Prajñā-pāramitā-ratna-guṇa-samcaya-gāthā Akira Yuyama, 2010-06-10 Dr Yuyama investigates Sanskrit Recension A of the Prajñā-pāramitā-ratna-guṇa-samcaya-gāthā, a notable example of Buddhist Sanskrit literature at its earliest stage.

Karmasiddhiprakaraṇa Vasubandhu, 1988 Under the influence of his teacher, Louis de la Vallée Poussin, Prof. Lamotte published several works in French, which were primarily editions, translations and commentaries on Tibetan and Chinese Buddhist texts. The theories and concepts contained in this particular work are closely related to those of the Abhidharmakośa, and as such it makes a valuable companion to that larger work. Here Prof. Pruden has provided a masterful English translation of Prof. Lamotte's work, and has added a brief biography of Prof. Lamotte and his scholarly accomplishments to familiarize the reader with this great scholar of Buddhism.

Siamese State Ceremonies H. G. Quaritch
Wales,2019-05-23 To students of Indian Culture interested in tracing the influence of India in the institutions of her Cultural Colonies, as also to Anthropologists, the Religious Festivals and Court Ceremonies, which still remain the most characteristic features of Siamese social life, offer an important field for research. Yet the subject has been little touched by scholars. Therefore a pioneer work of this nature can only be regarded as an attempt to lay a foundation for further studies, and the author hopes that other students—particularly those Siamese possessed of an extensive knowledge of their own literature and customs—may be encouraged to endeavour to fill those gaps which remain in our knowledge of most of the Siamese State Ceremonies.
