Potty Training for REAL Cats Cassie Cluster, 2021-03 Have you ever thought about toilet training your cat, but thought was too good to be true? This book doesn't make any far-fetched promises. Instead, it presents real-life cases, trains the Pet Parent, covers what is needed, and analyzes 25 different feline personalities and traits to determine if your cat has what it takes to be potty-trained before you even start. Do you have a water lover or a water hater; an affectionate cat or an older cat? See how these and other traits can directly affect potty training! You might just be surprised at how some types of cats train better than others. The Appendix in the back contains several D.I.Y. projects for items that will help make the transition easier, and tips on everything related to the job at hand. You will also get to meet ten of the cats that were potty-trained and read their life stories. Full of color photographs throughout, this is sure to be entertaining and informative. Great for those who want to get the real-life scoop on potty training a cat, or even if you are just a curious cat lover that would like to read some true cat stories.

How to Toilet Train Your Cat Paul Kunkel, 2017-02-07 Paul Kunkel's foolproof, tried-and-true 21 day program teaches any litter-trained cat to use a toilet instead of a litter box. It doesn't require anything fancy—a toilet, a stack of magazines or newspapers, masking tape, plastic wrap, a supply of cat litter, and a litter box—and it's the perfect program for anyone who wants a happier, healthier cat. The program begins with you placing the litter box next to the toilet, and ends with your beloved cat using the toilet—just like any other member of the family. For life. Along the way, owners learn why toilet-training is beneficial to cats. In well-researched, totally updated, fact-filled text, Kunkel traces the history of this mysterious animal, and explains why many cats equate the smell of a litter box with danger; why the fragrances, deodorants, dyes, and disinfectants found in most litters are

detrimental to your cat's well-being; and why the decision to transition to the toilet is one that will benefit both you and your cat. No more litter box, no more litter, no more cleaning—and no more smell!

RIGHT NOW!!! Testimonials:As an owner of cats throughout most of my life, I never really thought about the use of litter boxes until I moved from a house to my Condo recently. Because I've noticed the smell so much more, and the space is smaller, I began searching out an alternative. I bought this guide in the hopes that it could help remedy my dilemma. I'm so happy to say that so far, it is working just as stated. My cat is already on the second ring of the CitiKitty training seat and he's on his way to the next. This guide showed me exactly what I needed to do in order to get him there and I'm thankful for the relative ease of this transition. I really don't think I could have done this without the information received. I've had only two mistakes so far and they were both mine (gotta remember to leave the seat up). From full details on preparation and patience, all the way up to cat & human training in a simple seven step process, this book makes the process all too easy. The writing is succinct & devoid of fillers and the authors are an obvious authority on the subject. Lastly, the illustrations were perfect for letting me see the training works and what I should be expecting. If anyone else is looking for a way to toilet train their cat & don't know what to do, I can wholly attest that this is the perfect manual for illuminating & training you in the most efficient manner possible. - E. A Gray April 9th, 2015. STOP Cleaning, the NASTY & DISGUSTING litter box RIGHT NOW!!! Read This Book, and Save Thousands of Dollars in the Long Run!!!
