Top Priority Les Ollila,2002 The purpose of the Top Priority devotional manual is to help you make the Lord your top priority in life. This is done by providing you with a daily devotional plan through which you meet with the Lord and get daily direction for your life. Top Priority consists of two sections: 1. The daily probe section arranged by months. Here you will find daily passages to be read and the question for each day that you are to answer. 2. The daily devotional form where you will record your daily devotional responses.

Manna from Hell Peter Hussey,2022-11-29 A Bulgarian crop researcher goes to help a famine village in Sudan. He spends years irradiating crop seeds with neutrons to increase their yields. He only gets incremental results until he grows despondent during a brutal famine and abandons his usual cautious protocols. Incredibly, this results in a staggering bounty--an unexplainable Manna from Heaven. However, a bloodthirsty general destroys the village and imprisons the Bulgarian while forcing him to work supporting his plans. To make matters worse, soon a mysterious and deadly syndrome starts spreading within the region's people and grows to threaten the lives of millions.Is it somehow related to the agricultural miracle? A newly minted French epidemiologist and an American journalist team up to investigate only to eventually discover that the heavenly bounty is really a manna from hell.

MANNA in the Wilderness of AIDS Kenwyn K. Smith,2002 This is a poignant story of how a tenacious group of seven individuals from a Philadelphia church transformed a modest initiative to serve food to those with HIV/AIDS into a vibrant, interfaith nonprofit organization called Manna (Metropolitan AIDS Neighborhood Nutrition Alliance) -- and in the process, revitalized their community, themselves, and their church.The book describes ten life-giving lessons they experienced during Manna's early years. These universal lessons include: -- The greatest insights came from the most vulnerable in our midst-- The leaps of faith we took filled our spirits with vitality-- To thrive in the midst of massive turbulence required deep roots and radical shifts carefully timed-- Manna both sharpened and healed the tensions between race and social class-- The miraculous was contained within the mundaneThe book depicts how Manna overcame tremendous obstacles -- namely, fear and ignorance of AIDS and a lack of funding to accomplish benevolent goodness.

Political Education Christopher T. Cross,2014-09-12 In this volume, political insider Christopher Cross updates his critically acclaimed bestseller with new chapters and important new insights into future education policy. Cross draws on his own experience in Washington, along with research and interviews, to present a highly readable history of federal education policy from WWII to the Obama administration. The book highlights the key players who helped shape federal policy, because as Cross writes in his introduction policy development is woven of personalities, events, and timing. This fascinating chronicle demonstrates, among other things, how federal policy has been a constant influence on what states and local districts do, especially with respect to students most at-risk.

Passover Revisited Andrew Harrison,2001 Philadelphia played the leading international role in expediting the largest exodus of Jews living in oppression since Moses led the Hebrews out of Egypt. Philadelphia's advocacy programs helped to facilitate one of the greatest miracles of modern times.--BOOK JACKET.

The Christian Life and the History of Israel Paul L. Dunteman,2009-02 In Israel's history, who are the Amorites and the Philistines? Do they represent anything for modern Christians? In this book we can see spiritual problems they represent in the Christian life. In fact, in flesh and blood, geography, Tabernacle artifacts, and other things, the history of Israel in the Old Testament forms a model of the internal struggles we face as believers in Jesus. For those of you who are just starting out with Christ, or those who have been on this journey for many decades, this book can help you get your bearings. As Israel journeyed from Canaan, to Egypt, to the desert, and back to Canaan, so the Christian begins as an infant, becomes a natural, then carnal, then possibly, a spiritual man, respectively. The names of places, enemies of Israel, and other items all have meaning for us as we examine the roots of their names in Hebrew. In Semitic understanding the symbols are real people, events, and places; and their names also shed light on our walk here. Come take Jesus by the hand. Learn the lessons and overcome the problems with His help. You may move ahead more surely and quickly with Israel's history as a road map before you. Let's begin! Dr. Paul L. Dunteman teaches theology and Bible languages in English and Spanish at the Miami branch of the New Orleans Baptist Theological Seminary, as well as representing the organization Life in Messiah. Born and raised in the Chicago area, he has a B.A. in Geography from the University of Illinois (FBK), an M. Div. from Trinity Evangelical Divinity School, and a Th. D. from Jacksonville Theological Seminary. Since 1992 he has taught in Miami, Florida, where he resides with his wife Carmen Leticia and their 6 children and 6 grandchildren.

A Companion to Lyndon B. Johnson Mitchell B. Lerner,2012-02-13 This companion offers an overview of Lyndon B. Explores the legacy of Johnson and the historical significance of his years as president Covers the full range of topics, from the social and civil rights reforms of the Great Society to the increased American involvement in Vietnam Incorporates the dramatic new evidence that has come to light through the release of around 8,000 phone conversations and meetings that Johnson secretly recorded as President

The Ministry of the Word, Vol 21, No. 7 Various Authors,

Political Education Christopher Cross, Political insider Christopher Cross has updated his critically acclaimed book to reflect recent education policy developments, including the impact of the Obama administration and Race to the Top as well as the controversy over NCLB's reauthorization. Featuring a new introduction and the addition of postscripts for key chapters, this important book traces the evolution of federal education policy during the latter half of the 20th century. Cross draws on his 32 years of experience in Washington, research he has conducted in several presidential libraries and interviews with more than 20 people who held key positions during that time. What emerges is a highly readable chronicle of how the federal role in education has been transformed, including a look at: (1) The major organizations, interest groups, and policymakers who influenced federal policy, including Lyndon B. Johnson, Jimmy Carter, Ronald Reagan, Bill Clinton, George W. Bush, Elliot Richardson, Al Quie, John Brademas, Adam Clayton Powell, Walter Mondale, Abraham Ribicoff, Ted Bell, Bill Bennett, Carl Perkins, and Ted Kennedy; (2) How and why the U.S. Department of Education came into existence; (3) How the Title I program came to emphasize whole school reform; (4) The history behind the development of the federal government's special education policy; and (5) The justification for the federal role in the No Child Left Behind Act of 2001. [Foreword by Richard Riley and Ted Sanders.].

The articles presented are devoted to the theory of computing, program semantics, logics of programs, temporal logic, automated deduction, decision procedures, model checking, concurrent systems, reactive systems, hardware and software verification, testing, software engineering, requirements specification, and program synthesis.

Promises to Confess to Elder Harvey Marshall,2012-07 Author Harvey Marshall gleaned great thoughts, ideas, and inspiration while reading the Bible, and he wanted to share what he found with others. At first, he texted the encouraging words he learned by cell phone. Then, he sent them via e-mail, and finally he created a website with which to share the good news. In Promises to Confess to, Marshall shares these lessons, gleaned from Scripture readings, and discusses the meanings behind the encouraging words and the promises from God that are a part of the Bible's message. He follows each short inspiration with a confession or prayer that relates to the discussion. Promises to Confess to provides a lens through which to look at God and to appreciate the many colors that his glory has allowed to fall upon the earth.

Apocalypse Survival T. Gordon Larsen,2016-01-28 This is a manual for Evangelical Christians who anticipate the “second coming” of Jesus Christ and understand that they may be called upon to endure some of the hardships of the End Times. It takes the genre of survival literature up a notch by addressing the moral, ethical and doctrinal questions that Christians should consider in planning for existential challenges in an uncertain future. The author doesn’t “reinvent the wheel” on common survival issues, but covers items of interest to Believers who want to develop a survival strategy that deals with the world as they find it, yet is consistent with their faith. Among these are: Does charity really “begin at home?” Is it righteous to use lethal force in defense of yourself and others? Does subscribing to the Pre-Tribulation Rapture mean that Believers need not be concerned about coping with the End Times?

Human Development Index, Rajasthan Hem Lata Joshi,2008 Includes study of the statistics of the place.

Awakening Eunace Creed,2011-11-30 Chuck Haynes has awakened to find that he has lost every man’s dream: a beautiful wife, talented children, successful career, the respect of his peers, travel, and prestige. With this knowledge, he learns that he has one last chance to regain everything and more. He recovers from a severe injury to find himself in the latter half of the Great Tribulation, an event he never believed would happen. Looking back over his life, and with a new understanding of Scripture, Chuck has to choose to trust his caretakers and believe in the saving power of Jesus Christ to get them through the last trying years. As he bands together with his newfound friends to reach his long-lost son, he learns new meanings of truth and love. But will he find the courage to face the dreadful fate of everyone he loves, the faith to believe in what’s waiting at the end of a long seven years, and the strength to stand to the final awakening?

High-Performance Networks, Personal Communications and Mobile Computing Dimitris N. Chorafas,2016-07-27 Many professionals in the technology industry are seeking new solutions beyond the confines of the more traditional type software tools, network design solutions and distributed systems applications. The aim of this book is to provide for them a much needed upgrade of knowledge and skills by addressing the developing technical and business perspectives which have emerged from the deregulation of telecommunications, including issues connected to costs and tariffs. It also addresses a comprehensible introduction to the research, development and implementation of agents. Based on thorough research undertaken from 1993-96 in the United States, Europe and Japan, much practical material is included, with both comprehensive examples and case studies.
