The Club Ellery Lloyd, 2022-03-01 A REESE'S BOOK CLUB PICK INSTANT NEW YORK TIMES BESTSELLER "Are you ready for the roller coaster ride that is *The Club*? . . . A beautifully written, densely plotted murder mystery that takes place at a private club off the coast of England. Read about a luxurious, celeb-only island during a weekend of partying and ultimately murder." —Reese Witherspoon (Reese's Book Club March '22 Pick) From the author of *People Like Her* comes a smart and sinister murder mystery set in the secretive world of exclusive celebrity clubs. Everyone's Dying to Join . . . The Home Group is a glamorous collection of celebrity members' clubs dotted across the globe, where the rich and famous can party hard and then crash out in its five-star suites, far from the prying eyes of fans and the media. The most spectacular of all is Island Home—a closely-guarded, ultraluxurious resort, just off the English coast—and its three-day launch party is easily the most coveted A-list invite of the decade. But behind the scenes, tensions are at breaking point: the ambitious and expensive project has pushed the Home Group's CEO and his long-suffering team to their absolute limits. All of them have something to hide—and that's before the beautiful people with their own ugly secrets even set foot on the island. As tempers fray and behavior worsens, as things get more sinister by the hour and the body count piles up, some of Island Home's members will begin to wish they'd never made the guest list. Because at this club, if your name's on the list, you're not getting

out.

Cat Kid Comic Club: Perspectives: A Graphic Novel (Cat Kid Comic Club #2): From the Creator of Dog Man Dav Pilkey, 2021-11-30 Cat Kid Comic Club is back in session in this groundbreaking graphic novel narrative by Dav Pilkey, the worldwide bestselling and award-winning author and illustrator of Dog Man. Flippy, Molly, Li'l Petey, and twenty-one baby frogs each have something to say. Naomi and Melvin don't see eye to eye and Poppy perceives the world differently than her siblings. Will the baby frogs figure out how to work together and appreciate one another's point of view -- both inside and outside the classroom? The shenanigans are nonstop and the baby frogs' minicomics are funny and full of heart. Creating stories within a story, author and illustrator Dav Pilkey uses a variety of techniques -- including acrylic paints, colored pencils, Japanese calligraphy, photography, collage, gouache, watercolors, and much more -- to portray each frog's perspective. The kaleidoscope of art styles, paired with Pilkey's trademark storytelling and humor, fosters creativity, collaboration, independence, and empathy. Readers of all ages will relish this joyful graphic novel adventure.

Rage Bob Woodward, 2021-09-14 An account of the Trump presidency draws on interviews with firsthand sources, meeting notes, diaries, and confidential documents to provide details about Trump's moves as he faced a global pandemic, economic disaster, and racial unrest.

Peril Bob Woodward, Robert Costa, 2023-01-03 The

transition from President Donald J. Trump to President Joseph R. Biden Jr. stands as one of the most dangerous periods in American history. But as #1 internationally bestselling author Bob Woodward and acclaimed reporter Robert Costa reveal for the first time, it was far more than just a domestic political crisis. Woodward and Costa interviewed more than 200 people at the center of the turmoil, resulting in more than 6,000 pages of transcripts—and a spellbinding and definitive portrait of a nation on the brink. This classic study of Washington takes readers deep inside the Trump White House, the Biden White House, the 2020 campaign, and the Pentagon and Congress, with eyewitness accounts of what really happened. Intimate scenes are supplemented with never-before-seen material from secret orders, transcripts of confidential calls, diaries, emails, meeting notes and other personal and government records, making *Peril* an unparalleled history. It is also the first inside look at Biden's presidency as he began his presidency facing the challenges of a lifetime: the continuing deadly pandemic and millions of Americans facing soul-crushing economic pain, all the while navigating a bitter and disabling partisan divide, a world rife with threats, and the hovering, dark shadow of the former president.

Berlin Candy Bomber Special Edition Gail

Halvorsen, 2023-07-10 The Berlin Candy Bomber is the story of how two sticks of gum and one man's kindness to the children of a vanquished enemy grew into an epic of goodwill, -spanning the globe and touching the hearts of millions in both Germany and America. In June 1948, Russia cut off the flow of food and supplies to Berlin. The Americans, joined by the English and French, began a massive airlift to bring sustenance to the city and thwart the Russian siege. Gail Halvorsen was one of hundreds of U.S. pilots involved in the airlift. While in Berlin, he met a group of children standing by the airport watching the planes. He was impressed to share two sticks of gum with them, and he promised to drop candy the next time he flew to the area. The next day he wiggled the wings of his plane to identify himself and then dropped several small bundles of candy, using parachutes crafted from handkerchiefs. Local newspapers picked up the story. Suddenly, letters addressed to Uncle Wiggly Wings began arriving as the children requested candy drops in other areas of the city. Enthusiasm spread to America, and candy contributions came from all across the country. The blockade and airlift ended in 1949, but the story of the Candy Bomber lives on-a symbol of human charity, and the candy drops have continued into a new century.

Women Who Work Ivanka Trump, 2017-05-02 NEW YORK TIMES BESTSELLER! Ivanka is donating the unpaid portion of her advance and all future royalties received from Women Who Work to the Ivanka M. Trump Charitable Fund, a donor advised fund that

will make grants to organizations that empower and educate women and girls.* This is a chatty step-by-step guide to living a happy life and getting ahead in a career. —USA Today The advice is spot-on for everyone, not just women. —Tony Hsieh, CEO of Zappos.com and author of *Delivering Happiness* I believe that when it comes to women and work, there isn't one right answer. The only person who can create a life you'll love is you. Our grandmothers fought for the right to work. Our mothers fought for the choice to be in an office or to stay at home. Our generation is the first to fully embrace and celebrate the fact that our lives are multidimensional. Thanks to the women who came before us and paved the way, we can create the lives we want to lead—which look different for each of us. I've been fortunate to be able to build my career around my passions, from real estate to fashion. But my professional titles only begin to describe who I am and what I value. I have been an executive and an entrepreneur, but also—and just as importantly—a wife, mother, daughter, and friend. To me, “work” encompasses my efforts to succeed in all of these areas. After appearing on *The Apprentice* years ago and receiving a flood of letters from young women asking for guidance, I realized the need for more female leaders to speak out publicly in order to change the way society thinks and talks about “women who work.” So I created a forum to do just that. This book evolves the conversation that started on *IvankaTrump.com*, where so many incredible women (and men!) have shared their experiences, advice, ambitions, and passions.

Women who work lead meetings and train for marathons. We learn how to cook and how to code. We inspire our employees and our children. We innovate at our current jobs and start new businesses. Women Who Work will equip you with the best skills I've learned from some of the amazing people I've met, on subjects such as identifying opportunities, shifting careers smoothly, negotiating, leading teams, starting companies, managing work and family, and helping change the system to make it better for women—now and in the future. I hope it will inspire you to redefine success and architect a life that honors your individual passions and priorities, in a way only you can. * The Ivanka M. Trump Charitable Fund (the "Fund") is a donor advised fund that supports the economic empowerment of women and girls. Ivanka Trump is the grant advisor to the Fund and sole member of IT WWW Pub, LLC (the "LLC"), which receives royalties from the publication of Women Who Work. The LLC will contribute a minimum \$425,000 to the Fund, which is the unpaid portion of the advance, net of expenses. In addition, the LLC will contribute all future royalties it receives that are in excess of the advance to the Fund during the period from May 1, 2017 to May 1, 2022.

Fangirl Rainbow Rowell, 2013-09-10 #1 New York Times bestselling author! In Rainbow Rowell's Fangirl, Cath is a Simon Snow fan. Okay, the whole world is a Simon Snow fan, but for Cath, being a fan is her life—and she's really good at it. She and her twin sister, Wren, ensconced themselves in the Simon Snow series when they were just kids;

it's what got them through their mother leaving. Reading. Rereading. Hanging out in Simon Snow forums, writing Simon Snow fan fiction, dressing up like the characters for every movie premiere. Cath's sister has mostly grown away from fandom, but Cath can't let go. She doesn't want to. Now that they're going to college, Wren has told Cath she doesn't want to be roommates. Cath is on her own, completely outside of her comfort zone. She's got a surly roommate with a charming, always-around boyfriend, a fiction-writing professor who thinks fan fiction is the end of the civilized world, a handsome classmate who only wants to talk about words . . . And she can't stop worrying about her dad, who's loving and fragile and has never really been alone. For Cath, the question is: Can she do this? Can she make it without Wren holding her hand? Is she ready to start living her own life? And does she even want to move on if it means leaving Simon Snow behind? A New York Times Book Review Notable Children's Book of 2013 A New York Times Best Seller!

I Alone Can Fix It Carol Leonnig, Philip Rucker, 2021-07-20 The instant #1 New York Times bestseller | A Washington Post Notable Book | One of NPR's Best Books of 2021 The definitive behind-the-scenes story of Trump's final year in office, by Phil Rucker and Carol Leonnig, the Pulitzer-Prize winning reporters and authors of A Very Stable Genius. "Chilling." – Anderson Cooper "Jaw-dropping." – John Berman "Shocking." – John Heilemann "Explosive." – Hallie Jackson "Blockbuster new reporting." – Nicolle Wallace "Bracing new revelations." – Brian Williams

"Bombshell reporting." – David Muir The true story of what took place in Donald Trump's White House during a disastrous 2020 has never before been told in full. What was really going on around the president, as the government failed to contain the coronavirus and over half a million Americans perished? Who was influencing Trump after he refused to concede an election he had clearly lost and spread lies about election fraud? To answer these questions, Phil Rucker and Carol Leonnig reveal a dysfunctional and bumbling presidency's inner workings in unprecedented, stunning detail. Focused on Trump and the key players around him—the doctors, generals, senior advisers, and Trump family members—Rucker and Leonnig provide a forensic account of the most devastating year in a presidency like no other. Their sources were in the room as time and time again Trump put his personal gain ahead of the good of the country. These witnesses to history tell the story of him longing to deploy the military to the streets of American cities to crush the protest movement in the wake of the killing of George Floyd, all to bolster his image of strength ahead of the election. These sources saw firsthand his refusal to take the threat of the coronavirus seriously—even to the point of allowing himself and those around him to be infected. This is a story of a nation sabotaged—economically, medically, and politically—by its own leader, culminating with a groundbreaking, minute-by-minute account of exactly what went on in the Capitol building on January 6, as Trump's supporters so easily breached the most sacred

halls of American democracy, and how the president reacted. With unparalleled access, Rucker and Leonnig explain and expose exactly who enabled—and who foiled—Trump as he sought desperately to cling to power. A classic and heart-racing work of investigative reporting, this book is destined to be read and studied by citizens and historians alike for decades to come.

Last Best Hope George Packer, 2021-06-15 One of The New York Times's 100 notable books of 2021 [George Packer's] account of America's decline into destructive tribalism is always illuminating and often dazzling. —William Galston, The Washington Post Acclaimed National Book Award-winning author George Packer diagnoses America's descent into a failed state, and envisions a path toward overcoming our injustices, paralyses, and divides In the year 2020, Americans suffered one rude blow after another to their health, livelihoods, and collective self-esteem. A ruthless pandemic, an inept and malign government response, polarizing protests, and an election marred by conspiracy theories left many citizens in despair about their country and its democratic experiment. With pitiless precision, the year exposed the nation's underlying conditions—discredited elites, weakened institutions, blatant inequalities—and how difficult they are to remedy. In *Last Best Hope*, George Packer traces the shocks back to their sources. He explores the four narratives that now dominate American life: Free America, which imagines a nation of separate individuals and serves the interests of corporations and the

wealthy; Smart America, the world view of Silicon Valley and the professional elite; Real America, the white Christian nationalism of the heartland; and Just America, which sees citizens as members of identity groups that inflict or suffer oppression. In lively and biting prose, Packer shows that none of these narratives can sustain a democracy. To point a more hopeful way forward, he looks for a common American identity and finds it in the passion for equality—the “hidden code”—that Americans of diverse persuasions have held for centuries. Today, we are challenged again to fight for equality and renew what Alexis de Tocqueville called “the art” of self-government. In its strong voice and trenchant analysis, *Last Best Hope* is an essential contribution to the literature of national renewal.

The Four Little Dragons Brian Kelly, 1990-11

A Very Stable Genius Philip Rucker, Carol Leonnig, 2020-01-21 The instant #1 bestseller. “This taut and terrifying book is among the most closely observed accounts of Donald J. Trump’s shambolic tenure in office to date. - Dwight Garner, *The New York Times* Washington Post national investigative reporter Carol Leonnig and White House bureau chief Philip Rucker, both Pulitzer Prize winners, provide the definitive insider narrative of Donald Trump’s presidency “I alone can fix it.” So proclaimed Donald J. Trump on July 21, 2016, accepting the Republican presidential nomination and promising to restore what he described as a fallen nation. Yet as he undertook the actual work of the commander in chief, it became nearly impossible to see beyond

the daily chaos of scandal, investigation, and constant bluster. In fact, there were patterns to his behavior and that of his associates. The universal value of the Trump administration was loyalty—not to the country, but to the president himself—and Trump’s North Star was always the perpetuation of his own power. With deep and unmatched sources throughout Washington, D.C., Carol Leonnig and Philip Rucker reveal the forty-fifth president up close. Here, for the first time, certain officials who felt honor-bound not to divulge what they witnessed in positions of trust tell the truth for the benefit of history. A peerless and gripping narrative, *A Very Stable Genius* not only reveals President Trump at his most unvarnished but shows how he tested the strength of America’s democracy and its common heart as a nation.

Mr. Trump's Wild Ride Major Garrett, 2018-09-18
Major Garrett has been reporting on the White House for nearly two decades, covering four different presidencies for three news outlets. But if he thought that his distinguished journalistic career had prepared him for the unique challenges of covering Donald Trump, he was in for a surprise. Like many others in Washington, Garrett found himself having to unlearn many of his own settled notions about the nature and function of the presidency. He also had to separate the carnival-like noise of the Trump presidency from its underlying substance. For even in its first half, Trump’s tenure has been highly consequential. In *Mr. Trump’s Wild Ride*, Major Garrett provides what journalists are often said

to do, but usually don't: a true first draft of history. His goal was to sift through the mountains of distracting tweets and shrieking headlines in order to focus on the most significant moments of Trump's young presidency, the ones that Garrett believes will have a lasting impact. The result is an authoritative, mature, and consistently entertaining account of one of the strangest eras in American political history. A consummate professional with unimpeachable integrity, remarkable storytelling skills, and a deep knowledge of his subject earned through decades of experience, Garrett brings to life the twists and turns of covering this White House and its unconventional occupant with wit, sagacity and style. Mr. Trump's Wild Ride should place him securely in the first rank of Washington journalists.
