The Driving Test and How to Pass Don L. Gates, 2021-03-10 How to Pass Your Driving Test Fully illustrated and updated with advice on what to expect from your driving test during the Coronavirus crisis. There are many stories and theories surrounding the driving test, and most of them are not very accurate. There is far too much misleading information put around by people who express opinions which are not based on fact; that's why anyone who is learning to drive should read this book. The Driving Test has been written by a road safety professional with over 37 years experience of working both as a driving examiner and a driving instructor, someone who has seen the driving test from both sides and knows the system inside out. It is full of factual information which will help you to dispel the myths, and to give you the tools you need to make sure you are properly prepared for taking your driving test. The 'show me tell me' questions are included, making this a great gift for anyone who is taking driving lessons. This is one of the Learning to Drive series which includes: The Highway Code & Theory Test Questions for Cars Teaching a Learner Driver (A guide for amateur instructors) The Learner Driver's Logbook (Lesson plan & progress record) The Driving Test & How to Pass (An examiner's guide to the 'L' test)

How to Pass Your Driving Test Like a Boss Adam Morrell, 2020-04-19 Adam Morrell is a driver. A real, legally-licensed one. He's got a windscreen scraper and a little copy of the Highway Code and everything. However for quite a while it looked like he might never pass his driving test. Nerves, bad

preparation, strange instructors, some frankly baffling decision-making and even poor footwear selection all contributed to a litany of failures before he eventually succeeded in getting his licence. Fortunately, it turned out he made all of those mistakes so that you don't have to. This book summarises all of the tips and tricks Adam learned about learning to drive, so that you can go ahead and pass your driving test like a boss. Sometimes, it's best to learn from the worst.

Practical Driving Test Guide And Tips Josep Shortes, 2021-03-29 There are more than 45 million drivers on the roads in the UK, and counting - but to be part of the club you have to first get your driving licence. It's a special moment for any learner driver when the instructor turns to them and utters those momentous words: I think you're ready for the test. By then, you'll most likely have driven hundreds of miles and have hours of experience behind the wheel under your belt, but if the prospect of taking the driving test doesn't inspire a certain amount of anxiety or trepidation you're blessed with nerves of steel. In this book, find out: * the real truth about quotas * why hitting the kerb may not be the end * why spending hours learning one of the hardest techniques is a waste of time! * why some mirror check techniques can cause you to fail * when is 'too slow', too slow? * how to make roundabout decisions easy * why you should never give up * what is the best time to take your test? * manoeuvres, and how to make them easy! * how to ensure success on the Independent Drive * I've gone the wrong way! it's all over, isn't it? plus many more little known revelations.
