**Esera Tuaolo**

*Out of Position* Kyell Gold,2010-12-01 Dev is a football player at Forester University, a small liberal arts college where he and his teammates get to strut around and have their pick of the girls on Friday nights. That's as good as it gets-until he meets Lee, a fox with a quick wit and an attractive body.Problem is, Lee's not a girl. He's a gay fox, an activist who never dreamed he'd fall for a football player. As their attraction deepens into romance, it's hard enough for them to handle each other, let alone their inquisitive friends, family, and co-workers. And if school is bad, the hyper- masculine world of professional sports that awaits Dev after graduation will be a hundred times worse.Going it alone would make everything easier. If only they could stop fighting long enough to break up.

Tackling the Tight End Tara Lain,2016 Dennis meets Raven Nez, the gay Native American tight end, and Raven blows all Dennis's ideas of life and love out of the water.

Alone in the Trenches Esera Tuaolo,2007-06-01 This is Esera Tuaolo's own searing story of terror and hope. A Samoan raised on a Hawaiian banana plantation, he had a natural talent, football. He went on to play for five NFL teams: the Green Bay Packers, the Minnesota Vikings, the Jacksonville Jaguars, the Carolina Panthers, and the Atlanta Falcons in the 1999 Super Bowl. But for the nine years he played professional football he lived in terror that when his face flashed upon the TV screen, someone would divulge his darkest secret. Esera Tuaolo is gay. *Alone in the Trenches* takes you inside the homophobic world of professional football and describes fears that almost drove him to suicide. He evokes heartbreak--how his older brother, Tua, died of AIDS--and hope when, Esera, a deeply devout Christian fell in love and started a family. Tuaolo emerges in these pages as a complex, intellectually curious and fascinating individual defined neither by his choice of career nor by his sexual orientation. --Booklist Tough, tender and brutally honest. --Robert Lipsyte, former New York Times sports columnist Even I was not prepared for his amazing life story. --Billy Bean, author of *Going the Other Way*

*Divisions* Kyell Gold,2013-07-01 It's been over a month since Devlin Miski came out publicly, and no other professional athlete has followed suit. Dev just wants to put it all behind him and play football, helping his Chevali Firebirds win their first-ever division title. If only his teammates--and everyone else--could just let it go, he'd be fine. But there's one teammate in particular who seems determined to make his life difficult... And for his boyfriend Lee, the past is never laid to rest. If it isn't his parents' troubled marriage, it's an old friend pulling him back into gay rights activism. Lee could make a splash by getting Dev to promote gay rights, but he knows it would distract Dev from football. So he has to balance the pressures of the outside world against the needs of his relationship, and even for a clever fox, that's a tall order. In this third volume of Dev and Lee's story, the tiger and fox continue to explore their relationship. Personalities clash and dreams are on the line as Dev and Lee navigate their very public lives and try to stay true to themselves.

**Staging Gay Lives** John M Clum,2018-05-04 A collection of ten contemporary plays, by writers who reflect a range of cultural origins, about male homosexuality.

*Tight End* Devon McCormack,2016-10-12 Out and proud NFL star tight end Tad Roarke has success, money, and fame. Just about everything. Except a good reputation. After being outed by the media as a promiscuous cheat, sponsors are dropping him left and right. To make matters worse, he's been targeted as the next victim of an anti-gay celebrity serial killer.

*Out of the Pocket* Bill Konigsberg,2008 As Bobby Framingham, quarterback of his high school football team, finally acknowledges to himself that he is gay, events start to spin out of control when his sexual orientation is revealed in the student newspaper and then in the local press, and he learns

that his father has cancer.

**The Blood and Guts** Tyler Dunne,2022-10-18 The definitive guide to the real men of the gridiron: NFL tight ends. There is no profession in sports like the NFL tight end. None. You must mash 320-pound defensive ends in the run game. You must twist your torso at impossible angles to make acrobatic catches downfield in the pass game. You must have a certain element of crazy to you, too. The tight end is a blend of brain and brawn and bruises...so many bruises. **BLOOD AND GUTS** tracks the fascinating rise of this position one tight end at a time, from Mike Ditka and John Mackey in the '60s to Rob Gronkowski today. As much as football has changed over the years, there has always been one glorious constant: the tight end. None of this is by accident, either. There's a reason all of these players were magnetically drawn to the position. In **BLOOD AND GUTS**, Tyler Dunne interviews the greatest tight ends ever, whose stories reveal why they were uniquely qualified to serve as the blood and the guts of football—the players keeping this sport alive and well. There's a reason Mike Ditka epitomized true toughness in pro football through the 1960s. Ben Coates, the son of a World War II vet, put an entire childhood spent building roofs to use by smashing defenders in the open field. Tony Gonzalez matured from a kid terrified of bullies to an absolute beast terrifying defensive backs. His entire life, Jeremy Shockey has been hellbent on sticking it to anyone who doubts him. And from afar, a young "Gronk" idolized Shockey and took his approach to a whole new level. Here, great American tight ends share countless harrowing, never-before-told stories. One moment, a tight end (Gonzalez) nearly socks a coach in the eye. The next, a tight end (Shockey) is breaking the orbital bone of someone in a bar fight. There's no one in sports like them. **BLOOD AND GUTS** brings them to life.

**Super Bowl Smut** Lori Perkins,2016-02-05 Editor Lori Perkins delivers her erotic homage to Super Bowl Sunday in this collection of stories that celebrates too much beer and booze, food that's bad for you, and that glorious pageant of beautiful, well-toned man-ass on big screen TV. This anthology features sexy stories of all kinds — gay, straight and bi — in all combinations including threesomes (and a foursome) of all kinds by some of Riverdale Avenue Books' favorite authors, including Ryan Field, Jon Jockel, T. Hitman and first time author Dulce DeVine. So, grab a beer, some chips, and enjoy!

*Coming Out to Play* Robbie Rogers,Eric Marcus,2014-11-25 A fascinating account of what it's like to be gay in the famously closeted football environment.

**Uncovered** Kyell Gold,2014-07 The playoffs are here, and Dev Miski's life has never been busier. If the Chevali Firebirds want to win their first championship, he'll need to play the best football of his life. But, as the only gay professional football player, he's beset by distracting demands for commercials and interviews. The number one distraction, though, is his boyfriend Lee. After the fox's mother joins a religious anti-gay group, Lee turns back to the gay activism of his college days. He pushes Dev to use his celebrity to reach out to gay youth, but only succeeds in starting bigger arguments. When their relationship faces its most difficult test, will their love for each other triumph? This is the fourth volume of Dev and Lee's story which began in *Out of Position* and continued in *Isolation Play* and *Divisions*. The playoffs will bring the football season to an end one way or another. What will it mean for their future together?

Isolation Play Kyell Gold, Blotch, 2011 Devlin Miski thought coming out on national TV would be the hardest part about being a gay football player. But it's when his press conference is over that the trouble really starts. The athletic tiger and his boyfriend Lee, a fox with a tongue as quick as his wit, still won't get many breaks in their fight for understanding. They'll need to deal with a stubborn reporter determined to get a story any way he can, furious parents, and hostile teammates-not to mention each other. All's fair in love and war-and this is both. Isolation Play is the eagerly awaited sequel to the best-selling novel Out of Position and picks up Dev and Lee's story about five minutes after the end of the first book. **Latter-Gay Saints** Gerald S. Argetsinger, Jeff Laver, Johnny Townsend, 2013 Latter-Gay Saints brings together twenty-five exemplary short works depicting a variety of perspectives of what it means to be both Mormon and queer. Some portray characters determined to reconcile their sexuality with the Mormon faith in accordance with its constantly evolving teachings and policies. The majority present the realities of queer Mormons who have come to terms with their sexuality in a variety of alternative ways. Others are written from outside the Mormon community, commenting on often strange encounters with Mormons who are gay. These stories are also of value for the broader GLBT community revealing similarities that people of faith, regardless of which faith, face in attempting to negotiate their religious heritage with their homosexuality. Some in the GLBT community find a way, while others do not, leaving their faith or having it ripped from them. They are all individuals searching for answers to life's puzzles.

But the strings get tangled when a few weeks later Zach finds himself inadvertently adopting a baby fathered by Taylor - who was never told about the baby. Afraid to trust another man too quickly after his previous boyfriend became abusive, Zach is reluctant to open up completely and tell Taylor about the baby. But when Taylor finds out anyway, he's devastated that Zach would hide something like that from him. Can the two men overcome their pasts and come together to give baby Ethan the family both men secretly desire? Playing for Keeps is a steamy, stand-alone, gay for you novel with no cheating, no cliffhanger and a HEA ending.
