*Clean My Space* Melissa Maker,2017-03-07 The wildly popular YouTube star behind CLEAN MY SPACE presents the breakthrough solution to cleaning better with less effort Melissa Maker is beloved by fans all over the world for her completely re-engineered approach to cleaning. As the dynamic new authority on home and living, Melissa knows that to invest any of our precious time in cleaning, we need to see big, long-lasting results. So, she developed her method to help us get the most out of our effort and keep our homes fresh and welcoming every day. In her long-awaited debut book, she shares her revolutionary 3-step solution: • Identify the most important areas (MIAs) in your home that need attention • Select the proper products, tools, and techniques (PTT) for the job • Implement these new cleaning routines so that they stick Clean My Space takes the chore out of cleaning with Melissa’s incredible tips and cleaning hacks (the power of pretreating!), her lightning fast 5–10 minute “express clean” routines for every room when time is tightest, and her techniques for cleaning even the most daunting places and spaces. And a big bonus: Melissa gives guidance on the best non-toxic, eco-conscious cleaning products and offers natural cleaning solution recipes you can make at home using essential oils to soothe and refresh. With Melissa’s simple, groundbreaking method you can truly live in a cleaner, more cheerful, and calming home all the time.

**Coconuts & Kettlebells** Noelle Tarr,Stefani Ruper,2018-08-07 Achieve lasting health—without cutting calories or following dieting “rules”! Instead of obsessing about the quantity of food you eat, shift your focus to the quality, say Noelle Tarr and Stefani Ruper. The popular hosts of the Well-Fed Women podcast want you to make sure you’re getting enough food so that your body has the fuel and nourishment it needs to support a healthy, long, and energetic life. Noelle and Stefani know firsthand about the ups and downs of dieting. Like many people, they have struggled with confusing and frustrating health issues such as anxiety, infertility, and hormonal imbalance—but when they discovered that the secret to improving wellness was actually more food, they ditched the calorie counters and gave their bodies the nourishment they needed to heal. In the Coconuts and Kettlebells program, you’ll eat at least 2,000 calories a day—setting a minimum intake of fat, protein, and carbohydrates to ensure that your diet is full of nutrients. Noelle and Stefani identify the Big Four foods that cause the most health problems—grains, dairy, vegetable oils, and refined sugar. While many diets require you to eliminate these foods entirely, Coconuts and Kettlebells provides an easy-to-follow step-by-step system to test these foods and determine which you need to cut back on to feel better—and which you can eat without restrictions. To help you discover how your body responds to the Big Four, you’ll choose from two simple 4-week meal plans: one for Butter Lovers, people who tend to feel more satisfied eating higher ratios of fats, and one for Bread Lovers, people who tend to feel more satisfied eating higher ratios of carbs. Each meal plan comes with weekly shopping lists and instructions on how to batch cook, meal prep, and stock the pantry. In addition, you get more than 75 simple and delicious real food recipes, including: • Kale and Bacon Breakfast Skillet • Raspberry-Coconut Smoothie Bowl • Thai Coconut Curry Shrimp • Apple-Chicken Skillet • Moroccan Lamb Meatballs • Grilled Balsamic Flank Steak • Chocolate-Cherry Energy Bites • Lemon-Raspberry Mini Cheesecakes To go along with the meal plans, you’ll find three 4-week fitness plans tailored to beginner, intermediate, and advanced experience levels. Best of all, the workouts can be done anywhere—at your home or on the road—and take no more than 30 minutes each. A comprehensive whole-body program, Coconuts and Kettlebells provides the knowledge and tools you need to be healthy inside and out.

Origins of the Welfare State V4 Nicholas Deakin,2021-12-17 First published in 2004. Consisting of both shorter pieces and reprints of entire books, this set restores to circulation a number of key texts from the debate about the future of welfare that took place in Britain following the depression. The collection covers the following areas: The period during which the country felt the full impact of the world depression. A number of solutions were put forward during this time to address the arising issues - in particular the consequences of mass unemployment. The approaches ranged from orthodox Marxism to modified conservatism and middle opinion A key feature of the debate was the concept of planning as a device to enable governments to cope with economic and social problems. \* A range of different ideas were widely canvassed during the war years. It was considered that successful conduct of war could then be applied to the problems of peace. This set resurrects certain proposals, influential in the climate of the times, which have subsequently dropped out of circulation Early assessments dealing with the implications of Welfare State legislation are also included. Although the implementation of the welfare programme was in effect a bipartisan process it did not take long for doubts to be expressed - some of which were directed at the principles on which the Welfare State was being constructed. Volume 4 includes ‘Our towns / the Women’s Group on Public Welfare’ and, ‘When we build again’.
