

The Smellycloud

Piers Anthony

A Shot at Normal Marisa Reichardt, 2021-02-16 Marisa Reichardt's *A Shot at Normal* is a powerful and timely novel about justice, agency, family, and taking your shot, even when it seems impossible. Dr. Villapando told me to get a good attorney. He wasn't serious. But I am. I'm going to sue my parents. Juniper Jade's parents are hippies. They didn't attend the first Woodstock, but they were there for the second one. The Jade family lives an all-organic homeschool lifestyle that means no plastics, no cell phones, and no vaccines. It isn't exactly normal, but it's the only thing Juniper has ever known. She doesn't agree with her parents on everything, but she knows that to be in this family, you've got to stick to the rules. That is, until the unthinkable happens. Juniper contracts the measles and unknowingly passes the disease along, with tragic consequences. She is shell-shocked. Juniper knows she is responsible and feels simultaneously helpless and furious at her parents, and herself. Now, with the help of Nico, the boy who works at the library and loves movies and may just be more than a friend, Juniper comes to a decision: she is going to get vaccinated. Her parents refuse so Juniper arms herself with a lawyer and prepares for battle. But is waging war for her autonomy worth losing her family? How much is Juniper willing to risk for a shot at normal?

Speed Tile John Leben, 2000-06 *Speed Tile: A parable of Technological Dependence...* John Hunter, an unfulfilled artist, literally chucks his video production business into the Chicago River and embarks on a quest to understand the strange and subtle powers of the speed tile, an odd, technological artifact that he finds in the dunes of Michigan. A haunting ghost town covered by sand, an ancient, witch-like bookstore owner and a lumbering house-mover all provide hints to the secret powers inside these alien devices. Hunter's family watches in horror as the speed tile invades his consciousness and the mind of his twelve-year-old daughter as he creates ever more bizarre and frightening images inspired by the evil device. A mysterious physicist from the Far East and an evil sea captain from the past converge with Hunter on a deserted island in Lake Michigan seeking the secret of eternal life. In a crumbling lighthouse, Hunter finally confronts the horror that his speed tile has become.

Children of the Resolution Gary William Murnig, 2010-11 It was a time of change and new ideologies, a vision of a more inclusive, fairer future... a time that was destined to shape the lives of many, and fail more than a mere handful. Viewed retrospectively through the eyes of the now adult Carl Grantham, *Children of the Resolution* is a story of a child poised between two worlds. Thrown into the revolutionary world of integrated education in 1970s England, the physically disabled Carl finds himself torn between what he expects of himself and what his changing environment will allow. At heart, a coming-of-age story -- *Children of the Resolution* explores the intricacies of friendship and loss, the subtle fears of childhood and the far less subtle fears of adulthoods possibly never realised. -- *Children of the Resolution* is more than a novel, it is a commentary on the work of educationalists, practitioners and politicians who see education through their own eyes and experiences and not those of the real participants, our young people. Phil Willis MP.

Flatty Kat: Tales of an Urban Feline Phyllis Haupt, Nicholas Grabowsky, 2014-01-30 Flatty Kat, Mister Babee,

Stinky, and Crispy the Wonder Ghost Cat love to sit and tell stories at the Moove On In milk bar. And oh, the tales they have to tell! Read Flatty's strange & wacky origin story on how he became flat, how he came to live with Miss Locks the Blue-footed Boobie Bird and the rest of his roommates at his second floor apartment on 9 Lives Drive! Read about Crispy's skyscraper penthouse where her owner runs a beauty salon for wealthy yak housewives, and about how a green worm saves the world. So grab yourself some blackberry seed cake and Thunder Kitty soda, you're invited to a grand party courtesy of the funky Cat Master Flash and contemplate the mysteries of the universe, like how cats and birds and even walking stick insects can all learn to get along. A full color, fully illustrated, fun and witty treat for children of all ages!! From concept and conceptual art by Phyllis Hauptert (renown furniture/mural artist), illustrations and backgrounds, story by Phyllis Hauptert & Nicholas Grabowsky (Halloween IV, The Everborn) based on characters created by both, interior design, cover and story text by Nicholas Grabowsky. This is the first official title from BLUE BED SHEET BOOKS, the children's line from horror publisher BLACK BED SHEET BOOKS!

The Picture House Girls Patricia McBride, 2024-02-24 Her fresh start is just beginning. But the world is on the brink of war. England, 1939. Lily Baker wants more from life. Working at the local cinema, she saves her pennies so she can have a chance to get ahead. After she's attacked one night while locking up the cinema, she loses her heart to her dashing rescuer... But this lovely man is as different from her as can be. When the town is divided, pitting the wealthy elite against the poor working class folk like Lily, she finds her allegiance is torn. And worse: the looming threat of war threatens to separate them forever. Will the dangerous times rob a young woman of her only chance at love? The heartwarming first book in The Lily Baker Series, perfect for fans of Elaine Everest, Vicki Beeby and Daisy Styles.

The Other Synaesthesia Susan Bernstein, 2023-07-01 This book investigates synaesthesia in philosophy and literature, from Aristotle to Charles Baudelaire to Jean-Luc Nancy and beyond. Its central claim is that while synaesthesia is generally read as a figure of transcendence and unity, there is another effect of synaesthesia, one that articulates differences and displaces essence. This other synaesthesia opens up within or alongside the more familiar sense of synaesthesia as synthesis, pointing to an alternative understanding of the senses and of the arts as interbelonging in a kind of rhythmic relation rather than parts of a totalizing aesthetic whole. In so doing, The Other Synaesthesia contests the suggestion that neurological synaesthesia is the foundation for the aesthetics of synaesthesia. Topics include Nancy's conception of community; the correspondence between Franz Liszt and George Sand; Baudelaire's poetics; Richard Wagner's theory of the Gesamtkunstwerk, or total work of art; decadence and symbolism; and Heidegger's critique of the correspondence theory of truth.

Proposition Denis O'Rourke, 2015-09-08 PROPOSITION America's most famous environmentalist, Chester Dotson, is on a mission to clean up California, and his voter initiative, Proposition Nine, is on the November ballot. Dotson has a plan to make his altruistic dream come true, but the people he recruits to bring in the vote have their own plan. A billion dollar windfall is hidden in the Proposition Nine language, and they'll kill to get it. Attorney

Riley Scofield has kept her distance from the family's seventh generation Napa Valley tannery, ever since her fiancé was killed there in a freak accident. When Scofield Tannery is hit with the first Proposition Nine lawsuit, Riley is in the middle of another case, but she fights through her personal demons and rises to their defense. She's losing the Prop Nine case, unaware of the deadly conspirators at work behind the scenes. Riley's also unaware of something else: losing will keep her alive. Riley Scofield doesn't like to lose, and suddenly, it's kill or be killed in ways you'd never imagine unless you know about tanneries. O'Rourke's debut novel seamlessly weaves ambition, greed, romance, murder-for-hire, family values and redemption into a must-read story of good intentions with deadly consequences. An exciting thriller colored by blood and fueled by money, fast-paced, without losing sight of the details or nuance of the courtroom drama fans of thrillers will read on, ready for the next twist. Kirkus Reviews www.denisourourke.com MURDER, MENACE, & MERRIMENT

The Xanth Novels, Books 41–43 Piers Anthony, 2022-12-27 Three entries from the New York Times–bestselling epic fantasy series that's full of rip-roaring humor and nonstop adventure. Ghost Writer in the Sky Tartan and Tara, two Ordinary People from Mundania, travel through a portal to Xanth, a magical realm where they are met with a plea for help. Two princesses need them to stop the Night Colt and his ghost writer from causing chaos in their kingdom. Tartan and Tara don't hesitate to join the quest to save Xanth from the ultimate pun-tastrophe. Together with their new friends, they embark on a journey full of magic and romance—and, of course, puns—that will lead them to a long-lost prince, a beautiful dragoness, the goddess Isis, and a demon named Ted . . . Fire Sail Lydell, a shy, naïve man of twenty-one, and world-weary grandmother Grania cross paths when they beseech the Good Magician to add some excitement to the dull lives. The Good Magician promises to fulfill their hearts' desires on the condition they pilot a fireboat to its new proprietors, whoever—and wherever—they are. With an obnoxious bird and a robot dogfish for shipmates, the two sail off on a pun-tastic quest and far-flung fantasy adventure . . . Jest Right Jess is cursed to have no one take her seriously. When she meets the very handsome showman Magnus, he promises to fake taking her seriously—if she joins his traveling show. The Good Magician will let them use his flying Fire Boat to tour the realm if they complete a quest he can't remember. As Jess and Magnus try to unravel the mystery, they discover their true mission: to save Xanth from a big bird with a bone to peck . . . These books are the forty-first, forty-second, and forty-third books in the Xanth series respectively, but you may enjoy reading the series in any order.

Harry Potter and the Order of the Phoenix J.K. Rowling, 2015-12-08 'You are sharing the Dark Lord's thoughts and emotions. The Headmaster thinks it inadvisable for this to continue. He wishes me to teach you how to close your mind to the Dark Lord.' Dark times have come to Hogwarts. After the Dementors' attack on his cousin Dudley, Harry Potter knows that Voldemort will stop at nothing to find him. There are many who deny the Dark Lord's return, but Harry is not alone: a secret order gathers at Grimmauld Place to fight against the Dark forces. Harry must allow Professor Snape to teach him how to protect himself from Voldemort's savage assaults on his mind. But they are growing stronger by the day and Harry is running out of time... Having become classics of our time, the Harry

Potter eBooks never fail to bring comfort and escapism. With their message of hope, belonging and the enduring power of truth and love, the story of the Boy Who Lived continues to delight generations of new readers.

A Place in Your Heart Kathy Otten,2018-05-21 Gracie McBride isn't looking for love; she's looking for respect. But in this man's world of Civil War medicine, Gracie is expected to maintain her place changing beds and writing letters. Her biggest nemesis is the ward surgeon, Doctor Charles Ellard, who seems determined to woo her with arrogant kisses and terrible jokes. Charles is an excellent surgeon. He assumed he would be well received by an army at war. He was not. Friendless and alone, he struggles to hide the panic attacks that plague him while the only person who understands him is a feisty Irish nurse clearly resolved to keep him at a distance. But Charles is sent to the battlefield, and Gracie is left with a wounded soldier, a box of toys, and a mystery which can only be solved by the one man she wishes could love her, both as a woman and a nurse.

Skeleton Key Piers Anthony,2021-02-09 There's no dancing around a demonic threat in the fantasy world of Xanth in the New York Times–bestselling series. Squid, the alien cuttlefish, is getting an upgrade: a boost to her shape-changing talent so she can lead a mission against a foreign Demon who's stirring up trouble in Xanth. At Squid's side are her rescued siblings and one very special child–Larry, a girl in a boy's body, who will act as a secret host for their adoptive mother, the Demoness Fornax. Aboard the Fire Boat, they form a plan to disguise themselves as a traveling dance troupe. Each child is paired up with a native Xanthian. But it's the friendship that blossoms between Squid and Larry that will power their quest, and they'll have to do some fancy footwork to avoid the trials and tribulations that await them.

Adult Onset Ann-Marie MacDonald,2015-04-14 From the acclaimed, bestselling author of two beloved classics, *Fall On Your Knees* and *The Way the Crow Flies*, *Adult Onset* is a powerful drama that makes vividly real the pressures of life and love, and the undercurrents that run deep through even the most devoted families. Mary Rose MacKinnon is a successful author of YA fiction doing a tour of duty as stay-at-home mom while her partner, Hilary, takes a turn focusing on her career. She tries valiantly to balance the (mostly) solo parenting of two young children with the relentless needs of her aging parents. But amid the hilarities of full-on domesticity arises a sense of dread. Do other people notice the dents in the expensive refrigerator? How long will it take Mary Rose to realize that the car alarm that has been going off all morning is hers, and how on earth did the sharpest pair of scissors in the house wind up in her toddler's hands? As frustrations mount, she experiences a flare-up of forgotten symptoms of a childhood illness that compel her to rethink her own upbringing, her own family history. Over the course of one outwardly ordinary week, Mary Rose's world threatens to unravel, and the specter of violence raises its head with dangerous implications for her and her children. With humor and unerring emotional accuracy, *Adult Onset* explores the pleasures and pressures of family bonds, powerful and yet so easily twisted and broken. Ann-Marie MacDonald has crafted a searing, terrifying, yet ultimately uplifting story.

Fijian Weapons & Warfare Fergus Clunie,2003

The Willisby Orphans G. Wil Hembree,2011-09-28 The Willisby Orphans weaves a grain of truth into a rip-roaring

tale of twists and turns in the very real and present danger of spiritual warfare. Over two thousand miles from home in a small town in Tennessee, Katlyn and Kramer Willisby are suddenly orphaned, scared, and alone. Their future is uncertain. The holy Forces of Light warriors wage war with Satan's Unholy Evil Legion for the Willisbys' souls. Flaming battles and clashing swords swirl around the unsuspecting fifteen-year-old Katlyn and eight-year-old Kramer. Everything goes wrong, and the watchful eye of the State and daily survival is a constant fear. They don't know what to do without an adult in charge. Margaret Willisby is born from accidental necessity with a wig, fake glasses and big, ugly shoes. Their only surviving relative is a stranger. Aunt Grace is a forgetful, eighty-eight-year old who never realizes the orphans are orphans nor does she know they live in her upstairs rooms, and Aunt Grace doesn't know that Margaret Willisby isn't real. Danger lurks at every turn, compliments of Satan's UEL fiends, but God's Forces of Light warriors fight the UEL, despite Divine Intervention Restrictions, trying to protect the Willisby orphans in an explosion of mystical, spiritual truths. Does a spiritual world lurk within the seconds of time? Are spirits hidden within layers of chance, invisible and eternal, in a war that has always been? Is there a mission of good versus evil? Do angels and demons exist? Watch the Willisby orphans unknowingly caught in a war that has waged since time began as Katlyn and Kramer question their strange and ill-fated future.

Make No Bones Aaron Elkins, 2014-04-01 The forensic anthropologist wonders who would steal the bones of a deceased colleague—and why: “A likable, down-to-earth, cerebral sleuth.” —Chicago Tribune There is not much left of the irascible Albert Evan Jasper, “dean of American forensic anthropologists,” after his demise in a fiery car crash. But in accord with his wishes, his remains—a few charred bits of bone—are installed in an Oregon museum to create a fascinating if macabre exhibit. All agree that it is a fitting end for a great forensic scientist—until what is left of him disappears in the midst of the biannual meeting (a.k.a., the “bone bash and weenie roast”) of the august WAFA—the Western Association of Forensic Anthropologists—in nearby Bend, Oregon. Like his fellow attendees, Gideon Oliver—the Skeleton Detective—is baffled. Only the WAFA attendees could possibly have made off with the remains, but who in the world would steal something like that? And why? All had an opportunity, but who had a motive? Soon enough, the discovery of another body in a nearby shallow grave will bring to the fore a deeper, more urgent mystery, and when one of the current attendees is found dead in his cabin, all hell breaks loose. Gideon Oliver is now faced with the most difficult challenge of his career—unmasking a dangerous, brilliant killer who knows every bit as much about forensic science as he does. Or almost. **Make No Bones** is the 7th book in the Gideon Oliver Mysteries, but you may enjoy reading the series in any order.

Complete Works of Thomas L Cole Thomas L Cole, 2020-03-02 Thomas L Cole, “Tom” was Born in Fort Benning, GA on 1940, son of Col George M. Cole, West Point graduate, and Frances L Cole. Tom graduated from Peacock Military Academy in San Antonio, Texas and earned his Bachelor's Degree in Mathematics from the University of Texas. He retired as a Master Sergeant from the United States Army in 1997. Married to Martha B Cole in 1966 for 51 years; father of George and Katherine and grandfather of three grandchildren. Tom was a Mason 32nd Degree member of The Scottish Right and a Master Mason of Steele Creek Masonic Lodge #0737 and was Worthy Patron 4 times at Steele

Creek Chapter Order of The Eastern Star. Tom, along with Martha, was a proud member of Good Shepherd Church UMC.

Building Neverland J.M. Sonnier,2020 In this dark re-imagining of Peter Pan, Peter is thrust off of the island violently only to land himself in the world of pirates. In this alternate tale, we will begin to discover the darker side to the Peter Pan story as Peter dives into the world of adults, piracy, kidnapping, and his journey towards becoming the great Captain Hook.
