The Easter Monday Baseball Game Tim Peeler, 2013-04-06 The fifty-eight year Easter Monday baseball rivalry between North Carolina State University and Wake Forest University had a traditional fraternity celebration known as the PIKA Ball, held on the N.C. State campus, that followed it on Monday evening. Told from the viewpoint of sports journalists, players, fans, and PIKA members, the narrative reveals the excitement and developing strategies as the contest traverses several baseball eras. At the height of its popularity, the game drew astonishingly large crowds of spectators, many of whom were absentee government workers, providing the impetus for the North Carolina State Legislature to declare Easter Monday to be a state holiday.

Tigers' Top Tens 1926-2015: Teamwork Dr John Davis,

Yea, Alabama! The Uncensored Journal of the University of Alabama (Volume 3 - 1901 through 1926) David M. Battles, 2019-06-20 The University of Alabama (UA) is one of the most prominent universities in the US. Volume One of this series explored UA's birth, formative years, its burning by Union soldiers, and its rebirth in 1871. Volume Two noted the adolescent years of the school, rebellion by the students against the military system of government, the rise of a student culture via the admission of women, and a nascent men's sports program. This third volume explores rising enrollment and a new style of student governance. The book investigates how UA dealt with student smoking, cursing, and hazing. It covers how UA became nationally respected academically, the rise of a successful sports program, the first use of the phrase "Crimson Tide," the history of the Million Dollar Band and how "Yea, Alabama" became the school fight song, the UA/Auburn rift, and the UA response to WWI and to the women's rights movement.

Days of the Tigers 1926-2015 Dr John Davis,

At Easter Road They Play, Volume 1 John Campbell,2013-04-04 First in a new trilogy about Scotland's storied Hibernian Football Club—from the on-the-pitch exploits of the Famous Five to the rise of Joe Baker. Since 1875 Hibernian Football Club has been an integral part of sporting life in the City of Edinburgh and Port of Leith; its early history up to 1946 has been brilliantly documented in The Making of Hibernian trilogy by Alan Lugton. John Campbell's At Easter Road They Play is the first part of a new trilogy that brings the history up to date, picking up the story from 1946 and covering what was the most successful part of the club's history when Hibernian won three Championship titles and became the first British club to play in the European Cup, reaching the semifinal. Packed with anecdotal tales of the times, it gives a fascinating insight into life at the club when the Famous Five were in their heyday right through to the mid-sixties when a young lad by the name of Joe Baker burst onto the scene. A game-by-game, goal-by-goal account of the many highs and numerous lows, At Easter Road They Play takes the reader on a fantastic journey back to the days when massive crowds flocked to Easter Road to see Hibernian play. For any Hibs fan that lived through those heady days this book will bring back to life a host of happy memories whilst at the same time allowing those fans who were perhaps too young or not even born at the time to see just how different football was back then when compared to the modern-day game. "A thoroughly enjoyable read." -Lawrie Reilly
