

# **Tomb Tap 12**

**Peter Vegas**

*Hellenistic Art* Lucilla Burn, 2004 In this beautifully illustrated volume, Burn (Keeper of Antiquities, Fitzwilliam Museum, Cambridge) introduces the Hellenistic world to students and readers interested in ancient Greek society. After a brief political and cultural overview, Burn identifies several distinctly Hellenistic artistic developments emerging in fourth-century Macedon. She then examines representations of royal and private individuals; the design, furnishing and appearances of cities, sanctuaries, houses and tombs; and the characteristic themes of Hellenistic iconography.

*Veterans Day* Joanna Ponto, 2016-07-15 On Veterans Day, Americans honor all who have served in the US armed forces. The holiday began in commemoration of the one-year anniversary of the end of World War I and continues to be celebrated every year on November 11. Readers will learn the ways this holiday is celebrated across the country, and can reinforce their understanding by following a recipe for the all-American Apple Brown Betty and instructions to make a thank-you card they can give to a veteran they know.

Escape This Book! Tombs of Egypt Bill Doyle, 2021-05-04 Activity book meets adventure in this series that is Choose Your Own Adventure meets I Survived meets doodle book! Doodle, decide, and demolish your way out of history's greatest events--the perfect book for fun and educational summer reading! Reader, beware! Once you open this book, there is NO turning back. You will have THREE chances to escape this ancient

Egyptian tomb. You must choose a path first: Pharaoh: Want to be the top ruler of ancient Egypt? Choose this path and become one of history's greatest pharaohs. Pyramid worker: You've built some of the world's most amazing monuments. Will that help you escape before being turned into a mummy? Archaeologist: You make incredible discoveries, and you're about to enter an ancient, hidden tomb . . . but can you discover a way out? In the Escape This Book! series, YOU are the star of history! Doodle your way through adventures as you decide the best path for survival. Don't be afraid to rip or fold a page . . . your escape may depend on it! Looking for another escape? Don't miss Escape This Book! Titanic.

### **The Afterlives of Specimens** Lindsay

Tuggle, 2017-11-15 The Afterlives of Specimens explores the space between science and sentiment, the historical moment when the human cadaver became both lost love object and subject of anatomical violence. Walt Whitman witnessed rapid changes in relations between the living and the dead. In the space of a few decades, dissection evolved from a posthumous punishment inflicted on criminals to an element of preservationist technology worthy of the presidential corpse of Abraham Lincoln. Whitman transitioned from a fervent opponent of medical bodysnatching to a literary celebrity who left behind instructions for his own autopsy, including the removal of his brain for scientific study. Grounded in archival discoveries, Afterlives traces the origins of nineteenth-century America's preservation

compulsion, illuminating the influences of botanical, medical, spiritualist, and sentimental discourses on Whitman's work. Tuggle unveils previously unrecognized connections between Whitman and the leading "medical men" of his era, such as the surgeon John H. Brinton, founding curator of the Army Medical Museum, and Silas Weir Mitchell, the neurologist who discovered phantom limb syndrome. Remains from several amputee soldiers whom Whitman nursed in the Washington hospitals became specimens in the Army Medical Museum. Tuggle is the first scholar to analyze Whitman's role in medically memorializing the human cadaver and its abandoned parts.

*Tomb Raider Adult Coloring Book* Crystal Dynamics, 2019-02-12 Featuring forty-five highly detailed, black-and-white images from fan favourite artists including Randy Green, Phillip Sevy, Tholia, and Katie Swindlehurst! Spanning the history of Lara Croft and her adventures, the official Tomb Raider Coloring Book is a must-have for all fans to add to their collection. After tears of thrilling fans in video games, comics pages, and the silver screen, now join Lara Croft on a whole new journey that you get to colour!

**The Iron Tomb** Peter Vegas, 2017-08 Following the clues his uncle left behind, Sam uses his knowledge of Ancient Egypt to make his way across Egypt, trying to solve the mystery of his uncle's disappearance and the secret of the Iron Tomb.

**The Millionaires' Unit** Marc Wortman, 2007-05-08

The Millionaires' Unit is the story of a gilded generation of young men from the zenith of privilege: a Rockefeller, the son of the head of the Union Pacific Railroad, several who counted friends and relatives among presidents and statesmen of the day. They had it all and, remarkably by modern standards, they were prepared to risk it all to fight a distant war in France. Driven by the belief that their membership in the American elite required certain sacrifice, schooled in heroism and the nature of leadership, they determined to be first into the conflict, leading the way ahead of America's declaration that it would join the war. At the heart of the group was the Yale flying club, six of whom are the heroes of this book. They would share rivalries over girlfriends, jealousies over membership in Skull and Bones, and fierce ambition to be the most daring young man over the battlefields of France, where the casualties among flyers were chillingly high. One of the six would go on to become the principal architect of the American Air Force's first strategic bomber force. Others would bring home decorations and tales of

high life experiences in Paris. Some would not return, having made the greatest sacrifice of all in perhaps the last noble war. For readers of Flyboys , The Greatest Generation , or Flags Of Our Fathers , this patriotic, romantic, absorbing book is narrative military history of the best kind.

Hearings United States. Congress. House,1936

**Lost Ramessid and Post-Ramessid Private Tombs in the Theban Necropolis** Lise Manniche,2011 Part of the Carsten Niebuhr Institute Publications series, this volume is a study of tombs of officials in the Theban necropolis, now lost, but recorded in the manuscripts of travellers to Egypt in the early and mid 19th century. It also includes the fragments of relevant wall-decoration in museums and other collections.

**20 Years of Tomb Raider** Meagan Marie,2016 Packed with exclusive art, photographs, and interviews covering all facets of the 'Tomb Raider' franchise, this is the essential guide to this game's action-packed history and a must-have for every fan

*Escape This Book! Titanic* Bill Doyle,2021-05-04 Activity book meets adventure in this series that is Choose Your Own Adventure meets I Survived meets doodle book! Doodle, decide, and demolish your way out of history's greatest events--the perfect book for fun and educational summer reading! Reader, beware! Once you open this book, there is no turning back. You will have three chances to survive the Titanic's fateful voyage. Decide which path to take first. Passenger: Exploring the ship is fun! Just don't get caught

on the wrong deck when there's an iceberg ahead!  
Crew Member: You work for a family in first class.  
Can you persuade them to save you along with their  
beloved dog? Stowaway: You snuck onto this ship.  
Can you draw your way onto a lifeboat? In the  
Escape This Book! series, YOU are the star of  
history! Doodle your way through adventures as you  
decide the best path for survival. Don't be afraid  
to rip or fold a page. . . . Your escape may  
depend on it!

### The Opposite of Loneliness Marina

Keegan, 2014-04-08 The instant New York Times  
bestseller and publishing phenomenon: Marina  
Keegan's posthumous collection of award-winning  
essays and stories "sparkles with talent,  
humanity, and youth" (O, The Oprah Magazine).  
Marina Keegan's star was on the rise when she  
graduated magna cum laude from Yale in May 2012.  
She had a play that was to be produced at the New  
York Fringe Festival and a job waiting for her at  
The New Yorker. Tragically, five days after  
graduation, Marina died in a car crash. Marina  
left behind a rich, deeply expansive trove of  
writing that, like her title essay, captures the  
hope, uncertainty, and possibility of her  
generation. Her short story "Cold Pastoral" was  
published on NewYorker.com. Her essay "Even  
Artichokes Have Doubts" was excerpted in the  
Financial Times, and her book was the focus of a  
Nicholas Kristof column in The New York Times.  
Millions of her contemporaries have responded to  
her work on social media. As Marina wrote: "We can  
still do anything. We can change our minds. We can  
start over...We're so young. We can't, we MUST not

lose this sense of possibility because in the end, it's all we have." The Opposite of Loneliness is an unforgettable collection of Marina's essays and stories that articulates the universal struggle all of us face as we figure out what we aspire to be and how we can harness our talents to impact the world. "How do you mourn the loss of a fiery talent that was barely a tendril before it was snuffed out? Answer: Read this book. A clear-eyed observer of human nature, Keegan could take a clever idea...and make it something beautiful" (People).

**The Copper Scroll - 3Q15: A Reevaluation** Judah K. Lefkovits, 2018-11-26 This volume deals with the Copper Scroll, an almost two thousand year old cryptic proto-Mishnaic Hebrew Dead Sea document. It is the largest known ancient text to have ever been recorded on metal. The Introduction covers the nature and site of the discovery, opening of the two brittle oxidized copper rolls, deciphering the text, controversy about genuineness of the content, etc. The in-depth study presents the primary major studies, and offers a new reading, translation, and interpretation, including alternatives, as well as detailed studies of some unique aspects. The analysis is based on Rabbinical Jewish sources originating largely in the same historical era. This results into a more reliable interpretation of the Copper Scroll which probably originates from the Priestly leaders of Jerusalem, and contains a list of the hidden treasures of the Second Temple before its destruction by the Romans.

Apostle Tom Bissell, 2017-02-07 The story of

Twelve Apostles is the story of early Christianity: its competing versions of Jesus's ministry, its countless schisms, and its ultimate evolution from an obscure Jewish sect to the global faith we know today in all its forms and permutations. In his quest to understand the underpinnings of the world's largest religion, Tom Bissell embarks on a years-long pilgrimage to the apostles' supposed tombs, traveling from Jerusalem and Rome to Turkey, Greece, Spain, France, India, and Kyrgyzstan. Along the way, Bissell uncovers the mysterious and often paradoxical lives of these twelve men and how their identities have taken shape over the course of two millennia. Written with empathy and a rare acumen—and often extremely funny—Apostle is an intellectual, spiritual, and personal adventure fit for believers, scholars, and wanderers alike.

Secret of the Prince's Tomb Marianne

Hering, Marshal Younger, 2012-02-03 Over 1 million sold in series! "The Egyptians believe that whoever opens a tomb will be cursed!" The hot sun and sand of ancient Egypt await Patrick and Beth in their next Imagination Station adventure. The cousins are caught between a terrible ruler and a nation bound for slavery. To help their new friend Tabitha, the cousins must seek out a great secret—one that will give hope to her family and future generations. Their search takes them to an ancient burial vault and . . . a mummy! But the vault is a confusing maze, filled with traps and mysterious symbols. Will the cousins ever get out again to share a life-changing hope?

The Foreign Burial of American War Dead Chris

Dickon,2011-09-29 Normandy, Flanders Field and other overseas cemeteries of the American Battle Monument Commission (ABMC) are well known. However, lesser-known burial sites of American war dead exist all over the world—in Australia and across the Pacific Rim, in Canada and Mexico, Libya and Spain, most of Europe and as far north as the Russian Arctic. This is the history of American soldiers buried abroad since the American Revolution. It traces the evolution of American attitudes and practices about war dead and provides the names and locations of those still buried abroad in non-ABMC locations.
