The Osho Transformation Tarot Osho,1999-12-17 Throughout the centuries, the mystics and sages have used parables as a way to help us more easily remember and reflect on the deepest secrets in life. Osho is a master storyteller of our times, who has an uncommon knack for bringing the timeless wisdom of ancient parables right into the 21st century, in a way that gives us immediate and practical insight into the realities of contemporary life. The emphasis of the deck is not on prophecy or divination-rather, it directs us to the hidden potential of transformation and renewal in every aspect of our daily lives, if we only know where to look for it. Choose a card for the day, and read the accompanying story as a theme for contemplation. Or use as simple spread to explore the dynamics of a relationship, or to gain insight into a specific question. 60 beautiful cards illustrating parables and teaching stories form the world's great wisdom traditions-including Zen, Buddhism, Sufism, Tantra, Tao, Christian and Jewish mysticism. A book containing the parables, summary meanings for each card, the instructions for a variety of simple card readings to gain insight into the challenges and opportunities of everyday life.

Notes from the Hyena's Belly Nega Mezlekia,2015-04-07 In this acclaimed memoir, Mezlekia recalls his boyhood in the arid city of Jijiga, Ethiopia, and his journey to manhood during the 1970s and 1980s. He traces his personal evolution from child to soldier--forced at the age of eighteen to join a

guerrilla army. And he describes the hardships that consumed Ethiopia after the fall of Emperor Haile Selassie and the rise to power of the communist junta, in whose terror thousands of Ethiopians died. Part autobiography and part social history, *Notes from the Hyena's Belly* offers an unforgettable portrait of Ethiopia, and of Africa, during the defining and turbulent years of the last century.

Joel & Cat Set the Story Straight Nick Earls,Rebecca Sparrow,2007-07-30 *Joel and Cat Set the Story Straight* is two weeks in the life of Joel Hedges and Cat Davis. Joel would prefer to get through his final year of high school without Cat Davis or his mother's faux Spanish boyfriend and just hang-out with his best-friend Luke. Cat Davis has an annoying best-friend, an even more annoying little brother, and a deep abiding hatred of Joel Hedges. Due to an unfortunate incident involving a leaking pen and suspected outbreak of Bird Flu, Joel and Cat are forced to sit next to each other in Extension English. To make matters worse, and to their mutual horror, they are paired together for a tandem story writing assignment. What ensues reveals a lot about how smug teenage boys are and what teenage girls really think. No, wait – it's about a sane female and an insane male. It's about revenge and mistaken identity.
