Don't Choke Gary Player, 2010-06-09 Gary Player is one of golf's greatest champions. As one of the "Big Three" of golf's golden era (with Jack Nicklaus and Arnold Palmer), he helped launch golf as a major international sport. He sits fourth on the list of most major victories on the PGA Tour and built a reputation of being fearless on the course and steely on the greens. Don't Choke is his look at what it takes to achieve success when the pressure is on. Player explains how and why he became a champion and what it takes to win in big-time golf, but he also explains how learning to cope in pressure situations can help anyone. He will review the most pressure-packed situations in his eighteen major victories and how he managed to succeed when things were most tense. But this book is not all about golf. Player has had a long successful career in business since his playing days—designing golf courses, marketing golf equipment and sportswear, and more. If you want to do better in a boardroom or in your next job interview, Player's advice will help. This personal glimpse into the mind of a champion offers lessons to everyone who has to face pressure—and today that is all of us. "Gary is one the greatest competitors who ever played the game."—Arnold Palmer

Out of the Rough Steve Williams, 2016-03-29 With 150 wins to his name, Steve Williams is one of the most successful caddies of the modern era. From his modest start in freelancing his way around the world's golf courses, he became a man in demand, working with some of the golfing world's best. Greg Norman, Raymond Floyd, Terry Gale, Ian Baker-Finch, and Adam Scott all benefitted from the knowledge, experience, and honesty for which Williams is known. Williams is perhaps best known, however, for his triumphant thirteen years on the bag of Tiger Woods. Together, Woods and Williams won more than 80 tournaments—with 13 major championships among them. But it wasn't all celebrations. Despite his best efforts, Williams could only watch as Woods fell from the podium, his game in decline—ignorant of the scandal about to make headlines around the world that would nearly ruin Tiger's pro career. In this candid book, Williams tells the stories of golf's elites that you won't hear anywhere else—the highs and lows of their careers, and the critical role of a caddie in both spots. Bold and entertaining, his story offers a rare insider's view of the professional golfing world.

Jack Nicklaus Gary Player, 2020-03-03 Jack William Nicklaus, born on January 21st, 1940, Columbus, Ohio, US, nicknamed The Golden Bear, is a retired professional golfer, considered by many as the greatest golfer of all time. Nicklaus won a record 18 major championships over more than 25 years, while having 19 runner-up and 9 third-place finishes. Jack focused on the major championships—Masters Tournament, U.S. Open, Open Championship and PGA Championship, while playing a selective schedule of regular PGA Tour events, but still finished with 73 victories, 3rd on the all-time list behind Sam Snead (82) and Tiger Woods (79).

Jack Nicklaus Mark Shaw, 2012-12-18 In this intimately penned biography, the only one written about the "Golden Bear," author Mark Shaw, with the energy of a lifelong fan, chronicles Nicklaus's life from his early days as a young golfer to his final tournaments on the PGA and Champions Tour. While comparing him to other greats of the game—Palmer, Watson, Bobby Jones, Hogan, Snead, Trevino, and Tiger Woods—the book focuses on Nicklaus's play during a record 18 major championship victories. It also features anecdotes from his family, closest friends, and golf rivals while painting a portrait of Jack the golfer, Jack the family man, and Jack the golf course designer. Along the way, readers will learn how to improve their game through analysis of Nicklaus's secrets for success, including his one-of-a-kind mental approach to the game.

The Golf 100 Robert McCord, 2001 Profiling golf's best players, past and present, this book features appendices with records and notable achievements of each player. 100 photos.

Bobby Jones on Golf Robert Tyre Jones, 2010-06-09 From the best amateur golfer ever to play the game comes an essential instructional guide for any golfer. Bobby Jones is universally acknowledged to have been the best amateur golfer of all time. He held at least one major title every season of his career and electrified the world with his 1930 Grand Slam, winning all four major amateur and open tournaments in the United States and Great Britain. Bobby Jones on Golf is a distillation of all that he learned about playing golf over more than half a century of devotion to amateur competition. Drawing both on the practical and the theoretical, this classic work addresses such topics as the feel of the club, placing the feet, using the body, and cultivating the proper backswing. Like the author's impeccable reputation, Bobby Jones on Golf is as timeless as the game itself.

Flagstick Books Edition of The Greatest Game of All Jack Nicklaus, Herbert Warren Wind, 1969 Recounts Nicklaus' career in golf with emphasis on the major championships which he has won. Also includes a special section of illustrated instructions.

Playing By The Rules Arnold Palmer, 2012-12-11 It was a moment seen by millions on television. During play at the 2001 British Open Ian Woosnam playing his best golf in two years, entered the final round trailing by one shot when disaster struck. His caddie was forced to tell him that he had one too many clubs in his bag costing him a share of the lead and possibly the championship. And who could forget the infamous moment in the 1968 Masters Tournament when Roberto de Vincenzo, on his way to a play-off for the title, had to abdicate the lead when he discovered he had signed for a round higher than he had actually scored. How could both these unfortunate errors be illegal under the rules? Indeed they could, says golf legend Arnold Palmer, who throughout his distinguished career has taken part in a sizeable share of controversies. Despite the fact that golf has fewer rules than such sports as rugby or cricket, it is a contest of honour, and all players respect the rules. Palmer helps make sense of it all with easy-to-understand language and hundreds of pictures of some of the more controversial rulings, giving readers a visual recall of memorable moments involving Greg Norman, Tiger Woods, John Daly, even Palmer himself. If you're one of the millions who take to the course every year, need a clear explanation of the rules of the game you love, and don't want to be speechless when an argument over the 'coefficient of restitution' pops up, then **PLAYING BY THE RULES** will be an invaluable guide you'll refer to time and again.

Walk the Winning Ways of Golf's Greatest Team at Golfwell, 2017-04-19 Why is Walk the Winning Ways of Golfing's Greatest different from other golf books? It's a treasury of what motivated and inspired the best players in golf and how you will learn from them. We contacted the very best in golf like, Greg Norman, and others asking what advice they had for young players. Greg Norman responded, My goal was always to be the best I could be. If you think about it...being the best you can be is infinite. There's always room to grow. There's always something new to learn. And there's always something new to do. Jordan Spieth said, There's nobody that had more influence on my golf game than Tiger. When I was 11 years old, I watched Tiger hole out that amazing birdie chip in on the 16th hole at Augusta in 2005. That chip made me want to literally walk outside and for hours on end practice chipping. You don't need to spend a lot of time searching for how the best in golf got to where they are. It's all here in this book. You will be inspired. You will learn things other young golfers will never know. Ray Floyd replied, My advice to any young golfer who wants to excel at the sport is to dedicate yourself to being good in all aspects of the game.... The real scoring part takes place from 60 yards in, so I would encourage youngsters to spend as much time learning how to chip and putt as they do with their driving. Peter Jacobsen said, My father taught me the game and he always stressed the fun of playing and being with my friends and family on the course.... Golf taught me self-reliance, taking responsibility and honesty. Tiger Woods said, Tiger said, People don't understand that when I grew up, I was never the most talented. I was never the biggest. I was never the fastest. I certainly was never the strongest. The only thing I had was my work ethic.... That's why I've busted my butt on the range for hours on end and made changes to get to this point where I'm able to compete at the highest level in major championships. That's where you want to be. You will learn how the pros maintained a good confidence level. Jack Nicklaus said, Confidence is the most important single factor in this game, and no matter how great your natural talent, there is only one way to obtain and sustain it: hard work. 170 pages of motivational stories and quotes from golf's greatest you can pick up anytime your confidence level is low. Review: Five Stars. An Enlightening Read. Walk the Winning Ways of Golf's Greatest is a wonderful collection of interviews and quotes from the world's top golfers. The advice these top golfers give applies not only to golf but to life itself. Even if you don't play golf, you will learn a great deal from these amazing sports people. It's all about setting goals in whatever you do in life and having confidence, doing the hard yards, believing in yourself, and never giving up. Best quotes: 'Telling me I can't do something is the worst you can say to me, because I'll definitely do it. I'm very

determined.' - Dustin Johnston. I'll keep on diving back into this book to reread some of these amazing quotes and advice from the world's best golfers. Enlightening! A highly recommended read! Another review: It's for young golfers who want to make the high school golf team or get that college scholarship.
