line. And when faced with a choice between escaping to freedom and looting, the rebels chose wealth over liberty, risking an eventual confrontation with Rome's most powerful forces. The result of years of research, The Spartacus War is based not only on written documents but also on archaeological evidence, historical reconstruction, and the author's extensive travels in the Italian countryside that Spartacus once conquered.

Spartacus Rob Shone,2005-01-15 This book describes the fighting of Spartacus and his slave army in their rebellion against the Romans.

*Spartacus* Lewis Grassic Gibbon,1933

*Spartacus* Howard Fast,2000

STARZ Spartacus Antony Augoustakis,2016-11-16 *Gladiator*, rebel slave leader, revolutionary: the figure of Spartacus frequently serves as an icon of resistance against oppression in modern political movements, while his legend has inspired numerous receptions over the centuries in many different media. With its visually excessive style of graphic sex and CGI-enhanced violence, the four seasons of the premium cable television series *STARZ Spartacus* tells the story of the historical Thracian gladiator who led a slave uprising against the Roman Republican army from 73 to 71 BC. *STARZ Spartacus: Reimagining an Icon on Screen* is the first scholarly volume to explore the entirety of this critically acclaimed and commercially successful drama series. This new volume brings together pioneering and provocative essays written by an international cast of leading classical scholars and experienced media critics. Turning a sharp eye on the series' historical framework, visual and narrative style, thematic overtones, and interaction with contemporary popular culture, this volume also engages with the authenticity of the production and considers its place in the tradition of epic films and television series set in ancient Rome. At once both erudite and entertaining, *STARZ Spartacus: Reimagining an Icon on Screen* is an invaluable resource for both students and scholars eager to confront a new Spartacus, as the hero of the slave revolt is recast for a twenty-first century audience.

**Spartacus and the Slave Wars** Brent D. Shaw,2001-02-24 In 72 B.C., in the heart of Rome's Mediterranean empire, a slave named Spartacus ignited one of the most violent episodes of slave resistance in the history of the Roman Empire--indeed in the world annals of slavery. This volume organizes original translations of 80 Greek and Latin sources into topical chapters that look at the daily lives of slaves trained as gladiators and those who labored on farms in Italy and Sicily, including accounts of revolts that preceded and anticipated that of Spartacus. In a carefully crafted introductory essay, Shaw places Spartacus in the broader context of first and second century B.C. Rome, Italy and Sicily and explains why his story continues to be a popular symbol of rebellion today. The volume also includes a glossary, chronology, selected bibliography, three maps, an annotated list of ancient writers, and questions for consideration.

**Spartacus** Martin M. Winkler,2008-04-15 This is the first book systematically to analyze Kirk Douglas' and Stanley Kubrick's depiction of the slave revolt led by Spartacus from different historical, political, and cinematic perspectives. Examines the film's use of ancient sources, the ancient historical contexts, the political significance of the film, the history of its censorship and restoration, and its place in film history. Includes the most important passages from ancient authors' reports of the slave revolt in translation.

**Spartacus** Tony Bradman,2011-10-17 Spartacus was a rebel at heart. He fought back against the Roman system of slavery, and inspired thousands of other slaves to join him and rebel. This biography looks at the life of the great man, charting his changing fortunes and epic battles. *Lives in Action* is a series of narrative

biographies that recount the lives of some of the key figures in history. Page-turning, thrilling plots that read like fiction will keep the most reluctant reader hooked.

*Spartacus: Swords and Ashes* J.M. Clements,2012-01-03 Spartacus is the hit TV show which combines blood-soaked action, exotic sexuality, villainy and heroism. This original novel from the world of Spartacus: Blood and Sand tells a brand new story of blood, sex and politics set in the uncompromising, visceral world of the arena. The gladiator Spartacus, the new Champion of Capua, fights at the graveside of a rich man who was brutally murdered by his own slaves. Seeing an opportunity, ambitious lanista Quintus Batiatus plots to seize the dead man's estate. In the arena blood and death are primetime entertainment. But not all battles are fought upon the sands...

*Spartacus* Howard Fast,1978

*Spartacus: Rebellion* Ben Kane,2013-05-14 Spartacus and his ragtag army take on the mighty Roman army in Ben Kane's brilliant recreation of one of the best-known epics of the modern era Spartacus has already done the impossible—not only has he escaped from slavery, he and his seconds have created a mighty slave army that has challenged Rome and defeated the armies of three praetors, two consuls, and one proconsul. On the plain of the River Po, in modern Northern Italy, Spartacus has defeated Gaius Cassius Longinus, proconsul and general of an army of two legions. Now the road home lies before them—to Thrace for Spartacus, and to Gaul for his seconds-in-command, Castus and Gannicus. But storm clouds are gathering on the horizon. One of Spartacus's most powerful generals has defected, taking his men with him. Back in Rome, the immensely rich Marcus Licinius Crassus is gathering an unheard-of Army. The Senate has given Crassus an army made up of ten legions and the authority to do whatever it takes to end the slave rebellion once and for all. Meanwhile, Spartacus wants to lead his men over the Alps and home, but his two seconds have a different plan. They want to march on Rome itself and bring the Republic to its knees. Rebellion has become war. War to the death.

*Spartacus* James Leslie Mitchell,2019-08-15 The central character is not Spartacus himself, but Kleon, a fictional Greek educated slave and eunuch who joins the revolt. In the first chapter we are told how he was sold into slavery as a child and sexually abused by an owner. Another important character is Elpinice, a female slave who helps Spartacus and his fellow gladiators escape from Capua, and who becomes Spartacus's lover. She gives birth to a son, but while Spartacus is fighting elsewhere she is raped and murdered by soldiers, and the child is also killed. The novel touches on Gibbon's views on human history, with Spartacus seen as a survivor of the Golden Age.

*Spartacus* Howard Fast,1979

*Spartacus* Lewis Grassie Gibbon,2012-04-03 The original landmark novel of the slave revolt against the Romans in 73 BC, led by the gladiator Spartacus. Heralded as one of the great historical novels of the twentieth century, Spartacus is a masterpiece of vivid storytelling from one of Scotland's finest writers.

*The Gladiators vs. Spartacus, Volume 2* Abraham Polonsky,2020-12-21 This publication of Abraham Polonsky's unproduced screenplay for The Gladiators is a tribute to one of Hollywood's premiere post-WW II directors and writers whose career was severely impacted by the blacklist. His script for The Gladiators survives to remind us that he could, and did, transform a difficult and complex novel of an ancient slave rebellion into a screenplay worthy of Arthur Koestler's bold fictional vision. Through a combination of the ambivalence of its executive producer and star, plus bad timing, it never went before the cameras. This book is published in the hope that The Gladiators will be produced for cinema or television.

*Spartacus* Captivating History,2020-02-08

*The Risen* David Anthony Durham,2016-05-03 From the author of the widely praised *Pride of Carthage*, the superb fictional rendering of Hannibal's epic military campaigns against Carthage's archenemy Rome, comes the perfect follow-up: an equally superb novel of the legendary gladiator Spartacus and the vast slave revolt he led that came ever so close to bringing Rome, with its supposedly invincible legions, to its knees. In this thrilling and panoramic historical novel we see one of the most storied uprisings of classical times from multiple points of view: Spartacus, the visionary captive and gladiator whose toughness and charisma turn a prison break into a multi-cultural revolt that threatens an empire; his consort, the oracular Astera, whose connection to the spirit world and its omens guides the uprising's progress; Nonus, a Roman soldier working both sides of the conflict in a half-adroit, half-desperate attempt to save his life; Laelia and Hustus, two shepherd children drawn into the ranks of the slave rebellion; Kaleb, the slave secretary to Crassus, the Roman senator and commander saddled with the unenviable task of quashing an insurrection of mere slaves; and other players in a vast spectacle of bloodshed, heroism, and treachery. In the pages of *The Risen*—the term the slaves in revolt have adopted for themselves—an entire, teeming world comes into view with great clarity and titanic drama, with nothing less than the future of the ancient world at stake. No one brings more verve, intelligence, and freshness to the novel of the classical age than David Anthony Durham.

## The Scrolls Of Spartacus 14 Introduction

In the digital age, access to information has become easier than ever before. The ability to download The Scrolls Of Spartacus 14 has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking

research papers, the option to download The Scrolls Of Spartacus 14 has opened up a world of possibilities. Downloading The Scrolls Of Spartacus 14 provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading The Scrolls Of Spartacus 14 has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download The Scrolls Of Spartacus 14. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading The Scrolls Of Spartacus 14. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading The Scrolls Of Spartacus 14, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download The Scrolls Of Spartacus 14 has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

## FAQs About The Scrolls Of Spartacus 14 Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone.

How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. The Scrolls Of Spartacus 14 is one of the best book in our library for free trial. We provide copy of The Scrolls Of Spartacus 14 in digital format, so the resources that you find are reliable. There are also many Ebooks of related with The Scrolls Of Spartacus 14. Where to download The Scrolls Of Spartacus 14 online for free? Are you looking for The Scrolls Of Spartacus 14 PDF? This is definitely going to save you time and cash in something you should think about.
