The Secret Door to Success Florence Scovel Shinn, 2016-06-12 Your Door to Success, Happiness and Riches: from the best prosperity writer of the early 20th century Florence Scovel Shinn, one of the best prosperity writers of her era, brings you this success classic, a series of talks and lectures given by her. People don't succeed or find success not because they don't want to but because they don't know that they have a Secret Door in them. Knowledge about what is stopping you from succeeding is the most important step you could take. Successful people know what they want and they know how to reach their Secret Door. Others? Others don't have a clue as to how to reach this door. They don't even seem to have access to this Secret Door to Success. In the book you see that this door is not accessible because of lack of interest in whatever you do, or it could be hatred or envy, lack of a success approach, resentment, letting today's opportunities to slip through your fingers, magnifying your obstacles, mindset of lack, etc. This book is kind of a sequel to Ms. Shinn's other *The Game of Life and How to Play It*. (<https://wwwcreatespace.com/6333159>) Let's see some insights the book shares with you: 1. All big ideas meet with opposition. Do not let other people rock your boat. Follow the path of wisdom and understanding, and turn not from it to the right hand or to the left, that thou mayest prosper withersoever thou goest. 2. Thoughts of hatred are like repeated doses of poison. 3. Do not say how you want it done, or how it can't be done. God is the Giver and the Gift and creates His own amazing channels. 4. Keep on noticing beautiful things, and you make an invisible contact. Sooner or later these things are drawn into your life, unless you say, Poor me, too good to be true. 5. Resentment holds back your good. The more you resent, the more you will have to resent; you grow a resentment track in your brain, and your expression will be one of habitual resentment. You will be avoided and miss the golden opportunities which await you each day. 6. Success is not a secret, it is a System. (An approach) 7. Each one of you has a Promised Land, a heart's desire, but you have been so enslaved by the Egyptians (your negative thoughts), it seems very far away, and too good to be true. The Secret Door To Success (Annotated) Florence Scovel Shinn, 2020-03-22 This is the annotated version of the public domain book. We had annotated this book by adding a 50% (approximately) summary at the end of this book in red font. The brief summary regarding the book is written as below. It is the word of realization which brings about a change in your affairs; for words and thoughts are a form of radio-activity. Grace Stone was also a passenger on the boat; she had written the Bitter Tea of General Yen, and was going to Hollywood to have it made into a moving-picture; she had lived in China and was inspired to write the book. Moses had orders from the Lord to deliver his people from bondage - Moses and Aaron went in and told Pharaoh - Thus saith the Lord God of Israel, Let my people go, that they may hold a feast unto me in the wilderness. It would appear that flesh is indeed heir to a long and ancient line of ills, when, as was revealed by Lord Monyahan at a lecture at Leeds, that the Pharaoh of the oppression suffered from hardening of the heart in a literal sense. The more you resent, the more you will have to resent; you grow a resentment track in your brain, and your expression will be one of habitual resentment. You have a kindly feeling for everyone, and all the organs of your body begin to function properly. The land of Egypt stands for darkness - the house of bondage, where man is a slave to his doubts and fears, and beliefs in lack and limitation, the result of having followed the wrong fork in the road. Each one of you has a Promised Land, a heart's desire, but you have been so enslaved by the Egyptians (your negative thoughts), it seems very far away, and too good to be true. I told the story, at one of my meetings of a man who was so poor and discouraged that he ended it all. I tell in my book, *The Game of Life and How to Play It*, of a man who asked me to speak the word that all his debts be wiped out. The Psalms are also human documents, and I have selected the 77th Psalm because it gives the picture of a man in despair, but as he contemplates the wonders of God, faith and assurance are restored to him. She went to his exhibition, and in walked a portly businessman, no trace was left of the dashing romantic youth.
