**The Thirty-Nine Steps** John Buchan,1915 In this fast-paced spy thriller, a self-described ordinary fellow stumbles upon a plot involving not only espionage and murder but also the future of Britain itself. This classic of suspense served as the basis for one of Hitchcock's most famous films and was the first novel in the author's Greenmantle series.

The 39 Steps ,2009 Adapted by Patrick Barlow from the novel by John Buchan; from the movie of Alfred Hitchcock licensed by ITV Global Entertainment Limited; and an original concept by Nobby Dimon and Simon Corble.

Beyond the Thirty-Nine Steps Ursula Buchan,2019-04-18 John Buchan's name is known across the world for *The Thirty-Nine Steps*. In the past one hundred years the classic thriller has never been out of print and has inspired numerous adaptations for film, television, radio and stage, beginning with the celebrated version by Alfred Hitchcock. Yet there was vastly more to 'JB'. He wrote more than a hundred books – fiction and non-fiction – and a thousand articles for newspapers and magazines. He was a scholar, antiquarian, barrister, colonial administrator, journal editor, literary critic, publisher, war correspondent, director of wartime propaganda, member of parliament and imperial proconsul – given a state funeral when he died, a deeply admired and loved Governor-General of Canada. His teenage years in Glasgow's Gorbals, where his father was the Free Church minister, contributed to his ease with shepherds and ambassadors, fur-trappers and prime ministers. His improbable marriage to a member of the aristocratic Grosvenor family means that this account of his life contains, at its heart, an enduring love story. Ursula Buchan, his granddaughter, has drawn on recently discovered family documents to write this comprehensive and illuminating biography. With perception, style, wit and a penetratingly clear eye, she brings vividly to life this remarkable man and his times.

When Hannay finds Scudder dead in his flat he is drawn into a fast-paced labyrinthine adventure that takes him from the hills of Scotland to an unassuming location by the sea. The progenitor of the classic man-on-the-run thriller, *The Thirty-Nine Steps* first appeared as a serial adventure story in *Blackwood's Magazine* from August to September 1915 and in book form in October of that year. Since its publication it has never been out of print and has been frequently adapted for television, radio, theater, and film, including, quite famously, a 1935 film directed by Alfred Hitchcock.

Hannay is hunted across the Scottish moors by police and spy-rings alike, and must outwit his intelligent and pitiless enemy in the corridors of Whitehall and, finally, at the site of the mysterious thirty-nine steps. **Prester John** John Buchan,2023-08-11 The town of Kirkcapple, of which and its adjacent parish of Portincross my father was the minister, lies on a hillside above the little bay of Caple, and looks squarely out on the North Sea. Round the horns of land which enclose the bay the coast shows on either side a battlement of stark red cliffs through which a burn or two makes a pass to the water’s edge. The bay itself is ringed with fine clean sands, where we lads of the burgh school loved to bathe in the warm weather. But on long holidays the sport was to go farther afield among the cliffs; for there there were many deep caves and pools, where podleys might be caught with the line, and hid treasures sought for at the expense of the skin of the knees and the buttons of the trousers. Many a long Saturday I have passed in a crinkle of the cliffs, having lit a fire of driftwood, and made believe that I was a smuggler or a Jacobite new landed from France. There was a band of us in Kirkcapple, lads of my own age, including Archie Leslie, the son of my father’s session-clerk, and Tam Dyke, the provost’s nephew. We were sealed to silence by the blood oath, and we bore each the name of some historic pirate or sailorman. I was Paul Jones, Tam was Captain Kidd, and Archie, need I say it, was Morgan himself. Our tryst was a cave where a little water called the Dyve Burn had cut its way through the cliffs to the sea. There we forgathered in the summer evenings and of a Saturday afternoon in winter, and told mighty tales of our prowess and flattered our silly hearts. But the sober truth is that our deeds were of the humblest, and a dozen of fish or a handful of apples was all our booty, and our greatest exploit a fight with the roughs at the Dyve tan-work...FROM THE BOOKS.

**The Thirty-Nine Steps** John Buchan,2017-05-03 The Thirty-Nine Steps is a novel by John Buchan,published in 1915. It first appeared as a serial in Blackwood's Magazine in August and September 1915 before being published in book form in October that year by William Blackwood and Sons, Edinburgh. It is the first of five novels featuring Richard Hannay, an all-action hero with a stiff upper lip and a miraculous knack for getting himself out of sticky situations.Summary : The novel is set during May and June 1914; war was evident in Europe, Richard Hannay the protagonist and narrator, an expatriate Scot, returns to his new home, a flat in London, after a long stay in Rhodesia to begin a new life. One night he is buttonholed by a stranger, a well-travelled American, who claims to be in fear for his life. The man appears to know of an anarchist plot to destabilise Europe, beginning with a plan to assassinate the Greek Premier, Constantine Karolides, during his forthcoming visit to London. The man reveals his name to be Franklin P. Scudder, a freelance spy, and remarks that he is dead, which holds Hannay's attention. Scudder explains that he has faked his own death in order to avert suspicion. Scudder claims to be following a ring of German spies called the Black Stone who are trying to steal British plans for the outbreak of war. Hannay lets Scudder hide in his flat, and sure enough the next day another man is discovered having apparently committed suicide in the same building. Four days later Hannay returns home to find Scudder dead with a knife through his heart.Extrait : I returned from the City about three o'clock on that May afternoon pretty well disgusted with life. I had been three months in the Old Country, and was fed up with it. If anyone had told me a year ago that I would have been feeling like that I should have laughed at him; but there was the fact. The weather made me liverish, the talk of the ordinary Englishman made me sick, I couldn't get enough exercise, and the amusements of London seemed as flat as sodawater that has been standing in the sun. 'Richard Hannay,' I kept telling myself, 'you have got into the wrong ditch, my friend, and you had better climb out.' It made me bite my lips to think of the plans I had been building up those last years in Bulawayo. I had got my pile not one of the big ones, but good enough for me; and I had figured out all kinds of ways of enjoying myself. My father had brought me out from Scotland at the age of six, and I had never been home since; so England was a sort of Arabian Nights to me, and I counted on stopping there for the rest of my days.Biography : John Buchan (1875-1940) was a Scottish novelist, historian and Unionist politician who served as Governor General of Canada, the 15th since Canadian Confederation.After a brief legal career, Buchan simultaneously began his writing career and his political and diplomatic careers, serving as a private secretary to the colonial administrator of various colonies in southern Africa. He eventually wrote propaganda for the British war effort in the First World War. Buchan was in 1927 elected Member of Parliament for the Combined Scottish Universities, but he spent most of his time on his writing career, notably writing The Thirty-Nine Steps and other adventure fiction. In 1935 he was appointed Governor General of Canada by King George V, on the recommendation of Prime Minister of Canada R. B. Bennett, to replace the Earl of Bessborough. He occupied the post until his death in 1940. Buchan proved to be enthusiastic about literacy, as well as the evolution of Canadian culture, and he received a state funeral in Canada before his ashes were returned to the United Kingdom.
