How's Everything? the Ultimate Guide for All Waiters and Waitresses Who Want to Dramatically Increase Their Tips Peter Stokes,2006-07-21 How's Everything? Have you ever wondered why, as a waiter or waitress, you always ask the question How's everything? after serving meals to your customers? The How's everything? question is asked virtually every time an entree is served. So much so that diners tend to ignore it as a serious enquiry. 95% of the times you ask the question it's immediately closed by your diner who responds with Fine a mean-nothing, one-syllable word and you walk away. This scenario is a crucial lost opportunity for increasing your tip every single time you ask the question. By saying How's everything? to your diners, you are sabotaging all your previous good efforts to obtain a generous tip from your very first meeting with them. Why not use this occasion to enhance your chances of a satisfying gratuity, not reduce them? Follow the strategies, outlined in this book and you will increase your tips dramatically, at no cost to you. It will take only a little extra thought. Accept my challenge to eliminate the How's everything? question from your work style and you will immediately realize an increase in income, not to mention an increase in job fulfillment. Now that's a deal! As for your diners? Don't worry. They will quite happily increase your gratuities provided, of course, they receive the type of superlative customer service that will make their dining experience much more enjoyable.

The Bitchy Waiter Darron Cardosa,2016-07-05 Hilarious tales from the trenches of food service from the popular blog—perfect for fans of David Sedaris, Anthony Bourdain, Erma Bombeck and Mo Rocca. For all those disenchanted current and former food service employees, Darron Cardosa (a.k.a. The Bitchy Waiter) has your back. Based on his popular blog, this riotous book is full of waitstaff horror stories—plus heartwarming tales—from three decades in the industry. Cardosa knows you want your beer cold ("You want a cold beer? Thank you for clarifying so I didn't bring you the one that just came out of the oven"). And while he may hate children ("I know the kid at Table Eight is trouble the moment he rolls into the restaurant in his fancy stroller"), he will at least consider owning up to his mistakes: "Do I take the steak from the floor, citing the "three-second rule," and put it in the to-go box and carry it back to the woman?" From crazy customers to out-of-control egos, these acerbic tales offer a hilarious glimpse into what really goes on in that fancy restaurant—and inside the mind of a server. Praise for The Bitchy Waiter "Cardosa does for wait staff what Anthony Bourdain did for kitchens: he exposes the ugly side of food service from the perspective of those working on the front lines. And he puts the potential restaurant customer on notice that someone is watching and recording their bad behavior." —Shelf Awareness
