Black Radio/Black Resistance Micaela Di Leonardo,2019 Every weekday, the wildly popular Tom Joyner Morning Show reaches more than eight million radio listeners. The show offers broadly progressive political talk, adult-oriented soul music, humor, advice, and celebrity gossip for largely older, largely working-class black audience. But it's not just an old-school show: it's an activist political forum and a key site reflecting on popular aesthetics. It focuses on issues affecting African Americans today, from the denigration of hard-working single mothers, to employment discrimination and sexual abuse, to the racism and violence endemic to the U.S. criminal justice system, to international tragedies. In *Black Radio/Black Resistance*, author Micaela di Leonardo dives deep into the Tom Joyner Morning Show's 25 year history inside larger U.S. broadcast history. From its rise in the Clinton era and its responses to key events--9/11, Hurricane Katrina, President Obama's elections and presidency, police murders of unarmed black Americans and the rise of Black Lives Matter, and Donald Trump's ascendancy-it has broadcast the varied, defiant, and darkly comic voices of its anchors, guests, and audience members. di Leonardo also investigates the new synergistic set of cross-medium ties and political connections that have affected print, broadcast, and online reporting and commentary in antiracist directions. This new multiracial progressive public sphere has extraordinary potential for shaping America's future. Thus *Black Radio/Black Resistance* does far more than simply shed light on a major counterpublic institution unjustly ignored for reasons of color, class, generation, and medium. It demonstrates an alternative understanding of the shifting black public sphere in the digital age. Like the show itself, *Black Radio/Black Resistance* is politically progressive, music-drenched, and blisteringly funny.

More Than Pretty Erica Campbell,2019-09-24 Grammy Award-winning gospel singer, television star, and radio host Erica Campbell speaks to women of all shapes and sizes, demonstrating that true beauty is found not in external appearances, but in celebrating the person God made you to be. So many young women struggle with issues of low self-esteem, depression, self-degradation, and other unhealthy habits that manifest on the outside what's happening on the inside. And the rise of social media and the emphasis on beauty as validation for self-worth have only added fuel to the fire. But Erica Campbell—Grammy-winning gospel star, reality TV star, and nationally-syndicated radio host—believes that we need to redefine beauty. We need to start to see ourselves the way God sees us—beautiful and perfectly made. True beauty, Erica believes, is about embracing who God made you to be. In *More Than Pretty*, she turns the mirror around, reflecting God's Word, His affirmations, and His design for every woman. This book explores issues of self-esteem, identity, and God's design for love and intimacy. She is candid about her own struggles, sharing honestly about her battle to feel “good enough” in an industry that fixates on outward appearances. Covering topics such as being honest about who we truly are, reflecting on what we have internalized about our appearances, uncovering and exposing the plan of the Enemy, and accepting God's will for your life, Erica offers thoughtful, hard-won wisdom and encouragement to women from all walks of life, helping build confidence in and through the power of God.
