God called Max Day to a special missionary labor to uncover the true arrangement of the Holy Bible. This labor has been successful, and there are several new Bible versions published on Amazon, including this one, that utilize this new arrangement. The Traditional arrangement was faulty, because it wasn't based upon anything except the simplest and most general presuppositions: the Hebrew text goes in one bucket, and the Greek text goes into another bucket: called, respectively, the Old Testament and the New Testament. In addition to the incorrect arrangement of the documents themselves, the text of the Traditional format is randomly divided into verses and Chapters, which are not based upon any logical system or any relationship to the text they contain. This false system forces the text into an illogical matrix that makes it nearly impossible for anyone, even trained Bible students, to correctly discern the larger themes and movements of the Bible. The Golden Ratio arrangement corrects this false system by allowing the Bible text to flow naturally into its correct patterns. The Golden Ratio arrangement makes an audacious assumption: God is the true Author of the Scriptures, and God has built into his Revelation to mankind a special pattern based on a mathematical ratio: the Golden Ratio. This pattern is UCCOO (1 Unique, two Complementary, and two Opposite). This arrangement is not a theory, it is a fact. Download the Appendix PDF at the link above, and you will see for yourself. All other Bible versions (not published by JHS Publishing) utilize the Traditional Format, which is out of date and incorrect. This includes the KJV (AV), the NIV, the NKJV, the ESV, the ASV, and thousands of others. If you want a Bible with the true and correct arrangement of the Books and text, you must have a copy of this version or one of the other versions published by JHS Publishing (<http://www.phibible.org>). The Golden Ratio Format of the Bible is the future format for all Bible versions, because it is from God. Someone said, Facts are stubborn things, and God has a way of making things happen, even though the entire world doesn't agree! Jesus Christ is coming soon! Are you ready to meet Him right now? Holy Bible Aionian Edition: Spanish Free Bible Version NT Inc. Nainoia, Inc.,2018-11-22 Holy Bible Aionian Edition: Holy Bible Aionian Edition: Spanish Free Bible Version NT Source: Jonathan Gallagher y Shelly Barrios de Avila Language: Spanish The Holy Bible Aionian Edition is the world's first Bible un-translation! Free at AionianBible.org and Google Playstore! What is an un-translation? Bibles are translated into each of our languages from the original Hebrew, Aramaic, and Koine Greek. Occasionally, the best word translation cannot be found and these words are transliterated letter by letter. Four well-known transliterations are Christ, baptism, angel, and apostle. The meaning is then preserved more accurately through context and a lexicon. The Aionian Bible un-translates and instead transliterates ten additional Aionian Glossary words to help us better understand God's love for individuals and all mankind, and the nature of after-life destinies. The key Greek word un-translated in the Aionian Bible is aionios, typically translated as eternal and also world or age. However, aionios means something much more wonderful than eternal! Ancient Greeks used the adjective aionios to mean entirety, complete, and even consummate, but never infinite time. Read Dr. Keizer, and Ramelli and Konstan for proofs. So aionios is the perfect description of God's Word which has everything we need for life and godliness! And the aionios life promised in John 3:16 is not a simple ticket to eternal life in the future, but the invitation through faith to a consummate life now! Visit AionianBible.org/Preface for further explanation. The un-translation helps us to see aionios and the additional Aionian Glossary words in context. The original translation is not changed at all and an inline note is appended to sixty-three Old Testament and two hundred three New Testament verses. Also to facilitate parallel study and use of Strong's Concordance, apocryphal text is removed and most variant verse numbering is mapped to the English standard. The Aionian Bible republishes public domain Bible texts. We thank our sources at ebible.org, unbound.biola.edu, and dbs.org. The Holy Bible Aionian Edition is copyrighted with the Creative Commons No Derivative Works license allowing 100% freedom to copy and print, but further editorial and translation work must begin with the sources.
