*Heart of Darkness and The Secret Sharer* Joseph Conrad, 2004-03-02 *Heart Of Darkness*. The story of the civilized, enlightened Mr. Kurtz who embarks on a harrowing night journey into the savage heart of Africa, only to find his dark and evil soul. *The Secret Sharer*. The saga of a young, inexperienced skipper forced to decide the fate of a fugitive

sailor who killed a man in self-defense. As he faces his first moral test the skipper discovers a terrifying truth -- and comes face to face with the secret itself. *Heart Of Darkness* and *The Secret Sharer* draw on actual events and people that Conrad met or heard about during his many far-flung travels. In portraying men whose incredible journeys on land and at sea are also symbolic voyages into their own mysterious depths, these two masterful works give credence to Conrad's acclaim as a major psychological writer.

The Secret Sharer - Joseph Conrad Joseph Conrad, 2021-06-15 The Secret Sharer is a short story that takes place at sea, near the Gulf of Siam, and is told from the perspective of a young nameless Captain. The captain is unfamiliar with both his ship and his crew, having only joined their company a fortnight earlier. The Captain is furthermore unsure of himself, questioning his ability to fulfill the role of such an authoritative figure.

**The Secret Sharer (Illustrated, Annotated)** Mehbubur Rahman, Joseph Conrad, 2017-11-18 The short story The Secret Sharer by Joseph Conrad traces the metamorphosis of the captain of a ship from an insecure and inexperienced ship captain to a more confident and secure individual after his association and experiences with the Secret Sharer.

The Secret Sharer Joseph Conrad, 2019-10-10 Complete and unabridged paperback edition. The Secret Sharer is a short story by Polish-British author Joseph Conrad, originally written in 1909 and first published in two parts in the August and September 1910 editions of Harper's Magazine. The Secret Sharer takes place on a sailing ship in the

Gulf of Siam (now the Gulf of Thailand), at the start of a voyage with cargo for Britain. The date is probably in the 1880s, when Conrad was at sea himself. In common with many of Conrad's stories, it is narrated in the first person. The narrator is the ship's young captain, whose name is never given. He is unfamiliar with both his ship and his crew, having joined the ship only a fortnight earlier, and unsure of his ability to exert his authority over the officers and crew who have been together for some time. He makes the point several times that he is the stranger on board. Description from Wikipedia, the free encyclopedia.

**The Secret Sharer** Joseph Conrad,2021-03-14 An unnamed captain, reflecting on an experience that happened years ago, tells his readers of his first real command - when he was appointed to take a ship home to England, when the crisis of imitation into knowledge of his ship and his crew was complicated by an unforeseen partnership with an escaped criminal. The episode begins in the Gulf of Siam, just off the coast of Cambodia. As a sailing ship awaits a favorable wind, darkness falls, and the captain surprises the crew by taking the anchor watch himself. As he strolls the silent deck in his sleeping-suit, his serene reverie is broken by his discovery that the rope side-ladder has not been hauled in. The captain is astonished to find that a naked swimmer is floating at the end of the ladder. In the quiet of the sleeping ship, the two talk and the man, named Leggatt, elects to come on board. The captain, sensing a mysterious communication has been established between

them, provides his intuitively perceived double with an identical sleeping-suit.

**The Secret Sharer** Joseph Conrad, 2014-10-15 On my right hand there were lines of fishing stakes resembling a mysterious system of half-submerged bamboo fences, incomprehensible in its division of the domain of tropical fishes, and crazy of aspect as if abandoned forever by some nomad tribe of fishermen now gone to the other end of the ocean; for there was no sign of human habitation as far as the eye could reach. To the left a group of barren islets, suggesting ruins of stone walls, towers, and blockhouses, had its foundations set in a blue sea that itself looked solid, so still and stable did it lie below my feet; even the track of light from the westering sun shone smoothly, without that animated glitter which tells of an imperceptible ripple. And when I turned my head to take a parting glance at the tug which had just left us anchored outside the bar, I saw the straight line of the flat shore joined to the stable sea, edge to edge, with a perfect and unmarked closeness, in one leveled floor half brown, half blue under the enormous dome of the sky. Corresponding in their insignificance to the islets of the sea, two small clumps of trees, one on each side of the only fault in the impeccable joint, marked the mouth of the river Meinam we had just left on the first preparatory stage of our homeward journey; and, far back on the inland level, a larger and loftier mass, the grove surrounding the great Paknam pagoda, was the only thing on which the eye could rest from the vain task of exploring the monotonous sweep of the horizon. Here and there gleams as of a few scattered pieces of silver marked the windings of the great river; and on the nearest of them, just within the bar, the tug steaming right into the land became lost to my sight, hull and funnel and masts, as though the impassive earth had swallowed her up without an

effort, without a tremor. My eye followed the light cloud of her smoke, now here, now there, above the plain, according to the devious curves of the stream, but always fainter and farther away, till I lost it at last behind the miter-shaped hill of the great pagoda. And then I was left alone with my ship, anchored at the head of the Gulf of Siam.

**The Secret Sharer and Other Stories (International Student Edition) (Norton Critical Editions)** Joseph Conrad, 2016-04-04 This Norton Critical Edition includes four stories—two set on stormy seas, two on calm seas, all four based on the same incident—that speak to each other in interesting ways. The stories in this Norton Critical Edition maintain the connection and sequencing that Joseph Conrad saw among them. In his “Author’s Note” to *Twixt Land and Sea*, Conrad writes of his two “Calm-pieces” (“The Secret Sharer” and *The Shadow-Line*) and his two “Storm-pieces” (*The Nigger of the ‘Narcissus’* and *‘Typhoon’*). This edition is based on the first English book edition for the stories and the first American edition for the “Author’s Note” for *The Shadow-Line*, *‘Typhoon,’* and *‘The Secret Sharer.’* The stories are accompanied by explanatory annotations, a note on the texts (including a list of textual emendations), and a preface. “Backgrounds and Contexts” brings together relevant correspondence and contemporary reviews from both British and American sources. Also included are documents related to Conrad’s sources for the stories, among them Charles Arthur Sankey’s “Ordeal of the Cutty Sark: A True Story of Mutiny, Murder on the High Seas.” To help readers navigate, the editor includes a glossary of nautical terms as well as diagrams of the kinds of ships that appear in the stories. “Criticism” includes fifteen essays representing both new and established voices. The essays are arranged by story, with the focus on Conrad’s major

themes—colonialism, narrative, gender, and race. Albert J. Guerard, Lillian Nayder, Mark D. Larabee, Fredric Jameson, F. R. Leavis, and John G. Peters are among the contributors. A chronology of Conrad's life and work and a selected bibliography are also included.
