Tiki Road Trip James Teitelbaum,2007-05-28 The 2nd edition of Tiki Road Trip has been completely updated, expanded, and globalized. The best—and only—guide to Polynesian pop culture, written by Tiki expert and urban archaeologist James Teitelbaum, now contains even more listings and reviews of Tiki bars and Polynesian restaurants, even more photographs, and even more drink recipes. The International listings have been expanded as well, and the Hawaiian glossary is much more comprehensive. All in all, the second edition of Tiki Road Trip is a superior refinement of what was already an indispensable book for followers of the ever-growing Tiki movement. From Tiki godfathers Don the Beachcomber and Trader Vic to classic Exotica favorites Martin Denny and Les Baxter to contemporary Tiki artists Shag and Bosko, this resource covers everything Tiki in prose that is witty, entertaining, and essential for anyone who has ever stepped up to a bar, glanced up at the pufferfish hanging from the ceiling, and ordered a Singapore Sling. In addition to the exhaustive listings, recipes for classic Tiki cocktails, a glossary of Tiki terms, and resources for buying Tiki goods and artifacts are also included. Reminiscences of famous points of interest that have closed are provided for the completist, for historical perspective, and for those seeking information on the current status of a favorite Tiki site which may have closed. So slip on your grass skirt or Aloha shirt, because Tiki Road Trip is going to take you on a tour of the Tiki universe that will make waves from the shores of Rapa Nui to the beaches of Oahu!

The Kings of Swing Craig Urquhart,2013-09-01 The Kings of Swing is the intimate and extraordinary story of those South African golfers who have won numerous Major championships – more than any other nation outside of the United States. Their victories were achieved despite decades of sporting isolation and, during the post-apartheid era, in the shadow of possibly the greatest athlete of all time. This is a story of plane, train and car crashes, psychosurgery, a lightning strike, a broken beer bottle, a misplaced marker, a beautiful autistic boy and a scandal that ensnared the country’s most famous sportsman and led to the resignation of a prime minister. It is a story of the power of the mind and the power of the body in this, the most fickle of all sports. It is a story of dramatic highs and lows, of desperate poverty and fabulous wealth. It is a rare glimpse into the extraordinary lives of South Africa’s top golfers ...

Oddball Florida Jerome Pohlen,2003-11-01 This entertaining guide directs travelers to the off-the-wall and offbeat destinations in Florida, home of gator wrestlers, school bus demolition derbies, Hemingway wannabes, the Fountain of Youth, the Nudist Hall of Fame, and a utopian community based on the premise that the earth is not round, but concave. Additional oddball attractions include a graveyard for roosters, the world's largest strawberry, the world's smallest police station, and museums dedicated to seashells, hamburgers, oranges, teddy bears, sponges, air conditioning, and one very old petrified cat. Documenting local oddities and forgotten history, this travel guide covers Florida in six regions with maps and detailed directions for each site as well as phone numbers, hours, web sites, and various photographs.

The Other Orlando Kelly Monaghan,2004 This fully revised and updated editions reviews nearly 200 other attractions, from family theme parks like SeaWorld to sports, the arts, dinner attractions, Kennedy Space Center, roadside attractions, zoos, gardens, and the great outdoors.

Finnish Video Games Juho Kuorikoski,2015-05-11 In the past three decades Finland’s video game industry has become the backbone of Finnish cultural export. Angry Birds and Clash of Clans are dominating sales around the world and the small Nordic nation has become a gaming superpower. Drawing on more than 60 interviews, this book covers the Finnish video game phenomenon as told by the people behind its success. The

history of the industry is documented in detail for the first time. Two hundred game reviews are included, presenting the best (and worst) of commercial video games made in Finland.
