Wedding Winner

Countdown to Your Perfect Wedding Joyce Scardina Becker,2007-04-01 Planning a wedding can be an exciting, overwhelming, and time consuming endeavor. COUNTDOWN TO YOUR PERFECT WEDDING will give brides the exact amount of information they need to plan the wedding they want. It breaks down pre-wedding tasks into manageable bits of information and serves as a point-by-point checklist so that nothing slips through the cracks and nothing is left undone. Unlike other books, COUNTDOWN is arranged on a 52-week timeline (one year is the average amount of time brides take to plan a wedding) that explains what needs to be done when. Each week will feature an essential aspect of a beautiful wedding and will include tips and insider information on how brides can get what they want, budgeting considerations, definition of terms, as well as feature information for Brides On A Budget and When Money Is No Object. For brides who wish they could hire a wedding planner but can't afford one, this book will hold their hand through the process so they can plan the wedding of their dreams.

Weddings Unfiltered Jessica Sclafini,2017-10-04 You just got engaged! It's exciting, but planning a wedding is really flipping hard, stressful, and emotional. It takes time, organization, and help from people who know what they're doing. Lucky for you, I'm a former wedding planner, and I know what I'm doing. I haven't sugarcoated anything...Instead, I've written great tips because everyone deserves the wedding of their dreams. You're all probably thinking you can just search the Internet on any wedding-planning topic and get information. I've condensed everything you need to know and should want to know to get you started with the planning process in this little, easy-to-read book. I've outlined what you should do each month from the moment you get engaged until the moment you walk down the aisle. Each chapter concludes with a chapter checklist to keep you on track and organized! I've shared some personal stories that occurred throughout my career. You are not alone in this process and you are not crazy...you'll see! With a bit of humor, sarcasm, a whole lot of brutal honesty, and maybe a few curse words...because that's how I talk, I will show you how to keep wedding planning light-hearted and fun. That's what this time of your life should be! Table of Contents Chapter 1 - First, let's get real! Chapter 2 - AAAHHH! You're engaged! Oh crap.
