

The Wine Cellar 30

Howard G. Goldberg

How and Why to Build a Wine Cellar Richard M. Gold, Ph. D.,1985 This popular classic, which is based on the author's personal experiences of building a wine cellar in his home and collecting wines for fun and investment, is now completely updated for the modern wine collector. All of the essential construction specifications to maintain the ideal temperature and humidity conditions for long-term storage of wine are provided for the home craftsman or professional contractor. Insulation, refrigeration, and passive systems are detailed and the construction of racks and storage bins is also explained with helpful illustrations. A practical guide to selecting, recording, tracking, and enjoying your wines at their peak performance is included.

Stalin's Wine Cellar John Baker,Nick Place,2021-07-20 The adventure of a lifetime to buy Stalin's secret multimillion dollar wine cellar located in Georgia; it is the Raiders of the Lost Ark of wine. In the late 1990s, John Baker was known as a purveyor of quality rare and old wines. He was the perfect person for an occasional business partner to approach with a mysterious wine list that was different to anything John, or his second-in-command, Kevin Hopko, had ever come across. The list was discovered to be a comprehensive catalogue of the wine collection of Nicholas II, the last Tsar of Russia. The wine had become the property of the state after the Russian Revolution of 1918, during which Nicholas and his entire family were executed. Now owned by Stalin, the wine was discreetly removed to a remote Georgian winery when Stalin was concerned the advancing Nazi army might overrun Russia. Half a century later, the wine was rumoured to be hidden underground and off any known map. John and Kevin embarked on an audacious, colourful and potentially dangerous journey to Georgia to discover if the wines actually existed; if the bottles were authentic and whether the entire collection could be bought and transported to a major London auction house for sale. Stalin's Wine Cellar is a wild, sometimes rough ride through the glamorous world of high-end wine.

Thomas Jefferson on Wine John Hailman,2009-09-18 In *Thomas Jefferson on Wine*, John Hailman celebrates a founding father's lifelong interest in wine and provides unprecedented insight into Jefferson's character from this unique perspective. In both his personal and public lives, Jefferson wielded his considerable expertise to influence the drinking habits of his friends, other founding fathers, and the American public away from hard liquor toward the healthier pleasures of wine. An international wine judge and nationally syndicated wine columnist, Hailman discusses how Jefferson's tastes developed, which wines and foods he preferred at different stages of his life, and how Jefferson became the greatest wine expert of the early American republic. Hailman explores the third president's fascination with scores of wines from his student days at Williamsburg to his lengthy retirement years at Monticello, using mainly Jefferson's own words from hundreds of immensely readable and surprisingly modern letters on the subject. Hailman examines Jefferson's five critical years in Paris, where he learned about fine wines at Europe's salons and dinner tables as American Ambassador. The book uses excerpts from Jefferson's colorful travel journals of his visits to France, Italy, and Germany, as well as his letters to friends and wine merchants, some of whose descendants still produce the wines Jefferson enjoyed. Vivid contemporaneous accounts of dinners at the White House allow readers to experience vicariously Jefferson's Champagne diplomacy. The book concludes with an overview of the current restoration of the vineyards at Monticello and the new Monticello Wine Trail and its numerous world-class Virginia wineries. In *Thomas Jefferson on Wine*, Hailman presents an absorbing and unique view of this towering historical figure.

Home Wine Cellar Perry Sims,2004-10-27 Finally, the most informative, fully illustrated, step-by-step guide to designing and building your own home wine cellar! This beautifully photographed and illustrated full-color book covers all of the details of locating and preparing the right construction area. It includes the latest designs, as well as up-to-date racking and organization styles and techniques. Perhaps most important, this book addresses all the thorny challenges of temperature and humidity control—just where most home wine cellars fail. Having a wine cellar is a hot trend among homeowners, and contractors throughout the country are including them in new construction. This copiously illustrated “hammer and nails” book is by far the best DIY guide available.

An Encyclopedia of the Wines and Domaines of France Clive Coates,2000 In this detailed study of the wines of France, one of the world's leading authorities on wine discusses every appellation and explains its character and the best growers. He uses a star system to identify the finest estates. More than 40 specially commissioned maps show the main appellations and wine villages of France.

The Time Cellar Marc Emory,2014-06

The New York Times Book of Wine Howard G. Goldberg,2012-08-07 The best on wine from the New York Times! The newspaper of record has always showcased the writing of some of the worlds most respected wine experts, and these 125 articles from its archives feature such esteemed names as Eric Asimov, Frank Prial, Florence Fabricant, and R. W. Apple Jr. They cover everything from corkscrews and winespeak to pairing wine with food, wines from the Continent and South of the Border, and restaurant experiences. This is the ideal gift book for wine lovers.

Bacchus and Me Jay McInerney,2002-03-12 Jay McInerney on wine? Yes, Jay McInerney on wine! The best-selling novelist has turned his command of language and flair for metaphor on the world of wine, providing this sublime collection of untraditional musings on wine and wine culture that is as fit for someone looking for “a nice Chardonnay” as it is for the oenophile. On champagne: “Is Dom Pérignon worth four bottles of Moët & Chandon? If you are a connoisseur, a lover, a snob, or the owner of a large oceangoing craft, the answer . . . is probably yes.” On the difficulty of picking a wine for a vegetarian meal: “Like boys and girls locked away in same-sex prep schools, most wines yearn for a bit of flesh.” On telling the difference between Burgundy and Bordeaux: “If it’s red, French, costs too much, and tastes like the water that’s left in the vase after the flowers have died, it’s probably Burgundy.” On the fungus responsible for the heavenly flavor of the dessert wine called Sauternes: “Not since Baudelaire smoked opium has corruption resulted in such beauty.” Includes new material plus recommendations on the world’s most romantic wines and the best wines to pair with a meal

Tampa Bay Magazine ,1989-07 Tampa Bay Magazine is the area's lifestyle magazine. For over 25 years it has been featuring the places, people and pleasures of Tampa Bay Florida, that includes Tampa, Clearwater and St. Petersburg. You won't know Tampa Bay until you read Tampa Bay Magazine.

Wine Cellar Design Tina Skinner,2007-11 Over 300 images of wine cellars immerse you into the stylish and impressive world of today's vintage connoisseur. A wine cellar is becoming a standard feature of today's luxury home. The ability to invest in fine wines, to age them properly, and to have them on hand for entertaining is a luxury more people can afford. This book is packed with ideas and technical information for designing safe, stylish, beautiful wine cellars. Essays by leading designers and a section detailing the proper construction of a wine cellar make this an invaluable reference.

The Code of Federal Regulations of the United States of America ,1955 The Code of Federal Regulations is the codification of the general and permanent rules published in the Federal Register by the executive departments and agencies of the Federal Government.

Wine Girl Victoria James,2020-03-24 An affecting memoir from the country’s youngest sommelier, tracing her path through the glamorous but famously toxic restaurant world At just twenty-one, the age when most people are starting to drink (well, legally at least), Victoria James became the country’s youngest sommelier at a Michelin-starred restaurant. Even as Victoria was selling bottles worth hundreds and thousands of dollars during the day, passing sommelier certification exams with flying colors, and receiving distinction from all kinds of press, there were still groping patrons, bosses who abused their role and status, and a trip to the hospital emergency room. It would take hitting bottom at a new restaurant and restorative trips to the vineyards where she could feel closest to the wine she loved for Victoria to re-emerge, clear-eyed and passionate, and a proud leader of her own Michelin-starred restaurant. Exhilarating and inspiring, Wine Girl is the memoir of a young woman breaking free from an abusive and traumatic childhood on her own terms; an ethnography of the glittering, high-octane, but notoriously corrosive restaurant industry; and above all, a love letter to the restorative and life-changing effects of good wine and good hospitality.
