Arthur James Wells

Albania Gillian Gloyer,2012 Albania's unspoilt mountain scenery, cultural sites and beaches mean it is becoming increasingly popular with a growing number of UK travellers. This affectionate guide to Albania covers the length and breadth of the country, discovering remote villages and out-of-the-way towns such as Peshkopia and Erseka. Visitors will find detailed information on wildlife, national parks, hiking routes, and beaches. For those interested in the culture and history, there is more on the main archaeological sites at Butrint and Byllis and Byzantine art, together with biographical vignettes of individuals who have figured in the country's history. 2012 marks the centenary of Albania's independence from the Ottoman Empire and there are likely to be many celebratory events across the country.

Tirana Modern Matthew Rosen,2022-08-31 Guided by the thesis that literature can transform social reality, Tirana Modern draws on ethnographic and historical material to examine the public culture of reading in modern Albania. As its starting point, this book asks: How has Albanian literature and literary translation shaped social action during the longue durée of Albanian modernity? Drawing on material collected through fieldwork with a community of readers, writers, and translators attached to the independent Albanian publisher Pika pa sipërfaqe (Point without Surface), Tirana Modern provides a tightly focused ethnography of literary culture in Albania that brings into relief the more general dialectic between social imagination and social reality as mediated by reading and literature.

Leaders in Philosophy of Education Leonard J. Waks,2014-11-26 In the late 1950s plans were initiated to bring a higher level of professionalism to the training of educational professionals. New projects included introducing contemporary scholarship from the humanities and social sciences into

colleges of education to revitalize the education knowledge base. In North America and the United Kingdom, analytical philosophers were recruited to inaugurate a 'new philosophy of education.' Analytical philosophy of education soon spread throughout the English speaking world. By the 1980s this analytical impulse had largely subsided. Philosophers trained in analytical philosophy and their students turned to more ambitious normative pursuits related to problems of social justice and democracy. Meanwhile, feminist philosophers opened up new issues regarding the education of women and the nature of teaching and knowing, and a new wave of pragmatist philosophers turned to issues of educational policy. By the 1990s Anglo-American philosophers of education welcomed a dialogue with counterparts in Western Europe, and the field responded to established trends in European philosophy ranging from critical theory and phenomenology to post-structuralism. New leaders emerged in philosophy of education representing all of these various strands. This volume documents the emergence of contemporary philosophy of education as seen by those spearheading these trends.

New via ferratas - climbing routes - in the country's north and west appeal to the adventurous set, while newly restored archaeological sites offer a haven for history buffs as well. This third edition contains a wealth of new tour operators and fully updated maps to key cities and regions that make it easier than ever to explore Europe's youngest country. Ringed by high mountains and recovering from a turbulent past, Kosovo is enjoying a tourism renaissance. Following this guide, visitors can ski over pristine snowfields and hike among saw-toothed mountains, explore the ebb and flow of Islam and of Orthodox Christianity at beautiful shrines such as Gracanica Monastery or Prizren's Sinan Pasha Mosque, sample raki at one of the vineyards, visit a traditional stone kulla, and be initiated into Prishtina's coffee-drinking culture. Bradt's Kosovo caters for all travellers. With detailed descriptions of the country's lively cafés and wide-ranging restaurants, as well as the thriving outdoor adventure scene, plus accommodation to suit all budgets, this new edition is the ideal companion for tourists, NGOs and long-term visitors.
