John Buchan

The Thirty-Nine Steps John Buchan, 2020-04-13 Famous as the basis for several films, including the brilliant 1935 version directed by Alfred Hitchcock, *The Thirty-Nine Steps* is a classic of early twentieth-century popular literature. Richard Hannay has just returned to England after years in South Africa and is thoroughly bored with his life in London. But then a murder is committed in his flat, just days after a chance encounter with an American who had told him about an assassination plot that could have dire international consequences. An obvious suspect for the police and an easy target for the killers, Hannay goes on the run in his native Scotland where he will need all his courage and ingenuity to stay one step ahead of his pursuers.

The Thirty-Nine Steps (Diversion Classics) John Buchan, 2015-11-24 Featuring an appendix of discussion questions, the Diversion Classics edition is ideal for use in book groups and classrooms. When Richard Hannay encounters a mysterious stranger fearing for his life, he is drawn into a plot of political conspiracy. As Hannay works to uncover the perpetrator of a string of crimes, he must race against time to keep England's military secrets safe. A pitch-perfect spy novel, *THE THIRTY-NINE STEPS* is essential reading for lovers of action, adventure, and suspense.

The Thirty-Nine Steps John Buchan, 2008 .0000000000 John Buchan wrote *The Thirty-Nine Steps* at the beginning of the First World War. In it he introduces his most famous hero, Richard Hannay, who, despite claiming to be an 'ordinary fellow', is caught up in the dramatic race against a plot to devastate the British war effort. Hannay is hunted across the Scottish moors by police and spy-ring

alike, and must outwit his intelligent and pitiless enemy in the corridors of Whitehall and, finally, at the site of the mysterious thirty-nine steps. The best-known of Buchan's thrillers, *The Thirty-Nine Steps* has been continuously in print since first publication and has been filmed three times, most notably by Alfred Hitchcock in 1935. With an Afterword by David Stuart Davies.

Beyond the Thirty-Nine Steps Ursula Buchan, 2019-04-18 John Buchan's name is known across the world for *The Thirty-Nine Steps*. In the past one hundred years the classic thriller has never been out of print and has inspired numerous adaptations for film, television, radio and stage, beginning with the celebrated version by Alfred Hitchcock. Yet there was vastly more to 'JB'. He wrote more than a hundred books – fiction and non-fiction – and a thousand articles for newspapers and magazines. He was a scholar, antiquarian, barrister, colonial administrator, journal editor, literary critic, publisher, war correspondent, director of wartime propaganda, member of parliament and imperial proconsul – given a state funeral when he died, a deeply admired and loved Governor-General of Canada. His teenage years in Glasgow's Gorbals, where his father was the Free Church minister, contributed to his ease with shepherds and ambassadors, fur-trappers and prime ministers. His improbable marriage to a member of the aristocratic Grosvenor family means that this account of his life contains, at its heart, an enduring love story. Ursula Buchan, his granddaughter, has drawn on recently discovered family documents to write this comprehensive and illuminating biography. With perception, style, wit and a penetratingly clear eye, she brings vividly to life this remarkable man and his times.

Buchan. It first appeared as a serial in Blackwood's Magazine in August and September 1915 before being published in book form in October that year by William Blackwood and Sons, Edinburgh.[1] It is the first of five novels featuring Richard Hannay, an all-action hero with a stiff upper lip and a miraculous knack for getting himself out of sticky situations.

The 39 Steps, 2009 Adapted by Patrick Barlow from the novel by John Buchan; from the movie of Alfred Hitchcock licensed by ITV Global Entertainment Limited; and an original concept by Nobby Dimon and Simon Corble.

Greenmantle John Buchan, 1916 Hannay is called in to investigate rumours of an uprising in the Muslim world, and undertakes a perilous journey through enemy territory to meet his friend Sandy in Constantinople. Once there, he and his friends must thwart the Germans' plans to use religion to help them win the war, climaxing at the battle of Erzurum.

The Thirty-Nine Steps (Warbler Classics Annotated Edition) John Buchan, 2021-12-18 As war looms in Europe, Richard Hannay returns from Rhodesia to his home in London. His neighbor, an American freelance spy named Franklin Scudder, claims to know of an assassination plot to destabilize Europe. When Hannay finds Scudder dead in his flat he is drawn into a fast-paced labyrinthine adventure that takes him from the hills of Scotland to an unassuming location by the sea. The progenitor of the classic man-on-the-run thriller, *The Thirty-Nine Steps* first appeared as a serial adventure story in Blackwood's Magazine from August to September 1915 and in book form in October of that year. Since its publication it has never been out of print and has been frequently adapted for television, radio, theater, and film, including, quite famously, a 1935 film directed by

Alfred Hitchcock.

Mr. Standfast John Buchan, 1921 “Mr Standfast” is a spy novel featuring Richard Hannay, written by John Buchan and published in 1919 by Hodder & Stoughton. Richard Hannay is recalled from the Western Front by his good friend Bullivant in order to be assigned a new mission. As always, the whole action revolves around identifying a master German spy who operates in Britain along with his agents. In order to find him out, he must adopt a disguise he truly dislikes, the one of a pacifist. He then travels to the Cotswolds as Cornelius Brand, a South African war objector, in order to penetrate a group of war-hating intellectuals. He falls in love with a young woman called Mary who is also part of the group. John Buchan is the inventor of the modern British spy novel.

One night his neighbor, an American who claims

to be in fear for his life, visits Hannay. The man appears to know of an anarchist plot to destabilize Europe, beginning with a plan to assassinate the Greek Premier, Constantine Karolides, during his forthcoming visit to London. *The Thirty-Nine Steps* By John Buchan The man, named Franklin P. Scudder, is a freelance spy and reveals that he has faked his own death. Scudder claims to be following a ring of German spies called the Black Stone who are trying to steal British plans for the outbreak of war. Hannay, convinced of his honesty, lets Scudder hide in his flat. Police discover the fake suicide and suspect nothing, but Hannay finds Scudder murdered in his flat a few days later nonetheless. Feeling now part of the plot, Hannay takes up Scudder's encoded notebook and escapes his apartment by disguising himself as the milkman one day. *The Thirty-Nine Steps* By John Buchan Hannay takes a train leaving from London to Galloway, in southwest Scotland, believing it sufficiently remote to hide in until the fateful 15th of June (a date noted by Scudder relevant to the anarchist's plot). Hannay lodges in a shepherd's cottage and reads in a newspaper that the police are looking for him in Scotland, suspecting him of Scudder's murder. Hannay boards a local train heading east, but jumps off between stations to confuse his trail. He eventually finds an inn where he stays the night. He tells the innkeeper a modified version of his story, and the man is persuaded to shelter him. While staying at the inn, Hannay cracks the cipher used in Scudder's codebook. The next day two men arrive at the inn looking for Hannay, but the innkeeper sends them away. When they return later, Hannay steals their car and escapes. *The Thirty-Nine Steps* By John Buchan By this time, Hannay is being pursued by an airplane, and a policeman in a remote village tries to stop him as he drives through. He decides to stay off the main roads, but not knowing the

area, nearly gets into a crash. To avoid it, he ditches the car, which falls off a cliff. The other driver, Harry Bullivant, a local landowner, and prospective politician, takes pity on him after seeing his dirty clothes and takes him home to clean up. When he learns of Hannay's experiences in South Africa, he invites him to address an election meeting that afternoon. Hannay's speech impresses Harry (and is far better than Harry's own), and Hannay feels able to trust him with his story. Harry writes an introductory letter about Hannay to a relation in the Foreign Office to thank him for his speech and help him with the plot. The Thirty-Nine Steps By John Buchan Hannay leaves Harry and tries to hide in the countryside, but is spotted from the airplane. Soon he spots a group of men on the ground searching for him. Miraculously, he meets a road mender out on the moor, and swaps places with him, sending the workman home. His disguise fools his pursuers, who pass him by. On the same road, he encounters an acquaintance from London (whom he hates) named Marmaduke Jolley. He takes his clothes and drives his car several miles away before leaving Jolley. The Thirty-Nine Steps By John Buchan Now back on foot, his pursuers find Hannay, and he runs off. He finds a cottage and enters, desperate for cover, and the occupant excitedly welcomes him. Unfortunately, the man turns out to be one of the enemies, and with his accomplices, he locks Hannay into his storage room. Fortunately, the room in which Hannay is locked is full of bomb-making materials, which he uses to break out of the cottage. Without cover or means to escape cars or the plane, Hannay hides on top of a building until nightfall then runs off. The Thirty-Nine Steps By John Buchan Hannay returns to and retrieves his possessions from the helpful road mender and stays for a few days to recover from the explosion. He departs by train to meet Harry's relative at the Foreign

Office, Sir Walter Bullivant. As they discuss Scudder's notes, Sir Walter receives a phone call to tell him that Karolides has indeed been assassinated. Sir Walter and his cohort return to London with Hannay, where they clear his name at Scotland Yard and release him, apparently free of involvement in the plot. Hannay feels agitated and unfulfilled; he runs into Marmaduke Jopley again and starts a fight. With the police after him again, he flees to Sir Walter's home, where he finds him in a meeting with several officials, including the First Sea Lord. While Hannay waits for the meeting to end, the First Sea Lord leaves. They briefly make eye contact and Hannay is certain the man is one of his pursuers in disguise. They call the real First Sea Lord's home, where a servant informs them he is asleep in bed. The Thirty-Nine Steps By John Buchan Desperate to stop the imposter from escaping with their secrets, Hannay and the officials comb Scudder's codebook. The reason that the phrase the thirty-nine steps, along with the date and tidal information (high tide at 10:17 PM) must indicate the location of the escape point for the conspirators. With the help of a coast guardsman, they set off for a quiet middle-class location by the sea. They find an area with several sets of steps, one of them having 39, and an anchored yacht called Ariadne. They approach the yacht posing as fishermen and discover the officer on board is German. Hannay watches three men in a villa who match the description of his pursuers, but their normal behavior causes him to doubt their involvement. The Thirty-Nine Steps By John Buchan Despite his doubts, he confronts the men. A subtle gesture assures him that they are his pursuers, and his men enter to arrest them. Although one escapes, bound for the boat, Hannay reveals they have already taken the boat, and all three men are arrested. England enters World War I three weeks later, her secrets intact, with Hannay commissioned

captain. *The Thirty-Nine Steps* By John Buchan

One night he is buttonholed by a stranger, a well-travelled American, who claims to be in fear for his life. Extrait : I returned from the City about three o'clock on that May afternoon pretty well disgusted with life. I had been three months in the Old Country, and was fed up with it. If anyone had told me a year ago that I would have been feeling like that I should have laughed at him; but there was the fact. The weather made me liverish, the talk of the ordinary Englishman made me sick, I couldn't get enough exercise, and the amusements of London seemed as flat as sodawater that has been standing in the sun. 'Richard Hannay,' I kept telling myself, 'you have got into the wrong ditch, my friend, and you had better climb out.' It made me bite my lips to think of the plans I had been building up those last years in Bulawayo. I had got my pile not one of the big ones, but good enough for me; and I had figured out all kinds of ways of enjoying myself. My father had brought me out from Scotland at the age of six, and I had never been home since; so England was a sort of Arabian Nights to me, and I counted on stopping there for the rest of my days.

Biography : John Buchan (1875-1940) was a Scottish novelist, historian and Unionist politician who served as Governor General of Canada, the 15th since Canadian Confederation. After a brief legal career, Buchan simultaneously began his writing career and his

political and diplomatic careers, serving as a private secretary to the colonial administrator of various colonies in southern Africa. He eventually wrote propaganda for the British war effort in the First World War. Buchan was in 1927 elected Member of Parliament for the Combined Scottish Universities, but he spent most of his time on his writing career, notably writing *The Thirty-Nine Steps* and other adventure fiction. In 1935 he was appointed Governor General of Canada by King George V, on the recommendation of Prime Minister of Canada R. B. Bennett, to replace the Earl of Bessborough. He occupied the post until his death in 1940. Buchan proved to be enthusiastic about literacy, as well as the evolution of Canadian culture, and he received a state funeral in Canada before his ashes were returned to the United Kingdom.

The Four Adventures of Richard Hannay John Buchan, 1988 John Buchan is the father of the modern spy thriller. This is so even though the Hannay books are not, strictly speaking, about spies at all in the professional sense of the word. They are about penetration of the enemy, about lonely escape and wild journeys, about the thin veneer that stands between civilisation and barbarism.

The Thirty-Nine Steps. Adventure Novel by John Buchan, 2016-08-10 *The Thirty-Nine Steps* is an adventure novel by the Scottish author John Buchan. It first appeared as a serial in Blackwood's Magazine in August and September 1915 before being published in book form in October that year by William Blackwood and Sons, Edinburgh. It is the first of five novels featuring Richard Hannay, an all-action hero with a stiff upper lip and a miraculous knack for getting himself out of sticky situations. John Buchan wrote *The Thirty-Nine Steps* while he was ill in bed with a duodenal ulcer,

an illness which remained with him all his life. The novel was his first shocker, as he called it - a story combining personal and political dramas. The novel marked a turning point in Buchan's literary career and introduced his adventuring hero, Richard Hannay. He described a shocker as an adventure where the events in the story are unlikely and the reader is only just able to believe that they really happened. Buchan's son, William, later wrote that the name of the book originated when the author's daughter was counting the stairs at a private nursing home in Broadstairs, where Buchan was convalescing. There was a wooden staircase leading down to the beach. My sister, who was about six, and who had just learnt to count properly, went down them and gleefully announced: there are 39 steps. Some time later the house was demolished and a section of the stairs, complete with a brass plaque, was sent to Buchan. The mysterious phrase Thirty-Nine Steps, first mentioned by the character Franklin Scudder, becomes the title of the novel and the solution to its meaning is a thread that runs through the whole story.
