Scott Boyter

The Ticket Scott Boyter,2009-06-02 Beyond the inside jokes, the fake bits and the banter, The Ticket: Full Disclosure gives you the complete low-down on how The Ticket got started. From the boys at the back of the bus to one of the most imitated sports talk radio stations on the air today, get the full story as told by the guys you tune in to hear on 1310 AM every day. On the occasion of The Ticket's 15th anniversary, Ticketheads finally have a book revealing all the history and behind-the-scenes hijinks of the Marconi-winning radio station. The ultimate bathroom book for every good, strong P1, this is the true, unvarnished Ticket story of how Mike Rhyner and the gang evolved from press-box yuk monkeys to forming the core of one of the nation's most popular radio stations.

Team Sports Marketing Kirk Wakeland,2007-02-07 Some might argue that sports marketing is a mere subfield of marketing, meaning that there are theoretical and practical dimensions that apply only to sports marketing and are only of interest to those involved in sports. In Team Sports Marketing, author Kirk Wakefield dispels this argument by demonstrating that effective sports marketing epitomizes the science and art of marketing across any context. At the core of sports marketing is the creation and enhancement of fan identification, where consumers are not just loyal customers, but have become brand fanatics. Team Sports Marketing shows that while many aspects of sports marketing are thought to be unique to the field, other product and service sectors would do well to learn from teams in the NFL, NBA, MLB, and NHL that have transformed customers into fans. Moving beyond principles of marketing, Team Sports Marketing is packed with examples of best practices and covering subjects as diverse as sponsorships, season ticket sales, venue management and all topics in between. Team Sports Marketing is a must read text for students and managers in professional and collegiate sports. Support materials for professors and students are available at www.teamsportsmarketing.com.

Sports-talk Radio in America ,2006 Sports-Talk Radio in America looks at major-, medium-, and small-market stations across the United States that feature an all-sports format, with a focus on the unique personalities and programming strategies that make each station successful. Broadcasters, journalists, and academics provide insight on how and why this media phenomenon has become an important influence of American culture, examining the guy talk broadcasting approach, the traditional sports-emphasis approach, HS0s (hot sports opinions), localism in broadcasting, how sports talk radio builds communities of listeners, and how reckless, on-air comments can actually build ratings.
