

This Is Hardcore

Nathan Nedorostek,Anthony Pappalardo

Pulp's This Is Hardcore Jane Savidge, 2024-03-07 This Is Hardcore is Pulp's cry for help. A giant, sprawling, flawed masterpiece of a record, the 1998 album manages to tackle some of the most inappropriate grown-up issues of the day – fame, ageing, mortality, drugs, and pornography – and still come out crying and laughing on the other side. The subject of pornography dominates the record – from its controversial artwork to the images conjured up by songs like *Seductive Barry* and the title track – after Pulp's main man, Jarvis Cocker – who'd spent most of his teenage and adult life chasing celebrity, only to be cruelly disappointed when it finally arrived in spades – hit upon the grand notion of using pornography as a metaphor for fame. The album's commercial failure as a follow-up to the band's Britpop-defining, *Different Class*, also symbolizes a death knell for Britpop itself. Dark, right? Except just like Pulp themselves, Jane Savidge's book is playful and sometimes very funny indeed. Kicking off with an imaginary conversation between Jarvis Cocker and the people who run the Total Fame Solutions helpline, Savidge expertly guides us through the trials and tribulations of an album that begins with the so-called Michael Jackson Incident, when Cocker got up on stage at the 1996 Brit Awards and waggled his fully-clothed bum at the King of Pop. *Pulp's This Is Hardcore* may be a sleazy run through porn and mental demise, and an album that chronicles Cocker's continuing disillusionment with his newfound lot in life, but Savidge's book assesses the cultural and historical context of the album with insider knowledge and a sharp modern lens, ultimately making a case for it as one of the most important albums of the 1990s.

Pulp's This Is Hardcore Jane Savidge, 2024-03-07 This Is Hardcore is Pulp's cry for help. A giant, sprawling, flawed masterpiece of a

record, the 1998 album manages to tackle some of the most inappropriate grown-up issues of the day – fame, ageing, mortality, drugs, and pornography – and still come out crying and laughing on the other side. The subject of pornography dominates the record – from its controversial artwork to the images conjured up by songs like *Seductive Barry* and the title track – after Pulp's main man, Jarvis Cocker – who'd spent most of his teenage and adult life chasing celebrity, only to be cruelly disappointed when it finally arrived in spades – hit upon the grand notion of using pornography as a metaphor for fame. The album's commercial failure as a follow-up to the band's Britpop-defining, *Different Class*, also symbolizes a death knell for Britpop itself. Dark, right? Except just like Pulp themselves, Jane Savidge's book is playful and sometimes very funny indeed. Kicking off with an imaginary conversation between Jarvis Cocker and the people who run the Total Fame Solutions helpline, Savidge expertly guides us through the trials and tribulations of an album that begins with the so-called Michael Jackson Incident, when Cocker got up on stage at the 1996 Brit Awards and waggled his fully-clothed bum at the King of Pop. Pulp's *This Is Hardcore* may be a sleazy run through porn and mental demise, and an album that chronicles Cocker's continuing disillusionment with his newfound lot in life, but Savidge's book assesses the cultural and historical context of the album with insider knowledge and a sharp modern lens, ultimately making a case for it as one of the most important albums of the 1990s.

Pulp's This Is Hardcore Scarlett Thomas, 2014-08-28 From the AllMusic Guide: This is the sound of someone losing the plot/you're gonna like it, but not a lot. So says Jarvis Cocker on *The Fear*, the opening track on *This Is Hardcore*, the ambitious follow-up to Pulp's breakthrough *Different Class*, thereby providing his own review for

the album. Cocker doesn't quite lose the plot on *This Is Hardcore*, but the ominous, claustrophobic *The Fear* makes it clear that this is a different band, one that no longer has anthems like *Common People* in mind. The shift in direction shouldn't come as a surprise Pulp was always an arty band but even the catchiest numbers are shrouded in darkness. *This Is Hardcore* is haunted by disappointments and fear by the realization that what you dreamed of may not be what you really wanted. Nowhere is this better heard than on *This Is Hardcore*, where drum loops, lounge piano, cinematic strings, and a sharp lyric create a frightening monument to weary decadence. It's the centerpiece of the album, and the best moments follow its tone. Some, like *The Fear*, *Seductive Barry*, and *Help the Aged*, wear their fear on their sleeves, some cloak it in Bowie-esque dance grooves (*Party Hard*) or in hushed, resigned tones (*Dishes*). A few others, such as the scathing *I'm a Man* or *A Little Soul*, have a similar vibe without being explicitly dark. Instead of delivering an entirely bleak album, Pulp raise the curtain somewhat on the last three songs, but the attempts at redemption *Sylvia*, *Glory Days*, *The Day After the Revolution* don't feel as natural as everything that precedes them. It's enough to keep the album from being a masterpiece, but it's hardly enough to prevent it from being an artistic triumph.

This is hardcore Samo Marec,

NYHC Tony Rettman, 2014 With a foreword by Freddy Cricien of Madball, who made his stage debut with Agnostic Front at age 7, NYHC slams the pavement with savage tales of larger-than-life characters and unlikely feats of willpower. The gripping and sometimes hilarious narrative is woven together like the fabric of New York itself from over 100 original interviews with members of the key bands of the era of New York Hardcore.

This is Hardcore Jane Savidge,2024 A unique insider/outsider's guide to the record that destroyed Britpop, written by Pulp's PR representative and one of the key instigators of the 90s Britpop movement--

Sellout Dan Ozzi,2021 From celebrated music writer Dan Ozzi comes a comprehensive chronicle of the punk music scene's evolution from the early nineties to the mid-aughts, following eleven bands as they dissolved, sold out, and rose to surprise stardom. From its inception, punk music has been identified by two factors: its proximity to authenticity, and its reliance on an antiestablishment ethos. Yet, in the mid- to late '90s, major record labels sought to capitalize on punk's rebellious undertones, leading to a schism in the scene: to accept the cash flow of the majors, or stick to indie cred? Sellout chronicles the evolution of the punk scene during this era, focusing on prominent bands as they experienced the last gold rush of the music industry. Within it, music writer Dan Ozzi follows the rise of successful bands like Green Day and Jimmy Eat World, as well as the implosion of groups like Jawbreaker and At the Drive-In, who buckled under the pressure of their striving labels. Featuring original interviews and personal stories from members of eleven of modern punk's most (in)famous bands, Sellout is the history of the evolution of the music industry, and a punk rock lover's guide to the chaotic darlings of the post-grunge era. --

Straight Edge Tony Rettman,2017-11-06 Starting in 1981 via Minor Threat's revolutionary call to arms, the clean and positive straight edge hardcore punk movement took hold and prospered during the 1980s, earning a position as one of the most durable yet chronically misunderstood music subcultures. Straight edge created its own sound and visual style, went on to embrace vegetarianism, and

later saw the rise of a militant fringe. As the don't drink, don't smoke message spread from Washington, D.C., to Boston, California, New York City, and, eventually, the world, adherents struggled to define the fundamental ideals and limits of what may be the ultimate youth movement. Tony Rettman traces the story of straight edge from adolescent origins to enduring counterculture via fresh first-hand accounts from the clear and alert members of Minor Threat, SS Decontrol, Youth of Today, DYS, Slapshot, Uniform Choice, 7 Seconds, Stalag 13, Justice League, Chain of Strength, No for an Answer, Insted, Gorilla Biscuits, Judge, Bold, Projec

Hard-Core Harley Flanagan, 2016-09-05 As a homeless child prodigy, Harley Flanagan played drums for bands at Max's Kansas City and CBGBs, and was taught to play bass by the famed black band Bad Brains, and drank with the notorious Lemmy of Motörhead. Most famously, Harley became a member of the famous hardcore band The Cro-Mags, and disputes accusations of stabbing two band members.

SPIN, 1998-05 From the concert stage to the dressing room, from the recording studio to the digital realm, SPIN surveys the modern musical landscape and the culture around it with authoritative reporting, provocative interviews, and a discerning critical ear. With dynamic photography, bold graphic design, and informed irreverence, the pages of SPIN pulsate with the energy of today's most innovative sounds. Whether covering what's new or what's next, SPIN is your monthly VIP pass to all that rocks.

Good Pop, Bad Pop Jarvis Cocker, 2022-05-26 'Terrific... Very funny' Guardian What if the things we keep hidden say more about us than those we put on display? THE SUNDAY TIMES
BESTSELLER We all have a random collection of the things that made us - photos, tickets, clothes, souvenirs, stuffed in a box, packed in

a suitcase, crammed into a drawer. When Jarvis Cocker starts clearing out his loft, he finds a jumble of objects that catalogue his story and ask him some awkward questions: Who do you think you are? Are clothes important? Why are there so many pairs of broken glasses up here? From a Gold Star polycotton shirt to a pack of Wrigley's Extra, from his teenage attempts to write songs to the Sexy Laughs Fantastic Dirty Joke Book, this is the hard evidence of Jarvis's unique life, Pulp, 20th century pop culture, the good times and the mistakes he'd rather forget. This is not a life story. It's a loft story. 'Brilliant...lurid, entertaining' Daily Telegraph 'It's real gold... its storytelling first class' Sunday Times * A Book of the Year in the Daily Telegraph, Financial Times, Daily Mail and Uncut *

The City Creative Michael H. Carriere, David Schalliol, 2021-04-18
Introduction : a brief history of the recent past -- The (near) death and life of postwar American cities : the roots of contemporary placemaking -- The roaring '90s -- Into the twenty-first century -- Growing place : toward a counterhistory of contemporary placemaking -- Producing place -- Creating place -- Conclusion : Placemaking is for people.

Radio Silence Nathan Nedorostek, Anthony Pappalardo, 2008 A singular document of the aesthetic of American Hardcore music and culture, this collection brings together unseen photographs, personal letters, original artwork, rare albums, 45s, T-shirts, fanzines and various ephemera from the hardcore scene circa 1978-1993. It includes more than 500 images and illustrations presented in a manner that abandons the aesthetic clichés normally used to depict the genre by letting the subject matter speak for itself. With contributions from such luminaries of the scene as Jeff Nelson of Minor Threat, Dave Smalley and Pat Dunbar.

Mutations Sam McPheeters,2020-02-11 How can so many people pledge allegiance to punk, something with no fixed identity? Depending on who and where you are, punk can be an outlet, excuse, lifestyle, escapism, conversation, community, ideology, sales category, social movement, punishable offense, badge of authenticity, reason to drink beer forever, or an aesthetic of belligerent incompetence. And if someone has a strong belief about what punk is, odds are they have even stronger feelings about what punk is not. Sam McPheeters championed many different versions. Over the course of two decades, he fronted Born Against, released dozens of records and fanzines, and toured seventeen times across the northern hemisphere. In this collection of essays, profiles, criticism, and personal history, he examines the diverse realms he intersected--New York hardcore, Riot Grrrl, Gilman street, the hidden enclaves of Olympia, and New England, and downtown Los Angeles--and the forces of mental illness and creative inspiration that drove him, and others, in the first place.

Hardcore Zen Brad Warner,2005-06-10 This is not your typical Zen book. Brad Warner, a young punk who grew up to be a Zen master, spares no one. This bold new approach to the Why? of Zen Buddhism is as strongly grounded in the tradition of Zen as it is utterly revolutionary. Warner's voice is hilarious, and he calls on the wisdom of everyone from punk and pop culture icons to the Buddha himself to make sure his points come through loud and clear. As it prods readers to question everything, Hardcore Zen is both an approach and a departure, leaving behind the soft and lyrical for the gritty and stark perspective of a new generation. The subtitle says it all: there has never been a book like this.

Sober Living for the Revolution Gabriel Kuhn,2010-07
Examining the multigenerational impact of punk rock music, this

international survey of the political-punk straight edge movement - which has persisted as a drug-free, hardcore subculture for more than 25 years - traces its history from 1980s Washington, DC, to today. Asserting that drugs are not necessarily rebellious and that not all rebels do...

Pop Music and Easy Listening Stan Hawkins, 2017-07-05 What defines pop music? Why do we consider some styles as easier listening than others? Arranged in three parts: Aesthetics and Authenticity - Groove, Sampling and Industry - Subjectivity, Ethnicity and Politics, this collection of essays by a group of international scholars deals with these questions in diverse ways. This volume prepares the reader for the debates around pop's intricate historical, aesthetic and cultural roots. The intellectual perspectives on offer present the interdisciplinary aspects of studying music and, spanning more than twenty-five years, these essays form a snapshot of some of the authorial voices that have shaped the specific subject matter of pop criticism within the broader field of popular music studies. A common thread running through these essays is the topic of interpretation and its relation to conceptions of musicality, subjectivity and aesthetics. The principle aim of this collection is to demonstrate that pop music needs to be evaluated on its own terms within the cultural contexts that make it meaningful.

City of Sheffield ,

Touch and Go Tesco Vee, Dave Stimson, 2010 Cumulates all 22 issues of the Lansing, Michigan punk fanzine, Touch and Go, originally published from 1979-1983. Also included is Tesco Vee's first one-shot fanzine, 999 Times.

Hardcore California Peter Belsito, Bob Davis, 1983 Generally acknowledged as the best study - both written and photographed - of

the California hardcore scene. Album cover graphics in colour, hundreds of photos of bands and good text. Over 600 bands mentioned.

technology, science, history, and much more. One notable platform where you can explore and download free This Is Hardcore PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability

of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be

stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time

and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and

innovation in various fields. It is worth noting that while accessing free This Is Hardcore PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources

available. In conclusion, the availability of This Is Hardcore free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge

today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.
