Amazing Surfing Stories Alex Wade,2012-09-28 This eclectic mix of surfing stories has something for everyone, from classic tales of monster waves and epic battles to stories of when life among the breakers goes wrong. There are accounts of death and disaster, as well as bravery and triumph. The bizarre and the extreme rub shoulders with perfect breaks and beautiful beaches. Be thrilled by legendary surfers, as well as learning about local heroes who never made the headlines. Each compelling tale has been chosen to stoke the fire of armchair surfers and hardcore wave-riders alike, and many are illustrated with colour photographs.

Surfing Brilliant Corners Sam Bleakley,2010 Professional longboarder Sam Bleakley details a decade of extreme global surf travel.

Surfing Tropical Beats Sam Bleakley,J. S. Callahan,2012 Sam Bleakley and the surf EXPLORE team take us on a roller coaster ride through Gabon, India, Vietnam, Algeria, China and Haiti, drumming up a tropical beat. Combining 'Deep Travel', John Callahan's incredible photography and Sam's performance writing, they capture the spirit of these turbulent coast scapes, blood racing, running on salt water fuel. The wide belt around the Equator - the tropics - has become an alluring path for travel, but a region often steeped in war and environmental disasters. Sam and surf EXPLORE go off the regular route, carving a niche, collaborating with locals, documenting the occasion poetically and with precision. Where 'waves transform from green glass to white foam, the surfboard is the frozen double of that transition - a rainbow bridge that allows you to step in the blink of an eye from inertia to adrenaline-fuelled ecstasy to the fear of the water-wrestling hold-down.' The paradoxical red hot and cool blue of surfing, and the often icy logic of preparation for challenging travel, form a matrix from which springs a distinctive kind of writing as performance. By turns, surf EXPLORE gather their wits at the cross roads where 'lovers part and souls get taken by the lost high way, lured down the wrong route.'

Surfing: A Beginner's Guide Alf Alderson,2018-04-17 Surfing: A Beginner's Guide has been the go-to surf book for beginners since 1996. This third edition, now with the endorsement of Surfing England, takes you through all the vital steps to become a surfer: you will learn where to surf, when to surf and how to surf safely.You will learn the foundations such as choosing the correct equipment, which is essential to make any progress as a beginner; pre-surf preparation, including getting fit with tips and advice; and your first surfer steps on the beach and in the ocean. All these stages lead up to you catching your very first wave and the surfing bug. The sea is renowned for its beauty, but infamous for its dangers. Alf provides you with transferable skills to safely enjoy your new hobby. Safety features heavily in the book, and you will learn all the basic common-sense aspects of surfing that even the most experienced surfer forgets.

Shooting the Curl Chris Power,2010-12-15 Surf photographers are the unsung heroes of surfing. They do crazy things to get the shots that fill the pages of the world's top surfing magazines. Some risk life and limb shooting the action at deadly reefs like Teahupoo and Pipeline. Some lose themselves in the Arctic, braving sub-zero temperatures for the chance to score a perfect day at a remote pointbreak. Shooting the Curl showcases the work of 15 top surf photographers and gets the inside story on the surfers and waves that inspire them.

Trout Rising Kevin Naughton,2020-05-31 What if you could have everything you ever wished for? For fifteen-year old Trout, that means surfing beyond his wildest dreams in perfect waves every day, all day. With a surfing genie and three wishes for the taking, Trout tube travels the planet in the company of an otherworldly crew of surfers. They live for extreme adventures, but once in their circle there's no getting out for Trout without having to face down his greatest fears. When Trout discovers the secret to their hidden powers-and falls in love with a girl beyond reach-he finds that some dreams come true at a dangerous price.

Surf Travel Chris Power,2012-11-01 Surfers live to travel. The quest to find perfect waves is something that grips surfers of all abilities, from novice to expert. Now, from the publishers of leading British surfing magazines Carve and SurfGirl, comes a new book covering every aspect of travel

and exploration: where to go, where to stay, what equipment to take, how to get in shape for your trip, how to stay healthy abroad, and how to make the most of your time away. Packed with information and useful tips, as well as awesome photos, Surf Travel will inspire surfers of all levels to load up their boardbags and head off to find the waves of their dreams. The main section of the book focusses on the classic surfing destinations such as Queensland's Gold Coast, Hawaii's North Shore, the Maldives, the Mentawai Islands, Bali, the Canary Islands, Costa Rica, Barbados, Puerto Rico, Sri Lanka, Fiji, Tahiti, Southwest France and Southern California. Each location is described and dissected, with insider tips about how to score the best conditions. Several less-well known areas are also included for experienced surfers who thirst for pristine, uncrowded waves. Surfers of all levels will benefit from the range of useful tips on offer, whether they're going on a road trip to California, a camping trip to France, or a boat trip to Indonesia. All kinds of priceless advice is offered by a writing team of experienced travellers who've visited scores of countries and put in the hard yards. Surf Travel features more than 250 colour photos by some of the world's top surf photographers including Andrew Shield, Alan van Gysen, Pete Frieden, Mickey Smith, Roger Sharp, Will Bailey, DJ Struntz, Simon Williams and Tim McKenna. The book also includes a comprehensive directory of travel resources where surfers can find information about the best surf camps, travel companies, and operators around the world.

How to Surf More and Work Less John Livingston Bailey, 2019-12-12 * Learn how to surf more and enjoy life to the fullest. Work is overrated.* An eye opening view from a well traveled surfer who shares his experiences and things he has learned throughout his journey.* Tips on saving money, surf friendly professions, traveling to exotic wave rich destinations, life choices, helpful tips, inspirational quotes, and so much more. * A practical, relevant, and useful guide for those who are looking for a more fulfilling life.

Surfari Tim Baker, 2011-10-26 On the Road meets Endless Summer as Tim Baker, bestselling author of *Occy*, *High Surf* and *Bustin' Down the Door*, embarks on the classic surfing road trip around Australia. All surfers dream of shedding responsibilities and answering the siren's call of ocean swells. For most, it is an ideal that recedes as age advances - as family, career and provider fatigue threatens to overwhelm the wanderlust of youth. But what if you could defy the slow march of age? Shelve all your worldly pressures, pack up the family and a few trusty surfboards and hit the open road for the Great Australian surfing road trip? Inspired by the dreams of his youth, surf writer Tim Baker embarks on the Big Lap in search of the perfect wave and domestic bliss. *Surfari* documents the state of surf culture and our coastline, and the array of colourful characters who inhabit these parts, evoking all the magic, charm and challenges such a lifestyle entails. It is a story for anyone who has ever dreamed of an alternative to the busy, micro-scheduled existence of work, school, shopping and the daily drudge. The result is a lively, colourful account of what happens when you trade your life for another variety, and the delights and dangers that lay in wait when you dare to chase your dreams and follow another path.

Way of the Bird Andrew Kidman, Andy Davis, 2004-10-01 When a young boy watches an old man surf, he is captivated by the grace and beauty of the sport and decides to learn.

Surf Science Tony Butt, 2014-03-25 Have you ever wondered where surfing waves come from, what makes every wave different, why some peel perfectly and others just close out; why, some days, the waves come in sets and other days they don't, and how the tides, the wind and the shape of the sea floor affect the waves for surfing? If you have, this book is for you. Now in its third edition, *Surf Science* is the first book to talk in depth about the science of waves from a surfer's point of view. It fills the gap between surfing books and waves textbooks, and will help you learn how to predict surf. *Surf Science* is also a useful introduction to oceanography and the science of waves. You don't need a scientific background to read it - just curiosity and a fascination for waves.

Mindful Thoughts for Surfers Sam Bleakley, 2020-03-10 *Mindful Thoughts for Surfers* explores how meditative a life on the surfboard can be. These 25 insightful musings will inspire beginners and experts alike. The immediacy of the surfer's surroundings and the interaction with the vast

ocean and all of its wonderful wildlife creates the perfect opportunity to practise mindfulness. Sam Bleakley is an international longboard surfing champion and advocate for all forms of waveriding. With an interest in Buddhism and Taoism, he discusses such subjects as: Decluttering thoughts and identification Embracing imperfection The metaphors and parallels of the water with our lives The spiritual connection to nature Recovering from injury Heightened senses and the connection between body and mind Blue mindfulness, flow and resilience Through these subjects he explores how riding the waves is the ultimate meditation and offers an astute awareness of what the oceans tell us about our place in the natural world—if we would just listen. His illuminating meditations, each beautifully illustrated, make this book perfect for dipping into and offer a gentle gateway into life-affirming awareness for everyone. Incredible Waves Chris Power,2013-12-10 Incredible Waves has just won Illustrated Book of the Year at The British Sports Book Awards! Beautiful, unique, kaleidoscopic, geometrically exquisite...perfect waves are some of Mother Nature's most alluring and mesmerizing creations. Incredible Waves is a stunning coffee-table book of photographs that capture the beauty and majesty of the world's most awesome waves. This breathtaking volume is a collection of the best recent work by 20 top surf photographers including Clark Little, Brian Biemann, Chris Burkard, Russell Ord, DJ Struntz, Tungsten, Jeff Flindt, Ray Collins and Andrew Shield. Among the most spectacular shots are images of big-wave breaks such as Pipeline, Cloudbreak, The Right, Teahupoo and Jaws – waves which are as dangerous as they are enticing, for photographers as well as surfers. The stories behind the most dramatic shots are revealed in the accompanying text, along with essays and discussions about current trends in surf photography. Readers interested in improving their own photographic skills will benefit from the technique sections throughout the book which offer tips and advice for getting better shots. Everything from basic composition to underwater photography is covered, along with tips for getting the best from board-mounted miniature cameras such as the GoPro. The photos in Incredible Waves are guaranteed to thrill surfers, longboarders, kite surfers and bodyboarders alike...in fact everyone who loves looking at images of the ocean at its most spectacular.

Surf UK Alf Alderson,2008-04-21 This is your ultimate guide to Britain's surf beaches. It's packed with the local knowledge you need to discover exciting waves in unexpected places. Discover the hidden spots that make the UK a surfing paradise. From the beach breaks of the UK's surfing epicentre - the South West - to the slab reefs of the North East, each chapter deals with a particular section of the coastline and each 'break' is discussed together with details about the beach including access, facilities and accommodation. Using this book, you should always find the best waves going, whatever your standard. There are also hints as to where you might discover your own 'secret spot' for those surfers eager to get off the beaten track.

Ultimate Surfing Adventures Alf Alderson,2010-11-09 Ultimate Surfing Adventures takes you on a thrilling ride around the world's best surfing spots Stunning, full-page photographs put you at the heart of the action while inspirational descriptions tell you why each break is so special. This is a sumptuous coffee-table book that's perfect for planning your next surfari, or that allows you to indulge in some armchair surfing of some breaks that only the most adventurous will visit. As well as classic waves around the Pacific there are a wealth of more unusual surf spots from Antarctica to Nova Scotia. Every continent is covered – expect to read about some waves you've ridden and some you never knew existed. Each entry is accompanied by useful information about season, hazards, how to get there and what to do when you're all surfed out.

Mindfulness and Surfing Sam Bleakley,2019-12-31

The Bluffer's Guide to Surfing Craig Jarvis,2013-04-01 Instantly acquire all the knowledge you need to pass as an expert in the world of surfing. Never again confuse your tails with your rails, your SUPs with your ASPs, your shapers with your sprayers, or localism with a friendly welcome. Bask in the admiration of your fellow enthusiasts as you reminisce joyfully about those moments watching friends 'going over the falls', and pronounce

confidently about the exact location of the 'Ampullae of Lorenzini'. (that particular morsel of knowledge could save you from becoming shark food.)

Bend to Baja Jeff Johnson,2006 Bend to Baja documents the story of a road trip from Oregon to the tip of Baja in search of waves and adventure. In February 2005, a group of world-renowned surfers left Bend, Oregon, looking for epic waves along the rugged Pacific Coast, traveling in a pick-up truck converted to run on alternative fuel sources: veggie fuel and bio-diesel. Jeff Johnson, joined by Chris, Keith, and Dan Malloy, otherwise known as The Malloy Brothers, experience a road trip centered on surfing, climbing, and camping along the way. They met an array of characters, encountered adventures, and endured setbacks against the backdrop of a captivating ocean. Bend to Baja chronicles their journey and a nontraditional lifestyle centered on the search for waves.

When Oceans Rise Daniel Hamlin,2015-05-08 There is no formula to life; it is a constant and ever-changing learning process. We all experience trials of varying degrees, and how we navigate through them can have a tremendous impact on the direction of our lives. Learning to hear the Holy Spirit through Scripture provides an anchor in the midst of the storm. Recounting tales from the surf as well as lessons learned along the way, When Oceans Rise encourages you to dig deeper into God's Word to find comfort and guidance in all of life's seasons. "There are certain people in my life that I love to be around because they have spent a lot of time with God. Dan Hamlin is one of those friends. When Oceans Rise reminds me of the many meaningful conversations we have shared together. It is one thing to know about God, but there is a level of wisdom and insight that comes only from those like Dan who have experienced a long relationship with Jesus Christ. This book will bring you closer to the maker of the waves." —Bryan Jennings, founder of Walking on Water Ministries "What a fun and encouraging read! When Oceans Rise is a sweet offering of life's most profound moments and lessons, as told by a young man learning to follow Jesus with reckless abandon and a surfboard! Set against the backdrop of an all-loving God and His promises, this journal-style book is sure to encourage and inspire all of us who are trying to understand how to best ride the tides of life. There is real encouragement in these pages. Enjoy ..." —Brad Corrigan, member of the band Dispatch, founder of the Love, Light, & Melody organization
