Carolyn Mitchell

The Tale of the Pumpkin Seed Squad Carolyn Mitchell, 2006-11-06 Riley Chester-field Mouse has acquired both a name and some friends in this 2nd book of a series chronicling the life of the little field mouse. Through the same easy-read poetry and captivating caricatures exhibited in *The Tale of the Christmas Hero*, the author and artist comically relate the imaginative adventures -- and misadventures -- of Riley and his friends. The tale begins on a crisp, fall morning as Riley hastens to join his friends in their newly-discovered game called football. In a flashback to the previous week, Riley recalls his disastrous introduction to the sport when he tried to interject himself into a people-boys' game and was found to be no match for a football 10 times his size! But his inventive friend, Gus, hatched a plan to scale the game down to their level, promising to bring a mouse-sized ball to their next Saturday play date. When Gus arrives at the field lugging a HUGE pumpkin, his friends scoff in disbelief until he climbs inside the pumpkin and proudly produces the perfect game ball -- a pumpkin seed! So, then, with walnut shells for helmets and long toenails for cleats, both teams stood ready to perform amazing football feats!! The game and the story play out in clever detail as each mouse team scrambles to conquer the scoreboard before the hungry little Gus devours all the delicious-tasting balls! Through a delightful twist at the end of the tale, the little mice discover friendship to be the real victor in their competition. *The Tale of the Pumpkin Seed Squad* is a delightful commentary on competition and sportsmanship that will surely charm even the least of its budding-athlete readers.

an intern with the Indian Health Service. Still struggling with the demons of his past, he is plunged into the nightmare rampage of a mysterious illness that is killing the residents of the pueblo, including his own grandmother. One of the victims, the powerful tribal governor, had made powerful enemies, and Ben suspects his murder was premeditated—but that doesn't explain the insidious killer now stalking the innocent. Pumpkin Seeds and Other Gifts FEMRITE (Association), 2009 The names of those who penned the writings in this impressive collection alone tell half the story. They tell their stories in different modes. They run the whole gamut - they tell of defiance, and spin hilarious tales of elopement and wry tales of despair, loss and lovelessness. Some of the poems lift up the heart, and others peel back the blinkers that blind our eyes. There is the romantic, the macabre and the surreal. The writings never leave you indifferent - you are likely to take sides, to get angry, to laugh, to cry, and to think of a lot that goes on inside the human heart.

How Many Seeds in a Pumpkin? (Mr. Tiffin's Classroom Series) Margaret McNamara, 2010-09-15 Mr. Tiffin and his students explore skip counting and

estimation in a fun pumpkin-themed classroom experiment! This book makes a wonderful read-aloud companion to any math or science curriculum, and it's a fun way to reinforce counting skills at home. How many seeds are in a pumpkin? Mr. Tiffin asks his class as they gather around the big, medium, and small pumpkins on his desk. Robert, the biggest kid, guesses that the largest one has a million seeds; Elinor, sounding like she knows what she's talking about, guesses the medium one has 500 seeds; and Anna, who likes even numbers better than odd ones, guesses that the little one has 22. Charlie, the smallest boy in the class, doesn't have a guess. Counting pumpkin seeds is messy business, but once the slimy job is done, to everyone's surprise, the smallest pumpkin has the most seeds! As Charlie happily exclaims, Small things have a lot going on inside of them. And don't miss the newest addition to the Mr. Tiffin series, *The Dinosaur Expert*!
