Hoofprints Across Time Christy Wood,2023-04-05 Have you ever wanted to step back in time and ride in a wilderness that was rich in history? Then come with me back to 1877 and follow a trail the Nez Perce traveled in search of freedom. General O.O. Howard had orders to move the Nim-ee-poo onto a reservation and force them to live under white man's rules. Chief Joseph refused and led nine-hundred people and two-thousand Appaloosa horses on a flight to freedom for thirteen-hundred miles. The exodus took its toll with winter setting in, starvation, skirmishes with the Cavalry, and the loss of life. History has recorded the end of the trail and the outcome. But, to truly experience the Nez Perce National Historic Trail, you need to be in the saddle. This book will take you there, step by step by hoof print, boot, and moccasin, and your spirit will see the "Hoof Prints Across Time."

Happy Trails Les Sellnow,2004 *Happy Trails* offers practical advice from choosing the right horse to training and conditioning as well as dealing with problems along the trail.

One Time Around Paul Clipper,2017-01-11 The story of a 14,000 mile road trip in the summer of 2010, from the saddle of a 2005 Suzuki V-Strom 650. An easy-reading travelogue in something other than the usual style, with Clipper's typical black humor and wander-from-the-subject style. From Amazon reviews: If you have rosy visions of escaping your workaday life, of finding yourself out on the open road, and dream of the wind in your hair while experiencing the great American sights, then you need to be grounded by this book. If you've done any amount of real riding, you will find a familiar, agreeable and refreshing friend among the pages of *One Time Around*.

Nevada Rally Paul Clipper,2021-02-10 There are motorcycle events every weekend, but truly epic events only happen on the rare occasion. The Nevada Rally was such an event. Planned and executed by Franco Acerbis and his Acerbis Adventure team, the Nevada Rally swept into the Silver State in 1993 and created a sensation that is still talked about today. This Kindle book is the story of the three years of the Nevada Rally. Originally covered extensively in *Trail Rider* magazine, this compilation is a combination of new material, reprints from the magazine and photos taken at the event. Each year of the rally is given a chapter in the book, as seen through the eyes of the author, who participated in the rally each year; two years working for the organization and the third year as a racer. Seeing the event from three different vantage points in three different years was a rare treat, claims Paul Clipper, a 25 year veteran of *Trail Rider* magazine and lifelong off-road enthusiast. Never before-or since-have I been able to feel so immersed in a race. In the end, it was, just as Franco envisioned, one huge family of like-minded people brought together to experience every human emotion imaginable in one non-stop week of activity in the Nevada desert. This book is intended to serve as a retrospective on the 20th anniversary of the first Nevada Rally in 1993, as well as a salute to the efforts of Acerbis Adventure and Franco Acerbis, who had the vision to see what a great event he was creating, and the strength to pull it off. The Nevada Rally was truly the American Adventure, and this eBook will be an entertaining read for offroad racing enthusiasts everywhere.

Louisiana Trail Riders Jeremiah Ariaz,2018 African American Trail Riding Clubs have their roots in the Creole culture formed in South Louisiana in the eighteenth century. Today trail rides are an opportunity for generations of people to gather, celebrate, and ride horseback. The riders form a distinctive yet little-known sub-culture in Southwest Louisiana. In addition to sharing an important aspect of Louisiana's cultural heritage, Ariaz's photographs assert a counter-narrative to historic representations of the cowboy and prevailing images of difference and despair in Black America.

The Complete Guide to Endurance Riding and Competition Donna Snyder-Smith,2008-05-05 First Star to the Right and Straight on Till Morning.... At the 90-mile vet check she sat in the middle of the road crying, claiming extreme illness and trying to avoid her nightmarish fears her horse would die of founder or colic, or anything. The last ten miles of trail stretched forever in her mind, black like licorice taffy. After a large measure of TLC from her patient and understanding crew, she and the gelding were out of the check and on the trail again. The entire universe shrank to center on the pair in the moonlight. Time stopped and the world faded into nothingness. They were running in a small, ever-changing pocket of existence, the rhythm of his hooves, the heartbeat of that universe. Ribbons and trail appeared before them and lost substance as they moved past. For the rider, clinging to the saddle, there was no thought, no pain, no emotion, only the instinctive drive to chase past each ribbon as it appeared. Suddenly her horse jumped sideways, eyes and ears frozen forward. Awakened from her trance, she oriented herself on his suspected woods troll, a familiar embankment that meant they were a half-mile from home. Easing him past the scary object, she sent the gelding on, clinging to his neck. As his soft lope swept them across the finish line, she wanted to laugh out loud or cry, but was unable to summon the strength for either. A few small tears trickled down her cheek, the only sign of the enormous pride she felt inside.
