*Getting into the Vortex* Esther Hicks, Jerry Hicks, 2020-07-21 Living a better-feeling life really comes down to one thing only: coming into alignment with the Energy of our Source. Abraham reminds us that we are truly Source Energy focused into our physical bodies, and that a conscious

Connection to that Broader Non-Physical part of us is necessary if we are to be the joyful Beings that we were born to be. Abraham calls that wonderful alignment Getting into the Vortex. Through a series of Leading Edge books (New York Times bestsellers), Abraham has emphasized the importance of our conscious alignment with the Source within us. They have let us know that our natural state of Being is inside our Vortex of Creation in complete alignment with Source Energy—and that every aspect of our physical experience reflects our alignment with, or resistance to, that Connection. Everything—from the physical well-being of our bodies, the clarity of our minds, and the abundance we allow to flow, to the satisfaction in every relationship we experience—is impacted by our all-important relationship with our Vortex. Abraham has helped us to understand that our dominant intent in every day is to get into the Vortex! And now, they have lovingly and specifically guided Jerry and Esther Hicks in the creation of an innovative and valuable tool that promises to get us into the Vortex right now . . . and that tool is enclosed in the Getting into the Vortex User Guide in the form of a 70-minute audio download. This unique recording contains four powerfully guided daily meditations that have been designed to get you into the Vortex of Creation in four basic areas of your life: • General Well-Being • Financial Well-Being • Physical Well-Being • Relationships. Jerry and Esther are thrilled to offer this powerful, first-of-its kind, musically scored, breath-enhancing, user-friendly tool from Abraham that will get you into the Vortex.

**Dying to Be Me** Anita Moorjani, 2022-03-08 THE NEW YORK TIMES BESTSELLER! I had the choice to come back ... or not. I chose to return when I realized that 'heaven' is a state, not a place In this truly inspirational memoir, Anita Moorjani relates how, after fighting cancer for almost four years, her body began shutting down—overwhelmed by the malignant cells spreading throughout her system. As her organs failed, she entered into an extraordinary near-death experience where she realized her inherent worth . . . and the actual cause of her disease. Upon regaining consciousness, Anita found that her condition had improved so rapidly that she was released from the hospital within weeks—without a trace of cancer in her body! Within this enhanced e-book, Anita recounts—in words and on video—stories of her childhood in Hong Kong, her challenge to establish her career and find true love, as well as how she eventually ended up in that hospital bed where she defied all medical knowledge. In *Dying to Be Me*, Anita Freely shares all she has learned about illness, healing, fear, being love, and the true magnificence of each and every human being!

**Sara** Esther Hicks, Jerry Hicks, 2007-10-01 From that opening exclamation,

this second Sara novel rampages through chapter after chapter of fun and adventure. Solomon (the owl from the first book who speaks without moving his lips) reappears and gives Sara and her classmate Seth a fresh and enlightening perspective on life on this planet. Simply put, these two adventurous, tree-climbing friends dialogue with their ethereal feathered mentor regarding their varied (and sometimes confusing) experiences with parents, teachers, other students, neighbors, and property owners. The clarity, understanding, and wisdom that Solomon gives them results in some surprisingly practical views on the rules of the game of life. This is a must-read book for young people of all ages!

Sara Esther Hicks, Jerry Hicks, 2008-04-01 Do you believe in ghosts? Annette just sort of blurted out. Sara and Seth both looked up with surprise. Well, Sara stalled, I guess I do. She remembered the night Solomon had visited her in her bedroom after Jason and Jimmy had shot him, but she hadn't really thought about him being a ghost that night; she'd just been so glad to see her beloved feathered friend. Sara and Seth looked at each other. Both of them knew that if anything would fall into the category of ghosts, Solomon would most likely be it, but they didn't say anything, uncertain about telling their new friend their special secret. Well, do you believe in ghosts? Seth asked, looking intently at Annette's serious face. Annette looked at Seth and then at Sara, who both sat quietly, each waiting to hear the answer. No, I just wondered if you did, Annette answered abruptly. Hey,

let's swing. And without taking the time to execute a perfectly calculated leap from the platform as she usually did, Annette grabbed the swinging rope and jumped off as if she couldn't do so fast enough. . . .Get ready for an exciting new adventure in joy with Sara, Seth, Solomon, and their new friend!
