The Worst Parents Ever Ann Marie Allison,2021-04-10 What's wrong with using Mom's spoons to make a racetrack or tossing clothes around the room in a bouncing tornado when two zany brothers, Hank and Jack, are having an afternoon of pure fun? It makes a huge mess! And someone has got to pick it up. When their parents demand they stop having fun and clean up, the brothers make a wish to switch places with their parents so they can call the shots. But, when their wish comes true, they discover parenting is not as amusing as they assumed. *The Worst Parents Ever* is a fun filled children's book about rambunctious brothers. Together with charming illustrations and a hilarious story your little ones will learn about empathy and how to see things from a different perspective.

The Stories of the Worst Parents John A Michael,2022-09-11 I worked with a guy who's about 5 years older than me. I was 20 at the time so he'd have been about 25. Still lived at home with his parents because his mom wasn't ready to let him go. He had a 9 pm curfew and always had to have permission to go over to a friend's house. I was nice to him because I felt bad for him and I guess in his mind, that meant we were friends so I got to know him slightly better than you would a standard coworker. He did have a learning disability (so helicopter moms got a valid concern) but he wasn't retarded or slow. He was a fully capable adult. The first time I met his mom I knew there was no hope for this guy.

Discipline That Connects With Your Child's Heart Jim Jackson,Lynne Jackson,2016-09-20 A Powerful Approach to Bringing God's Grace to Kids Did you know that the way we deal (or don't deal) with our kids' misbehavior shapes their beliefs about themselves, the world, and God? Therefore it's vital to connect with their hearts--not just their minds--amid the daily behavior battles. With warmth and grace, Jim and Lynne Jackson, founders of Connected Families, offer four tried-and-true keys to handling any behavioral issues with love, truth, and authority. You will learn practical ways to communicate messages of grace and truth, how to discipline in a way that motivates your child, and how to keep your relationship strong, not antagonistic. Discipline is more than just a short-term attempt to modify your child's actions--it's a long-term investment to help them build faith, wisdom, and character for life. When you discover a better path to discipline, you'll find a more well-behaved--and well-believed--kid.

My Mom Is the Worst J. K. Coy,2017-11-16 Every Toddler has moments where it's clear they think their Mom (or Caregiver) is THE WORST!We make them wear underwear, we make them take baths, we squeeze them so tightly they can't get away. This story is parenting from a child's perspective, with an inside joke for parents highlighted within the text.What we do in love, children often perceive differently in their imaginations. So who is right, the Mama or the Munchkin? This loving and slightly sarcastic children's tale will make your little ones feel

heard, while giving the parent a good laugh. It makes a perfect gift for yourself (on a rough parenting day) or for a friend who's in this life stage. For a Limited Time: Purchase the paperback copy and get the Kindle ebook FREE!

The Worst Book Ever Elise Gravel, 2021-04-29 Don't take the title as a metaphor: it really is the worst book ever. Governor General Literary Award winning children's book author and illustrator Elise Gravel takes readers on an unexpected journey through the world's most boring book. The story's characters and omniscient readers alike quickly become annoyed by the author's bland imagination and rebel against her tired tropes and stale character choices, spouting sass in an attempt to get her attention and steer the narrative in a more interesting direction. After all, you don't even have to buy the book, but the characters? They're stuck in there for an eternity, and they're going to do their best to make the most of it, or at least have a little fun where they can. As the charming and bizarre true nature of the characters overpowers the dry attributes given to them by the author, this once blasé story quickly picks up speed, transforming the story into something much more unique than originally promised. With Gravel's signature goofy characters behind the wheel, no silly twist or rude body function is off the table!

Regretting Motherhood Orna Donath, 2017-07-11 A provocative and deeply important study of women's lives, women's choices—and an 'unspoken taboo'—that questions the societal pressures forcing women into motherhood Women who opt not to be mothers are frequently warned that they will regret their decision later in life, yet we rarely talk

about the possibility that the opposite might also be true—that women who have children might regret it. Drawing on years of research interviewing women from a variety of socioeconomic, educational, and professional backgrounds, sociologist Orna Donath treats regret as a feminist issue: as regret marks the road not taken, we need to consider whether alternative paths for women currently are blocked off. She asks that we pay attention to what is forbidden by rules governing motherhood, time, and emotion, including the cultural assumption that motherhood is a “natural” role for women—for the sake of all women, not just those who regret becoming mothers. If we are disturbed by the idea that a woman might regret becoming a mother, Donath says, our response should not be to silence and shame these women; rather, we need to ask honest and difficult questions about how society pushes women into motherhood and why those who reconsider it are still seen as a danger to the status quo. Groundbreaking, thoughtful, and provocative, this is an especially needed book in our current political climate, as women's reproductive rights continue to be at the forefront of national debates.

The Best Christmas Pageant Ever Barbara Robinson, 1983 The six mean Herdman kids lie, steal, smoke cigars (even the girls) and then become involved in the community Christmas pageant.

The 7 Worst Things Good Parents Do John Friel, Linda D. Friel, 2010-01-01 Psychologists John and Linda Friel have written an enormously readable and infinitely practical book that digs into some of the worst mistakes that parents make, with suggestions on how parents can change immediately. The Friels examine the seven most ineffective and self-defeating behaviors that parents display again and again. Working from the ideas that even small changes can have big results, the authors give parents concrete steps they can take to end the behaviors and improve the quality of their parenting. Whether readers are contemplating starting a family, have children who haven't entered school yet, are struggling with rebellious teenagers, or are empty-nesters wondering how they can be better parents to their grown children, they can't afford not to read this book. With the same clarity and concrete examples that have sold over 350,000 copies of their books, the Friels offer readers forty years of combined experience as practicing psychologists, and fifty years of combined experience as blended-family parents. This material has been field-tested in the authors' own household, with hundreds of their clients, and with thousands of their workshop and Clearlife Clinic participants. It will cause immediate changes in parents' behavior, and immediate improvement in the lives of their children.

Bad Baby Names Michael Sherrod, Matthew Rayback, 2008 Throughout history, people have named their children truly terrible things, and this book has the proof. Michael Sherrod and Matthew Rayback combed through U.S. federal census records to find the absolute worst names parents have given their children. The result is this hysterical new take on the baby name book. Here are some samples of the hilarious names inside: Fanny Pack, Fanny Whiffer, Post Office, Warren Peace, Rubella Graves, Nice Carr, and Hell Hellickson. And then there are the names we thought Bart Simpson was making up as he prank called Moe's Tavern: Hugh Jass, Al Caholic, Anita Bath, Amanda Hugginkiss, and Maya Buttrees. This book is also filled with original illustrations and great photos that take a stab at what some of these babies may have looked like.
