The Adventures of Puss in Boots, Jr: Book 1

David Cory, 2013-02-27 To know Puss, Junior once is to love him forever! That's the way everyone feels about this adventurous cat who is the son of a very famous father, Puss in Boots. In the Puss in Boots, Jr series of ten books written by David Cory and originally published in 1917-1922, Puss, Junior discovers that he is the son of the illustrious Puss in Boots and he begins a journey across New Mother Goose Land to find his famous father. Along the way, Puss Junior meets characters from children's fiction and nursery rhymes, helps the weak and downtrodden, and learns something about life from everyone he meets. In Books 1 and 2, Puss searches for and finds his father. Books 3 through 10 tell of more adventures afterward and some adventures that were left out of the first two books. In Book 1, Puss discovers his identity and meets Yankee Doodle Dandy, the Queen of Hearts, Mother Goose, Old King Cole, and many other characters. He joins a circus, climbs Jack's beanstalk, and attends a wedding. The original illustrations by Elizabeth Jones Babcock are included in the stories. Nine of these have been enlarged and printed in the back of the book as coloring pages for crayon or colored pencil. Adults using colored pencils can create vintage-looking pictures. The Puss in Boots, Jr books are

lovely reminders that simple words can awaken the imaginations of children and adults alike, just as they did one hundred years ago. The original stories have been very slightly edited to change archaic words and references. Reading level is second grade but much younger children will enjoy hearing the stories read to them.
