Mate Tucker Max,Geoffrey Miller,2015-09-15 The #1 bestselling pioneer of fratire and a leading evolutionary psychologist team up to create the dating book for guys. Whether they conducted their research in life or in the lab, experts Tucker Max and Dr. Geoffrey Miller have spent the last 20+ years learning what women really want from their men, why they want it, and how men can deliver those qualities. The short answer: become the best version of yourself possible, then show it off. It sounds simple, but it's not. If it were, Tinder would just be the stuff you use to start a fire. Becoming your best self requires honesty, self-awareness, hard work and a little help. Through their website and podcasts, Max and Miller have already helped over one million guys take their first steps toward Ms. Right. They have collected all of their findings in Mate, an evidence-driven, seriously funny playbook that will teach you to become a more sexually attractive and romantically successful man, the right way: No seduction techniques, No moralizing, No bullshit. Just honest, straightforward talk about the most ethical, effective way to pursue the win-win relationships you want with the women who are best for you. Much of what they've discovered will surprise you, some of it will not, but all of it is important and often misunderstood. So listen

up, and stop being stupid!

The longing for connection as old age encroaches is palpable here, with more and more senior singles searching online. Those who find new partners explore issues that most relationships encounter at any age, as well as some that are unique to elder relationships. These include having had previous partners and a complicated and deep personal history; family and friends' reactions to an older person's dating; alternative models to marriage (such as sharing space or living apart); having more than one partner at the same time; one's aging body, appearance, and sexuality; and the pressure of time and the specter of illness and death.

Cues Vanessa Van Edwards, 2022-03-01 *Wall Street Journal* bestseller! For anyone who wants to be

heard at work, earn that overdue promotion, or win more clients, deals, and projects, the bestselling author of *Captivate*, Vanessa Van Edwards, shares her advanced guide to improving professional relationships through the power of cues. What makes someone charismatic? Why do some captivate a room, while others have trouble managing a small meeting? What makes some ideas spread, while other good ones fall by the wayside? If you have ever been interrupted in meetings, overlooked for career opportunities or had your ideas ignored, your cues may be the problem – and the solution. Cues – the tiny signals we send to others 24/7 through our body language, facial expressions, word choice, and vocal inflection – have a massive impact on how we, and our ideas, come across. Our cues can either enhance our message or undermine it. In this entertaining and accessible guide to the hidden language of cues, Vanessa Van Edwards teaches you how to convey power, trust, leadership, likeability, and charisma in every interaction. You'll learn:

- Which body language cues assert, "I'm a leader, and here's why you should join me."
- Which vocal cues make you sound more confident
- Which verbal cues to use in your résumé, branding, and emails to increase trust (and generate excitement about interacting with you.)
- Which visual cues you are sending in your profile pictures, clothing, and professional brand.

Whether you're pitching an investment, negotiating a job offer, or having a tough conversation with a colleague, cues can help you improve your relationships, express empathy, and create meaningful connections with lasting impact.
