Matthew David, Debora Halbert

More Than Bollywood Gregory D. Booth, Bradley Shope, 2014 This is the first book to tackle the diverse styles and multiple histories of popular musics in India. It brings together fourteen of the world's leading scholars on Indian popular music to contribute chapters on a range of topics from the classic songs of Bollywood to contemporary remixes, summarized by a reflective afterword by popular music scholar Timothy Taylor. The chapters in this volume address the impact of media and technology on contemporary music, the variety of industrial developments and contexts for Indian popular music, and historical trends in popular music development both before and after the Indian Independence in 1947. The book identifies new ways of engaging popular music in India beyond the Bollywood musical canon, and offers several case studies of local and regional styles of music. The contributors address the subcontinent's historical relationships with colonialism, the transnational market economies, local governmental factors, international conventions, and a host of other circumstances to shed light on the development of popular music throughout India. To illustrate each chapter author's points, and to make available music not easily accessible in North America, the book features an Oxford web music companion website of audio and video tracks.

Bollywood Sounds Jayson Beaster-Jones, 2014-10-09 *Bollywood Sounds* focuses on the songs of Indian films in their historical, social, commercial, and cinematic contexts. Author Jayson Beaster-Jones takes readers through the highly collaborative compositional process, highlighting the contributions of film directors, music directors (composers), lyricists, musicians, and singers in song production. Through close musical and multimedia analysis of more than twenty landmark compositions, *Bollywood Sounds* illustrates how

the producers of Indian film songs have long mediated a variety of musical styles, instruments, and performance practices to create a uniquely cosmopolitan music genre. As an exploration of the music of seventy years of Hindi films, Bollywood Sounds provides long-term historical insights into film songs and their musical and cinematic conventions in ways that will appeal both to scholars and to newcomers to Indian cinema.

Routledge Handbook of Indian Cinemas K. Moti Gokulsing, Wimal Dissanayake, 2013-04-17 India is the largest film producing country in the world and its output has a global reach. After years of marginalisation by academics in the Western world, Indian cinemas have moved from the periphery to the centre of the world cinema in a comparatively short space of time. Bringing together contributions from leading scholars in the field, this Handbook looks at the complex reasons for this remarkable journey. Combining a historical and thematic approach, the Handbook discusses how Indian cinemas need to be understood in their historical unfolding as well as their complex relationships to social, economic, cultural, political, ideological, aesthetic, technical and institutional discourses. The thematic section provides an up-to-date critical narrative on diverse topics such as audience, censorship, film distribution, film industry, diaspora, sexuality, film music and nationalism. The Handbook provides a comprehensive and cutting edge survey of Indian cinemas, discussing Popular, Parallel/New Wave and Regional cinemas as well as the spectacular rise of Bollywood. It is an invaluable resource for students and academics of South Asian Studies, Film Studies and Cultural Studies.

India Now and In transition Atul K. Thakur, 2017-05-30 India is the world's largest democracy with nearly 70 years of independent existence. Its unique and ever-changing nature has sparked a great degree of academic debate, both before and since Independence. The beauty of India is that there are many kinds of Indias. Understanding the fundamentals that have given birth to such multiplicity across various segments is especially imperative in the present day, when the 'Idea of India' is keenly contested. Our nation has the world's largest youth population and is undergoing tectonic social and political changes at present; therefore, understanding what directions India may take in the future is essential for every thinking individual. *India Now and in Transition* is an enquiry into possible futures, based on current happenings. Featuring contributions from leading thinkers and scholars in diverse fields, each essay in this volume critically analyses a major theme of India's present, to propose the likely way ahead for our emergent nation. Covering the fields of politics and governance, economics and development, security and foreign policy, society and culture and language and literature, the book shows that—while beset with both internal and external challenges on many fronts—India isn't waiting for its moment, it's making its moment happen.

The SAGE Handbook of Intellectual Property Matthew David, Debora Halbert, 2014-11-18 This Handbook brings together scholars from around the world in addressing the global significance of, controversies over and alternatives to intellectual property (IP) today. It brings together over fifty

of the leading authors in this field across the spectrum of academic disciplines, from law, economics, geography, sociology, politics and anthropology. This volume addresses the full spectrum of IP issues including copyright, patent, trademarks and trade secrets, as well as parallel rights and novel applications. In addition to addressing the role of IP in an increasingly information based and globalized economy and culture, it also challenges the utility and viability of IP today and addresses a range of alternative futures.

Bollywood Tejaswini Ganti, 2013 'Bollywood' is the dominant global term to refer to the prolific Hindi language film industry in Bombay (renamed Mumbai in 1995). Characterised by music, dance routines, melodrama, lavish production values and an emphasis on stars and spectacle, Bollywood films have met with box-office success and

enthusiastic audiences from India to West Africa to Russia, and throughout the English-speaking world. In Bollywood, anthropologist and film scholar Tejaswini Ganti provides a guide to the cultural, social and political significance of Hindi cinema, outlining the history and structure of the Bombay film industry, and the development of popular Hindi filmmaking since the 1930s. Providing information and commentary on the key players in Bollywood, including directors and stars, as well as material from current filmmakers themselves, the areas covered in Bollywood include: history of Indian cinema narrative style, main themes, and key genres of Hindi cinema significant films, directors and stars production and distribution of Bollywood films interviews with actors, directors and screenwriters.

My So-Called Bollywood Life Nisha

Sharma,2018-05-15 The romance of Stephanie Perkins meets the quirk of Maureen Johnson, then gets a Bollywood twist in this fate-filled debut that takes the future into its own hands. Winnie Mehta was never really convinced that Raj was her soul mate, but their love was written in the stars. Literally, a pandit predicted Winnie would find the love of her life before her eighteenth birthday, and Raj meets all the qualifications. Which is why Winnie is shocked when she returns from her summer at film camp to find her boyfriend of three years hooking up with Jenny Dickens. As a self-proclaimed Bollywood expert, Winnie knows this is not how her perfect ending is scripted. Then there's Dev, a fellow film geek and one of the few people Winnie can count on. Dev is smart and charming, and he challenges Winnie to

look beyond her horoscope and find someone she'd pick for herself. But does falling for Dev mean giving up on her prophecy and her chance to live happily ever after? To find her perfect ending, Winnie will need a little bit of help from fate, family, and of course, a Bollywood movie star.
