S.C. Stephens

Thoughtless S.C. Stephens, 2012-09-21 For almost two years now, Kiera's boyfriend, Denny, has been everything she's ever wanted: loving, tender, and endlessly devoted to her. When they head off to a new city to start their lives together, Denny at his dream job and Kiera at a top-notch university, everything seems perfect. Then an unforeseen obligation forces the happy couple apart. Feeling lonely, confused, and in need of comfort, Kiera turns to an unexpected source - a local rock star named Kellan Kyle. At first, he's purely a friend that she can lean on, but as her loneliness grows, so does their relationship. And then one night everything changes . . . and one thing's for sure - nothing will ever be the same.

**Reckless** S.C. Stephens, 2013-03-05 The #1 New York Times bestselling book from new adult phenomenon S.C. Stephens—even a rock star's life isn't always perfect. Can love survive when life gets Reckless? When the band hits it big, Kiera and Kellan must ask themselves: Can their love for each other withstand the constant pressures of superstardom? The friendships they've formed, the new family they've found, and the history they've forged will all play a part in helping them navigate the turbulent waters of the band's exploding popularity. A greedy executive hell-bent on success, a declining pop star looking for an edge, and a media circus that twists lies into truths are just some of the obstacles the lovers will have to overcome if they are going to remain together. Fame comes with a price—but will it cost Kiera and Kellan

everything?

Thoughtless Acts? Jane Fulton Suri, IDEO, 2005-03-03 A look at how people intuitively adapt, exploit and react to things in their environment. Some of these actions are instinctive, others are the product of habit or social learning. 'Thoughtless Acts?' is design firm IDEO's introduction to observation-based practice: the way design can be inspired by such everyday interactions with the world.

Thoughtless: Think Less, Be More William Sharkey, 2014-05 We as humans experience much stress and suffering, yet we aren't really sure why this is so. We guess that our stress and suffering comes from a lack of money, security, loving relationships, a difficult childhood, lack of religious faith, because we suffer from depression or some other sort of chemical deficiency in the brain or a variety of other reasons. But there is another explanation. We suffer because we think too much. We have stress because we are too attached to our thought. Thoughtless will show you why thoughts are the reason behind the stress and suffering that is common to almost all humans and how to do something about it, how to end it. William illustrates how it is possible to allow joy and inner peace to fill your experience of life, by becoming thoughtless.

**Effortless** S.C. Stephens, 2013-01-08 Having devastatingly betrayed her first love by falling for his best friend, Kiera finds herself in a relationship built on very rocky foundations. Kiera and Kellan destroyed the trust of a

loved one, so how are they to trust each other? Kellan is soaring towards stardom and an ever-growing female fan base. Can Kiera trust her charismatic, sexy man to stay true when he is so far from home? When Kiera's love is put to the ultimate test, will it survive? Love is easy ... but trust is hard.-- Back cover.

**Thoughtful** S. C. Stephens, 2015-02-24 In *Thoughtless*, Kiera told her story. Now it's time to hear from the sexy rock star who captivated us all . . . **THOUGHTFUL** The only place Kellan Kyle has ever felt at home is onstage. Gripping his guitar in a darkened bar, he can forget his painful past. These days his life revolves around three things: music, his bandmates, and hot hookups. Until one woman changes everything . . . Kiera is the kind of girl Kellan has no business wanting-smart, sweet, and dating his best friend. Certain he could never be worthy of her love, he hides his growing attraction . . . until Kiera's own tormented heart hints that his feelings might not be one-sided. Now, no matter the consequences, Kellan is sure of one thing-he won't let Kiera go without a fight.

**Untamed** S C Stephens, 2015-11-03 The spotlight doesn't only shine. Sometimes, it burns. Being the bad-boy bassist for the world's hottest band has earned Griffin Hancock some perks: a big house, a fast car, and most importantly his incredible wife, Anna. The one thing it hasn't brought him is the spotlight. Anna tells him to be patient, but he's tired of waiting. Griffin is no longer waiting for permission to shine. Without warning,

Griffin makes a shocking decision and takes the gamble of a lifetime. Suddenly he's caught up in a new level of lights, cameras, and chaos. One that pushes his relationship with Anna to its limits. Just as the recognition Griffin seeks is finally within reach, the thing he loves most in life could be slipping through his fingers . . .

The History of Miss Betsy Thoughtless Eliza Haywood, 1998-05-25 Prolific even by eighteenth-century standards, Eliza Haywood was the author of more than eighty titles, including short fiction, novels, periodicals, plays, poetry, and a political pamphlet for which she was briefly jailed. From her early successes (most notably *Love in Excess*) to later novels such as *Betsy Thoughtless* (her best known work) she remained widely read, yet sneered at as a 'stupid, infamous, scribbling woman' by the likes of Swift and Pope. *Betsy Thoughtless* is the story of the slow metamorphosis of the heroine from thoughtless coquette to thoughtful wife. Ironically, the most decisive moment in this development may be when Betsy decides to leave her emotionally abusive and financially punishing husband; it is only after experiencing independence that she returns to her marriage and to what becomes her husband's deathbed. *Betsy Thoughtless* may be the first real novel of female development in English. In this edition the text is accompanied by appendices, including writings from the period that shed light on Haywood's life and work, and on her relationship with contemporaries such as Henry Fielding.

**The Thoughtless Design of Everyday Things** Karl Eugene Wiegers, 2021 Have you ever noticed how many products appear to be designed by someone who has never used a product of that kind before? Nearly everyone has encountered websites, software apps, cars, appliances, and other products that made them wonder what the designers were thinking. *The Thoughtless Design of Everyday Things* presents more than 160 examples of products that violate nine fundamental design principles, along with suggestions for improving many of the flawed user interfaces and other design problems. These examples of thoughtless design reveal 70 specific lessons that designers ought to heed as they craft the user experience. This book describes numerous specific practices for enhancing product usability through usage-centered design strategies. You'll also see nearly 50 products that exhibit particularly thoughtful designs, the kinds of products that surprise and delight users. Whether you're a designer, a product development manager, or a thoughtful and curious consumer, you'll find *The Thoughtless Design of Everyday Things* engaging, informative, and insightful--
